

**IN THE UNITED STATES BANKRUPTCY COURT
FOR THE SOUTHERN DISTRICT OF TEXAS
HOUSTON DIVISION**

OFFICER, OF NEIMAN MARCUS GROUP LTD LLC, IN SUPPORT OF
THE DEBTORS' CHAPTER 11 PETITIONS AND FIRST DAY MOTIONS**

I, Mark Weinstein, hereby declare under penalty of perjury:

1. I am the Chief Restructuring Officer of Neiman Marcus Group LTD LLC (“NMG LTD LLC”), a limited liability company organized under the laws of Delaware, and each of the above-captioned debtors and debtors in possession (collectively, the “Debtors” or “NMG”). 2. I have over 26 years of experience providing interim management services, including as Chief Executive Officer, Chief Operating Officer, and Chief Restructuring Officer, to distressed and transitioning companies. In those roles, I have implemented revenue enhancement,

liquidity improvement, and cost-reduction programs. I am generally familiar with the Debtors' day-to-day operations, business and financial affairs, and books and records. I submit this declaration to assist the United States Bankruptcy Court for the Southern District of Texas (the "Court") and parties in interest in understanding the circumstances compelling the commencement of these chapter 11 cases and in support of the Debtors' chapter 11 petitions and certain motions and applications filed today.

Preliminary Statement

4. For over 100 years, the Debtors have been the leader in retail luxury, innovation, and customer experiences. Since opening in 1907 with just one store in Dallas, Texas, the Debtors have strategically grown to 67 stores across the United States, including their marquee luxury Neiman Marcus and Bergdorf Goodman locations, Horchow e-commerce website, and off-price Last Call stores. Each Neiman Marcus and Bergdorf Goodman store offers a distinctive selection of apparel, handbags, shoes, cosmetics, and precious and designer jewelry from premier luxury and fashion designers. Horchow offers luxury home furnishings and accessories, and Last Call provides a more affordable option for price-sensitive yet fashion-minded customers. To complement its store footprint, NMG operates the largest luxury e-commerce platform in the world. More than 30 percent of NMG's total annual revenue is from online sales. The Debtors' non-Debtor affiliates own and operate a single store under the THERESA brand and an e-

commerce platform under the Mytheresa brand. As of the Petition Date, the Debtors have funded-debt obligations of approximately \$5.5 billion.

5. In 2019, NMG de-stressed its capital structure in a highly consensual amend-and-extend transaction with holders of over 91 percent of former unsecured notes and holders of over 99 percent of existing term loans. This transaction afforded NMG meaningful runway and flexibility to meet its earnings targets and implement new cost-savings and business initiatives to address adverse macro trends in the retail industry, such as a general transition from brick-and-mortar to online retail channels, and a shift in consumer demographics. Prior to February 2020, NMG was on track to meet all of its budget, earnings, and savings targets for the fiscal year ending in July 2020. NMG also posted comparable store sales growth for seven of the ten previous quarters and significantly expanded gross margins during the last holiday season in line with its goal of profitable and sustainable growth.

6. Then, on March 11, 2020, the World Health Organization declared COVID-19 a pandemic.² In response to COVID-19, national, state, and local governments in the United States and throughout the world imposed quarantines, social distancing protocols, and shelter-in-place orders.³ To protect the health and safety of NMG's customers and employees, on March 18, 2020, NMG voluntarily closed all of its stores and dramatically reduced supply chain operations. These unprecedented events have severely impacted NMG's business and liquidity.

7. To navigate these market conditions, NMG knew it needed to proactively address its liquidity position and capital structure. NMG engaged Kirkland & Ellis LLP ("Kirkland") as

restructuring counsel and Lazard Frères & Co. LLC (“Lazard”) as investment banker to work with NMG and BRG to analyze financing needs and consider NMG’s capital structure alternatives. NMG encouraged its term loan lenders and noteholders to organize and retain advisors. An ad hoc group of lenders who collectively hold approximately 78 percent of NMG’s term loan debt and 78 percent of the Company’s debentures (the “Term Loan Lender Group”) quickly organized and retained Wachtell, Lipton, Rosen & Katz (“Wachtell”) as counsel and Ducera Partners LLC (“Ducera”) as investment banker to represent the Term Loan Lender Group in negotiations with NMG. Shortly thereafter, an ad hoc group of holders of approximately 99 percent of NMG’s Second Lien Notes (as defined below) and approximately 70 percent of NMG’s Third Lien Notes (as defined below) (the “Noteholder Group”) also organized and retained Paul, Weiss, Rifkind, Wharton & Garrison LLP (“Paul Weiss”) as counsel and Houlihan Lokey, Inc. (“Houlihan”) to represent the Noteholder Group in negotiations with NMG.

8. Following several weeks of extensive, arm’s length negotiations, NMG and the Term Loan Lender Group were extremely close to reaching agreement on a comprehensive, pre-negotiated restructuring that would substantially deleverage the Debtors’ balance sheet, a fully-backstopped \$625 million⁴ postpetition financing facility (the “DIP Facility”), and a fully-backstopped \$750 million exit facility (the “Exit Facility”).

9. To further the Debtors’ evaluation of their capital structure alternatives and negotiations with their stakeholders, on April 28, 2020, Mariposa Intermediate Holdings LLC (“Holdings”), the Debtor parent of NMG LTD LLC, appointed disinterested manager Anthony Horton to its Board of Managers, and NMG LTD LLC appointed disinterested managers Marc Beilinson and Scott Vogel to its Board of Managers. Holdings has retained Katten Muchin

⁴ The DIP Facility size has since been increased to \$675 million, as discussed below.

Rosenman LLP as legal counsel to advise Mr. Horton with respect to certain matters delegated to Mr. Horton. NMG LTD LLC has retained Willkie Farr & Gallagher LLP as legal counsel and is retaining a financial advisor to advise Mr. Beilinson and Mr. Vogel with respect to certain matters delegated to Mr. Beilinson and Mr. Vogel. Around this time, NMG received a modified restructuring proposal from the Noteholder Group. NMG believed that further stakeholder support for its restructuring plans would provide significant additional value to its stakeholders and actively pursued a tri-party negotiation with the Term Loan Lender Group and Noteholder Group to achieve more consensus.

10. NMG's efforts to garner additional support for its restructuring process have borne fruit. NMG's proposed restructuring pursuant to its restructuring support agreement (the "Restructuring Support Agreement"), a copy of which is attached as **Exhibit B**, will substantially deleverage NMG's balance sheet and allow the Debtors to emerge from these cases as a stronger, better-capitalized enterprise positioned for sustained success. The Restructuring Support Agreement has a remarkable level of support throughout the Debtors' capital structure: holders of approximately 78 percent of the Debtors' first lien term loan debt, 99 percent of the Debtors' second lien notes debt, 70 percent of the Debtors' third lien notes debt, 78 percent of the Debtors' debentures, and 100 percent of the direct equity ownership in the Debtors have committed to support the Debtors' restructuring. Even more support is anticipated in the coming days as parties contemplate signing joinders.

11. The Restructuring Support Agreement is tied to the now-\$675 million DIP Facility and the \$750 million Exit Facility, each of which is backstopped by members of the Term Loan Lender Group (excluding holders of 2028 Debentures) and members of the Noteholder Group. The Debtors believe that the Restructuring Support Agreement puts the Debtors on the best path

to maximize stakeholder recoveries and ensure that NMG can efficiently emerge from chapter 11 and continue to fulfill its promise of leading in luxury, innovation, and customer experiences.

12. To familiarize the Court with the Debtors, their business, the circumstances leading to these chapter 11 cases, and the relief the Debtors are seeking in the motions and applications filed today, I have organized this declaration as follows:

- **Part I** provides a general overview of the Debtors' corporate history and operations;
- **Part II** provides an overview of the Debtors' prepetition corporate and capital structure;
- **Part III** describes the circumstances leading to these chapter 11 cases;
- **Part IV** describes the Debtors' proposed debtor-in-possession financing;
- **Part V** describes the Restructuring Support Agreement; and
- **Part VI** sets forth the evidentiary basis for the relief requested in each of the first day pleadings.

Part I: Corporate History and Operations

A. NMG's Corporate History.

13. On September 10, 1907, the first Neiman Marcus store opened its doors at the corner of Elm and Murphy in Dallas with the goal of offering style, quality, and unparalleled service. NMG has always worked hard to provide more than "just" shopping and in the process created experiences and traditions over the decades. For example, NMG started the first weekly retail fashion show in the 1920s. It still sponsors fashion shows as charity events today. In the 1930s, NMG drew national attention as the first

retailer outside of New York City to run national ad campaigns in *Vogue* and *Harper's Bazaar*. NMG has continued to reinvent the publishing of fashion with the now-traditional *Christmas Book* (1939), campaigns like the *Art of Fashion* (1994), and its fashion magazine *the book* (1996).

The “art museum” design of the reconstructed NMG flagship debuted in 1965.

14. Heading into the 1940s, NMG worked to bring the industry together to celebrate fashion talent with *The Neiman Marcus Award for Distinguished Service in the Field of Fashion*—the Oscar of the fashion industry—with famous winners such as Coco Chanel and Yves Saint Laurent. Beginning in the 1950s, NMG

formalized its combination of art and style by starting the Neiman Marcus Art Collection, which includes thousands of pieces and often features local artists. One early review from *The Dallas Times Herald* summarized it best: “This is not a store. It is too spacious and colorful. It is something with beautiful clothing in it. But it is not a store.”

15. The NMG story is not just one of history and tradition. It is also one of resilience and growth. NMG has rebuilt itself from the ground up *twice* due to devastating fires at its flagship location (the first in 1913 and the second in 1964). The 1964 fire resulted in a re-imagination of what the NMG experience could be. In 1965, NMG rebuilt its Dallas store as an “art museum for shopping.” In 1971, NMG expanded outside of Texas for the first time, building a store in Bal Harbour, Florida. Today, there are 43 Neiman Marcus brand stores nationwide, each of which offers a distinctive selection of apparel, handbags, shoes, cosmetics, and precious and designer jewelry from premier luxury and fashion designers.

16. Continuing with its theme of revival and expansion, in 1972, the NMG family acquired the famous Fifth Avenue landmark, Bergdorf Goodman. The acquisition gave NMG a foothold in New York City, the sole NMG location in the nation's fashion capital until the opening of Neiman Marcus's Hudson Yards location in spring 2019. In 1988, NMG deepened and expanded its product offerings with the acquisition of the Horchow Collection, a luxury décor and furniture brand. In 1999, NMG took its business online, launching NeimanMarcus.com. Since then, NMG's online platform has grown into the largest luxury e-commerce platform in the world, accounting for over 30 percent of NMG's total revenue.

Bergdorf Goodman is a landmark NYC fashion destination.

17. Presently, NMG also operates Last Call, an off-price fashion brand catering to price sensitive yet fashion-minded customers. As part of its go-forward business model, NMG will be focusing on its full-price stores and moving away from the Last Call segment.

B. NMG's Business Operations.

1. Customer Loyalty and Customer Service.

18. Neiman Marcus and Bergdorf Goodman have a longstanding heritage of providing the highest level of personalized, concierge-style service to its customers. While many retailers have suffered in recent years given the movement away from brick-and-mortar shopping, NMG is positioned to succeed in the digital era.

19. First, NMG has a history of rewarding loyalty. With the 1984 roll-out of InCircle, NMG's loyalty program, NMG became the first luxury retailer to offer a customer loyalty program. In turn, Neiman Marcus and Bergdorf Goodman customers have rewarded NMG with high levels of engagement and loyalty over the years. Approximately 35 percent of NMG's

revenues come from status-holding InCircle rewards members. Further, Neiman Marcus and Bergdorf Goodman have multi-year relationships with true luxury customers, as illustrated by the fact that NMG makes 40 percent of its sales from Neiman Marcus and Bergdorf Goodman to customers who spend \$10,000 or more annually, with an average annual spend of \$50,000.

20. Second, Neiman Marcus and Bergdorf Goodman have always been about more than shopping. While other brick-and-mortar stores have been ill-equipped to compete with online-only retailers, Neiman Marcus and Bergdorf Goodman stores offer a variety of in-person experiences that make every visit an immersive luxury event. Neiman Marcus and Bergdorf Goodman stores feature stunning architecture, beautiful art, and professional and well-trained sales associates to enhance the shopping experience. Additionally, NMG's newest location, its Hudson Yards store, includes several restaurants and bars with rich views—including the Vessel and the Statue of Liberty—as well as a kitchen with cooking and mixology demonstrations and a chocolate bar that serves wine and beer. Other locations, feature spas with makeup, hair, nail, massage, and waxing treatments. Neiman Marcus and Bergdorf Goodman stores also host events, including private shopping events and charity events.

21. Third, NMG is well positioned for the digital age. When customers want a blend of convenient, quick, and high-service access to luxury brands, Neiman Marcus and Bergdorf Goodman provide an enhanced online experience that is superior to other luxury players. NMG operates online platforms that have 17 million visits per month and provide omni-channel services and shared inventory. In addition, Neiman Marcus launched 65 digital stylists more than a year ago that are personal shoppers for top online customers and equipped its 5,200 sales associates with clienteling tools that allow them to sell and close a transaction digitally without requiring in-store presence. The significant investments in IT tools and new roles to better integrate its bricks

and mortar and online operations have resulted in a better customer omni-channel experience, thereby increasing sales and gross margins.

2. NMG's Brands.

22. NMG offers brands to provide luxury in every aspect of its customers' lives.

- **Neiman Marcus.** The Neiman Marcus brand caters to affluent luxury customers. Neiman Marcus operates 43 full-line stores in marquee retail locations in major U.S. markets and its global \$1 billion e-commerce platform, neimanmarcus.com. The Neiman Marcus stores are designed to provide a modern, luxurious ambiance by blending art, architecture, and technology. Neiman Marcus offers distinctive luxury merchandise, including women's couture and designer apparel, contemporary sportswear, handbags, shoes, cosmetics, men's clothing and accessories, precious and designer jewelry, home, children's apparel, and gift items.
- **Bergdorf Goodman.** Bergdorf Goodman is the premier retailer of ultra-high end branded goods in the world. Bergdorf Goodman operates primarily through its two full-line stores in landmark locations on Fifth Avenue in New York City and its global e-commerce platform, bergdorfgoodman.com and the Bergdorf Goodman App. Bergdorf Goodman is known for its high-luxury women's couture and designer apparel, contemporary sportswear, handbags, shoes, cosmetics, men's clothing and accessories, precious and designer jewelry, home, children's apparel, and gift items.
- **Horchow.** Horchow is a leading online resource for luxury furniture, fine linens, and unique décor. Horchow was founded by Roger Horchow in 1973 as the first luxury mail-order catalog without a brick-and-mortar store. Today, Horchow conducts the majority of its business through its e-commerce platform, horchow.com.

- **Last Call.** Last Call is the off-price segment of NMG's fashion goods business. Customers purchase merchandise through 22 Last Call stores and its online platform, lastcall.com. Merchandise offered under the Last Call brand primarily includes end-of-season and post-season clearance goods sourced directly from the Neiman Marcus or lower price-point merchandise purchased directly from designers. During fiscal year 2017, NMG began assessing its Last Call footprint and closed four of its Last Call stores. In fiscal year 2020, NMG closed two more Last Call stores, and on March 11, 2020, prior to temporarily closing all of its stores, NMG announced that it would permanently close most of its 22 remaining Last Call stores to focus on NMG's core luxury business.

23. Under each of NMG's primary brands, NMG offers its customers a curated and compelling assortment of narrowly distributed merchandise from luxury and fashion designers, including Chanel, Gucci, Brunello Cucinelli, Tom Ford, Christian Louboutin, Valentino, Saint Laurent, Prada, Akris, David Yurman, Ermenegildo Zegna, Loro Piana, Estée Lauder, Sisley, Versace, Louis Vuitton, Goyard, and Van Cleef & Arpels. NMG is the retail partner of choice for luxury designers as it offers access to loyal and affluent customers and adheres to strict presentation, marketing, and promotional standards. Neiman Marcus and Bergdorf Goodman also have a long history of identifying, partnering with, and nurturing emerging designers with the potential for rapid growth. The combined offering from established and emerging designers

ensures NMG's merchandise assortment remains unique, compelling, and relevant as fashion trends evolve.

C. Critical Components of the Debtors' Cost Structure.

1. Supply Chain.

24. NMG maintains an integrated supply chain aimed at ensuring the uninterrupted flow of merchandise to its brick-and-mortar locations and the fulfillment of orders from its e-commerce platform. A substantial majority of NMG's merchandise is delivered to NMG from various designers as finished goods and is manufactured in numerous locations, primarily in Europe, the United States, and, to a lesser extent, Asia. NMG's women's and men's apparel and fashion accessories merchandise categories are especially dependent upon NMG's relationships with designers. NMG monitors and evaluates the sales performance and profitability of each designer and adjusts future purchasing decisions based on this analysis. NMG has no guaranteed supply arrangements with its principal merchandising sources. In addition, NMG's designer base is diverse, with only two designers representing more than five percent of NMG's merchandise-sale revenues in fiscal year 2019. The breadth of NMG's sourcing helps mitigate risks associated with any single brand or designer.

25. NMG manages its inventory on an omni-channel basis, and its processes and facilities are designed to optimize merchandise productivity. For the last several years, NMG has utilized an integrated merchandising and distribution system, referred to as "NMG One." NMG One was designed to enable NMG to purchase, share, manage, and sell its inventories across its omni-channel operations and brands more efficiently.

26. The majority of NMG's merchandise is initially received at one of its centralized distribution facilities. NMG utilizes distribution facilities in Longview, Texas, the Dallas-Fort Worth area, Whittier, California, and Pittston, Pennsylvania, as well as two regional service centers

in the United States. NMG's distribution facilities are linked electronically to its various merchandising teams to facilitate the distribution of goods to NMG's stores.

2. Employee Compensation and Benefits.

27. NMG employs approximately 13,201 employees, including approximately 9,545 full-time employees and approximately 3,656 part-time employees. NMG offers its employees the ability to participate in a number of insurance and benefits programs, including health benefits, vision and dental coverage, prescription drug benefits programs, workers' compensation, life insurance, accidental death and dismemberment insurance, disability benefits, retirement plans, and other employee benefit plans.

28. NMG also maintains a qualified defined benefit pension plan (the "Qualified Pension Plan") under the Internal Revenue Code and ERISA for certain current and former employees. The Qualified Pension Plan has been frozen since 2008, and benefit levels were frozen for all participants in 2010. The Qualified Pension Plan provides current and future pension benefits to approximately 10,680 participants. As of August 2019, NMG had projected Qualified Pension Plan obligations of approximately \$659 million. NMG pays annual premiums to the Pension Benefit Guaranty Corporation in connection with the Qualified Pension Plan.

29. Additionally, certain of NMG's employees are union members and have additional benefits governed by collective bargaining agreements. All of NMG's union-represented employees are members of one of two unions: (a) The New York New Jersey Regional Joint Board or (b) Service, Production, Merchandising, Wholesale, Distribution, Clerical and Health Related Services Union, Local 210. Union employees work only at the Bergdorf Goodman brand stores or facilities and represent less than one percent of NMG's employees.

30. As explained further in Part III, in the short term, due to the unprecedeted and unforeseen disruption to NMG's business caused by COVID-19, NMG made the incredibly

difficult decision to implement temporary salary reductions and both partial and full furloughs through the duration of the pandemic.

3. Real Estate Portfolio.

31. While NMG has industry-leading e-commerce platforms, the full experience is enriched by a customer experience in one of NMG's stores. NMG's stores are located in prime locations and feature engaging, luxury shopping environments. NMG's stores are located within driving distance of 70 percent of high-net worth individuals in the United States. Several locations include restaurant offerings to allow for a relaxed and extended experience. From the beginning, NMG has focused on selling an experience. This remains true today. In addition to knowledgeable, professional, and well-trained sales associates, NMG's stores feature in-store events, including trunk shows by leading designers that feature the latest fashions, and exclusive shopping experiences curated for the most discerning luxury clientele.

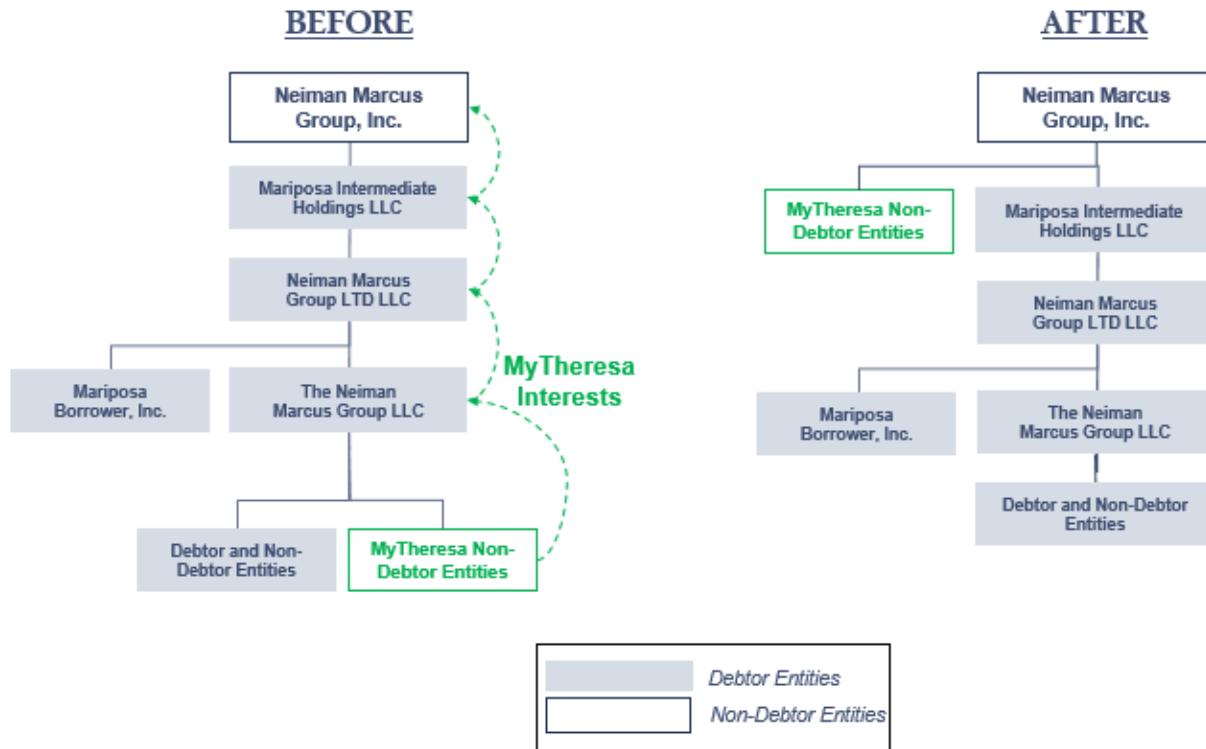

32. In response to the COVID-19 crisis, NMG has closely monitored local government orders and, since March 18, 2020, closed all of its retail stores to in-person shopping until further notice. Where permitted, NMG is maintaining limited staff to fulfill online orders from store merchandise, and NMG has plans to open select stores for limited private appointments in the near term.

D. The Designation and Distribution.

33. In October 2014, NMG acquired MyTheresa, a luxury retailer headquartered in Munich, Germany (“MyTheresa”). The MyTheresa brand appeals to younger, fashion-forward, luxury customers, primarily from Europe, Asia, and the Middle East.

34. The operations of MyTheresa have always been independent of NMG and are primarily conducted through the THERESA flagship store in Munich and the mytheresa.com website and mobile app. The entities that operate the MyTheresa business (the “MyTheresa Operating Companies”) have always been non-guarantors under NMG’s debt. They were designated as “unrestricted subsidiaries” under NMG’s credit facilities in 2014 and under the indentures governing the Unsecured Notes (as defined below) in 2017 (the “Designation”). In September 2018, the MyTheresa Operating Companies were distributed to Neiman Marcus Group, Inc., the non-debtor parent of NMG (“Parent”) (the “Distribution”). Kirkland advised on the Designation in 2017 and Distribution in 2018. Upon completion of the Distribution, the MyTheresa Operating Companies were subsidiaries of Parent.

35. In December 2018, a single purported holder of Unsecured Notes, Marble Ridge, filed suit in the District Court for Dallas County against certain Debtors and Parent alleging that the Distribution was a fraudulent transfer. That lawsuit was dismissed with prejudice at the pleadings stage in March 2019. Certain Debtors and Parent filed counterclaims for defamation and business disparagement against Marble Ridge. Marble Ridge’s motion to dismiss the counterclaims was denied and that decision is currently on appeal.

36. In August 2019, following the successful consummation of the Recapitalization Transactions, Marble Ridge and another purported holder of Unsecured Notes replaced the indenture trustee for the Unsecured Notes. The replacement indenture trustee immediately filed fraudulent transfer claims based on the Distribution against certain Debtors, Parent, and non-debtors MYT Parent Co. and MYT Holding Co. in New York Supreme Court. The replacement indenture trustee also filed a tortious interference claim against certain Ares entities based on the Recapitalization Transactions. Motions to dismiss all of those claims in their entirety were fully briefed as of the Petition Date.

E. The Recapitalization Transaction.

37. To better position the Debtors to handle these trends and allow the Debtors to execute on their business plan, the Debtors negotiated and, in June 2019, executed a multi-step amend-and-extend transaction (such steps collectively, the “Recapitalization Transactions”).

As part of the Recapitalization Transactions, among other things, (a) approximately \$1.48 billion aggregate principal amount of validly tendered Unsecured Notes were exchanged for a combination of new Third Lien Notes and shares of MYT Series A Preferred Stock, (b) all but 0.5% of the aggregate principal amount of 2013 Term Loans (or \$12.7 million) were exchanged for Extended Term Loans, and (c) the Second Lien Notes were issued in exchange for \$550.0 million of new money (the proceeds of which were used to pay-down \$526.9 million of Extended Term Loans).

38. The Recapitalization Transactions were overwhelmingly supported by NMG's creditor constituents and reflected a robust and comprehensive negotiation process. Holders of approximately 99.5 percent of the aggregate principal amount of the 2013 Term Loans and approximately 91.5 percent of the aggregate principal amount of the Unsecured Notes then outstanding consented to the Recapitalization Transactions, which extended the maturities of such obligations from 2020 and 2021 to 2023 and 2024, respectively. The participants that consented to the Recapitalization Transactions collectively represented over \$4.2 billion of outstanding 2013 Term Loans and Unsecured Notes. The majority holder of the 2028 Debentures also consented to the Recapitalization Transactions.

39. In addition, the participants in the Recapitalization Transactions agreed to release NMG from any and all claims relating to, among other things, the Recapitalization Transactions, the Designation, and the Distribution. The participants also agreed to turnover provisions requiring the indenture trustees and agents, NMG, and the releasing parties, in the event that they (or their successors and assignees) receive any funds, property, or value on account of the Designation or the Distribution, to turnover any such funds, property, or value to Parent. Parent is then required

to distribute those recoveries in accordance with a contractual waterfall applicable to the instruments issued by the newly formed MyTheresa Holding Companies (the “MYT Waterfall”).

40. The MYT Waterfall was a fundamental component of the Recapitalization Transactions. Under the waterfall, the first \$200 million of value is allocated to the holders of Second Lien Notes in respect of their limited guarantee; the next \$250 million (plus accrued dividends) of value is allocated to holders of MYT Series A Preferred Stock, which was issued to former holders of Unsecured Notes in connection with the Recapitalization Transactions; the next \$250 million (plus accrued dividends) of value is allocated to the holder (MYT Parent Co. and, indirectly, Parent and its equity sponsors) of MYT Series B Preferred Stock; and the remaining value is to be split equally between the holders of the Third Lien Notes (via the pledge of MYT Holding Co.’s common stock) and MYT Parent Co. The MyTheresa Operating Companies are not contractually obligated under, and do not provide any direct credit support to, the Debtors’ debt arrangements. A key consideration in the design of the MYT Waterfall was the preservation of value and separateness of the MyTheresa business. Kirkland advised on the Recapitalization Transactions.

41. In September 2019, certain Debtors entered into an amendment to the credit agreement governing the Asset-Based Revolving Credit Facility to provide for the FILO Facility. Subsequent to and as a result of the Debtors’ borrowing under the FILO Facility, the Debtors had no further capacity to enter into incremental facilities under the Asset-Based Revolving Credit Facility.

42. The Recapitalization Transactions successfully extended the maturities of participating debt by three years, and provided NMG with significantly more runway to implement its transformation plan. Indeed, prior to the COVID-19 outbreak, NMG was on track to meet all

of its budget, earnings, and savings targets for the year and had posted comparable store sales growth for seven of the ten previous quarters.

Part II: The Debtors' Prepetition Corporate and Capital Structure

43. As of the Petition Date, the Debtors' capital structure consists of outstanding funded-debt obligations in the aggregate principal amount of approximately \$5.1 billion. As further described below, the Debtors' significant funded debt obligations include: (a) a \$900.0 million senior secured asset-based revolving credit facility (the "Asset-Based Revolving Credit Facility"), of which \$749.0 million has been drawn; (b) a \$100.0 million last-out term loan facility (the "FILO Facility"); (c) a \$2,253.1 million senior secured term loan facility (the "Term Loan Facility"), which is comprised of \$12.6 million outstanding of stub term loans with the original maturity date of October 25, 2020, \$1,193.8 million outstanding of term loans with an extended maturity date of October 25, 2023, which pay interest entirely in cash, and \$1,046.7 million outstanding of term loans with an extended maturity date of October 25, 2023, which pay interest partially in cash and partially in kind; (d) \$561.7 million aggregate principal amount of 14.000% Second Lien Notes due 2024 (the "Second Lien Notes"); (e) \$730.5 million aggregate principal amount of 8.000% Senior Secured Third Lien Notes due 2024 (the "8.000% Third Lien Notes"); (f) \$497.8 million aggregate principal amount of 8.750% Senior Secured Third Lien Notes due 2024 (the "8.750% Third Lien Notes" and, together with the 8.000% Third Lien Notes, the "Third Lien Notes"); (g) \$80.7 million aggregate principal amount of 8.000% Senior Cash Pay Notes due 2021 (the "Unsecured Cash Pay Notes"); (h) \$56.6 million aggregate principal amount of 8.750%/9.500% Senior PIK Toggle Notes due 2021 (the "Unsecured PIK Toggle Notes" and, together with the Unsecured Cash Pay Notes, the "Unsecured Notes"); and (i) \$125.0 million aggregate principal amount of 7.125% Senior Debentures due 2028.

The following table summarizes the Debtors' outstanding funded-debt obligations as of the Petition Date:

Funded Debt	Maturity Date	Interest Rate	Principal Amount Outstanding (in thousands)

44. A chart summarizing the relative priorities of various stakeholders to the collateral packages described below is attached as **Exhibit C**.

A. The Asset-Based Revolving Credit Facility.

45. The Debtors are party to that certain Credit Agreement, dated as of October 25, 2013 (as amended, restated, amended and restated, supplemented, or otherwise modified from time to time, the "ABL Credit Agreement"), by and among NMG, as borrower, certain of the Debtors as co-borrowers party thereto (together with NMG, the "ABL Borrowers"), Holdings, and certain of NMG's current and future, direct and indirect, wholly owned subsidiaries (the "ABL Subsidiary Guarantors"), as guarantors, the FILO Facility lenders, Deutsche Bank AG New York Branch, as administrative agent and as collateral agent, TPG Specialty Lending, Inc., as agent for the FILO Facility lenders, and the lenders from time to time party thereto. The Asset-Based Revolving Credit Facility has a maximum committed borrowing capacity of \$900.0 million

(subject to a borrowing base) and matures on July 25, 2021 (subject to the terms of the ABL Credit Agreement).

46. The obligations under the Asset-Based Revolving Credit Facility are secured by substantially all of the assets of Holdings, the ABL Borrowers, and the ABL Subsidiary Guarantors, including a first-priority security interest in personal property consisting of inventory and related accounts, cash, deposit accounts, all payments received by the ABL Borrowers or the ABL Subsidiary Guarantors from credit card clearing houses and processors or otherwise in respect of all credit card charges for sales of inventory by the ABL Borrowers and the ABL Subsidiary Guarantors, certain related assets and proceeds of the foregoing (together, the “ABL Priority Collateral”).

47. In addition, the obligations under the Asset-Based Revolving Credit Facility are secured by certain other interests such as: (a) a fourth-priority pledge of 100 percent of NMG’s capital stock held by Holdings, (b) a fourth-priority security interest on certain owned and leased real property and equipment, (c) a fourth-priority security interest in Extended Term Loan PropCo (as defined below), and (d) a fourth-priority security interest in the Notes Priority Collateral (as defined below).

48. As of the Petition Date, approximately \$749.0 million in borrowings and approximately \$9.3 million of letters of credit are outstanding under the Asset-Based Revolving Credit Facility, and there is approximately \$141.7 million of unused commitments. As of the Petition Date, there was extremely limited availability under the Asset-Based Revolving Credit Facility.

B. The FILO Facility.

49. The FILO Facility is governed by the ABL Credit Agreement and has a maximum committed borrowing capacity of \$100.0 million, subject to a borrowing base. The FILO Facility

matures concurrently with the Asset-Based Revolving Credit Facility on July 25, 2021 (subject to the terms of the ABL Credit Agreement).

50. As of the Petition Date, NMG had outstanding borrowings of \$100.0 million under the FILO Facility. All obligations under the FILO Facility are guaranteed by the same entities that guarantee the Asset-Based Revolving Credit Facility and are secured by the same collateral as the Asset-Based Revolving Credit Facility, but will be last-out in payment as set forth in the FILO Credit Agreement.

C. The Term Loan Facility.

51. The Debtors are party to that Credit Agreement, dated as of October 23, 2013 (as amended, restated, amended and restated, supplemented or otherwise modified from time to time), by and among NMG, The Neiman Marcus Group LLC, and The NMG Subsidiary LLC, as borrowers (the “Term Loan Borrowers”), Holdings and certain of NMG’s current and future subsidiaries, as guarantors (the “TL Subsidiary Guarantors”), Credit Suisse AG, Cayman Islands Branch, as administrative agent and collateral agent, and the lenders from time to time party thereto.

52. All obligations under the Term Loan Facility, and the guarantees of those obligations, are secured by substantially all of the assets of Holdings, the Term Loan Borrowers, and the TL Subsidiary Guarantors, including (a) a first-priority security interest in, and mortgages on, a significant portion of NMG’s owned real property and equipment and substantially all other tangible and intangible assets of the Term Loan Borrowers, Holdings, and certain subsidiary guarantors (the “Original Term Loan Priority Collateral”); (b) a second-priority security interest in the ABL Priority Collateral; and (c) solely with respect to the Extended Term Loans (as defined herein), (i) a first priority security interest in certain future foreign assets, intercompany debt, and certain additional equity interests of new subsidiary guarantors, (ii) a first-priority security interest

in, and mortgages on, certain of the borrowers' and any subsidiary guarantors' owned real estate interests, real estate leasehold interests, and other real property interests ("Extended Term Loan Priority Real Estate Collateral"), (iii) a first-priority security interest in the equity interests of NMG Term Loan PropCo LLC, a special purpose entity that is a subsidiary of NMG (the "Extended Term Loan PropCo") formed solely to hold certain real estate leases constituting Extended Term Loan Priority Real Estate Collateral that cannot be mortgaged directly to secure the Extended Term Loans (as defined herein) under the Term Loan Facility (the collateral described in the foregoing subclauses (i), (ii), and (iii), together with the Original Term Loan Priority Collateral, collectively, the "Term Loan Priority Collateral"), and (iv) a third-priority security interest in the Notes Priority Collateral.

53. As of the Petition Date, the outstanding balance under the Term Loan Facility was \$2,253.1 million comprised of (a) \$12.6 million outstanding of stub term loans with the original maturity date of October 25, 2020 (the "2013 Term Loans"), (b) \$1,193.8 million outstanding of term loans with an extended maturity date of October 25, 2023 which pay interest entirely in cash (the "Cash Pay Extended Term Loans"), and (c) \$1,046.7 million outstanding of term loans with an extended maturity date of October 25, 2023 which pay interest partially in cash and partially in kind (the "Cash Pay/PIK Extended Term Loans" and, together with the Cash Pay Extended Term Loans, the "Extended Term Loans").

D. The Second Lien Notes.

54. In connection with the Recapitalization Transactions (as defined below), NMG, The Neiman Marcus Group LLC, Mariposa Borrower, Inc., and The NMG Subsidiary LLC (collectively, the "Notes Issuers") issued \$550.0 million aggregate principal amount of Second Lien Notes under the Indenture, dated June 7, 2019 (as amended, restated, amended and restated, supplemented, or otherwise modified from time to time), with the Notes Issuers, as issuers, Ankura

Trust Company, LLC, as trustee and notes collateral agent, and certain of the Debtors as guarantors.

55. The Second Lien Notes and related guarantees are secured by collateral that includes (a) a second-priority security interest in the Term Loan Priority Collateral, (b) a second-priority interest in certain previously unencumbered real estate related to certain full-line Neiman Marcus stores (the “Notes Priority Real Estate Collateral”) mortgageable to the collateral agent, and the equity interests of a special purpose entity and subsidiary of NMG (“Notes PropCo”) formed to hold certain Notes Priority Real Estate Collateral that cannot be mortgaged directly to the collateral agent (together, the “Notes Priority Collateral”) (subject to a cap on recovery equal to \$200.0 million less any amounts recovered against those assets by holders of the Third Lien Notes issued in connection with the Recapitalization Transactions (as defined below)), (c) a third-priority security interest in the ABL Priority Collateral, and (d) a senior secured guarantee of up to \$200.0 million by three holding companies of the MyTheresa Operating Companies—non-debtors MYT Holding Co., MYT Intermediate Holding Co., and MYT Netherlands Parent B.V.—and a first priority pledge of the assets of such guarantors subject to customary exceptions (the “Limited Guarantee Collateral”).

56. As of the Petition Date, \$561.7 million in aggregate principal amount of Second Lien Notes remains outstanding. The Second Lien Notes mature on April 25, 2024 and require semiannual coupon payments of 8.0% cash interest and 6.0% PIK interest on April 15 and October 15. The Debtors did not pay the coupon payment due on April 15, 2020.

E. The Third Lien Notes.

57. In connection with the Recapitalization Transactions (as defined below), the Notes Issuers issued (a) approximately \$730.5 million aggregate principal amount of 8.000% Third Lien Notes under the Indenture, dated June 7, 2019 (as amended, restated, amended and restated,

supplemented, or otherwise modified from time to time), with the Notes Issuers, as issuers, Wilmington Trust, National Association, as trustee and notes collateral agent, and certain of the Debtors as guarantors, and (b) approximately \$497.8 million aggregate principal amount of 8.750% Third Lien Notes under the Indenture, dated June 7, 2019, with the Notes Issuers, as issuers, Wilmington Trust, National Association, as trustee and notes collateral agent, and certain of the Debtors as guarantors. Interest on the Third Lien Notes is payable semi-annually in arrears on April 15 and October 15. The Third Lien Notes mature on October 25, 2024. The Debtors did not pay the coupon payment due on April 15, 2020.

58. The Third Lien Notes are secured by collateral that includes (a) a first-priority security interest in the Notes Priority Collateral (subject to a cap on recovery equal to \$200.0 million), (b) a third-priority security interest in the Term Loan Priority Collateral, (c) a first-priority pledge of 50 percent of the common equity interests of non-debtor MYT Holding Co., a holding company of the MyTheresa business, and (d) a fourth-priority security interest in the ABL Priority Collateral. In addition, the Third Lien Notes are guaranteed, subject to certain exceptions, by each of NMG's current and future domestic subsidiaries and future foreign subsidiaries on a senior secured basis.

F. The Unsecured Notes.

59. On October 21, 2013, NMG and Mariposa Borrower, Inc. issued \$960 million aggregate principal amount of Unsecured Cash Pay Notes under the Indenture, dated October 21, 2013 (as amended, restated, amended and restated, supplemented, or otherwise modified from time to time), with UMB Bank, N.A. (as successor to U.S. Bank, N.A. and Drivetrain Trust Company LLC), as trustee. As of the Petition Date, the outstanding balance under the Unsecured Cash Pay Notes was \$80.7 million. Interest on the Unsecured Cash Pay Notes is payable semi-annually in arrears on each April 15 and October 15. The Unsecured Cash Pay Notes

mature on October 15, 2021 and are guaranteed by the same entities that guarantee the Third Lien Notes. The Debtors did not pay the coupon payment due on April 15, 2020.

60. On October 21, 2013, NMG and Mariposa Borrower, Inc. issued \$600 million aggregate principal amount of Unsecured PIK Toggle Notes under the Indenture, dated October 21, 2013 (as amended, restated, amended and restated, supplemented, or otherwise modified from time to time), with NMG as issuer, Mariposa Borrower, Inc., as co-issuer, certain Debtors, as guarantors, and UMB Bank, N.A. (as successor to U.S. Bank, N.A. and Drivetrain Trust Company LLC) as trustee. As of the Petition Date, the outstanding balance under the Unsecured PIK Toggle Notes was \$56.6 million. Interest on the Unsecured PIK Toggle Notes is payable semi-annually in arrears on each April 15 and October 15. The Unsecured PIK Toggle Notes mature on October 15, 2021 and are guaranteed by the same entities that guarantee the Third Lien Notes. The Debtors did not pay the coupon payment due on April 15, 2020.

G. The 2028 Debentures.

61. On May 27, 1998, the Neiman Marcus Group LLC issued \$125.0 million aggregate principal amount of 2028 Debentures (the “2028 Debentures”) under the Indenture, dated May 27, 1998 (as amended, restated, amended and restated, supplemented, or otherwise modified from time to time), with Wilmington Savings Fund Society, FSB (as successor to The Bank of New York Mellon Trust Company), as trustee. The 2028 Debentures mature on June 1, 2028.

62. The 2028 Debentures are secured by “equal and ratable” liens on certain owned real estate properties, real estate ground leases, and real estate operating leases of NMG and on shares of capital stock and indebtedness of certain NMG’s subsidiaries, in each case *pari passu* with the Extended Term Loans. The 2028 Debentures are guaranteed on a senior basis by NMG, Extended Term Loan PropCo, and Notes PropCo. The guarantees are full and unconditional.

The 2028 Debentures are not otherwise guaranteed by any of The Neiman Marcus Group LLC's subsidiaries.

H. Preferred Stock of Non-Debtor MyTheresa Holding Co.

63. In connection with the Recapitalization Transactions (as defined below), Parent formed three new Delaware subsidiaries (the "MyTheresa Holding Companies") and contributed the MyTheresa Operating Companies to the MyTheresa Holding Companies. Further, validly tendered Unsecured Notes were exchanged for aggregate consideration consisting of new Third Lien Notes and 250,000,000 shares of Series A Preferred Stock, par value \$0.001 per share (the "MYT Series A Preferred Stock"), with an initial liquidation preference of \$1.00 per share, of MYT Holding Co., a MyTheresa Holding Company. In addition, MYT Holding Co. issued 250,000,000 shares of Series B Preferred Stock, par value \$0.001 per share (the "MYT Series B Preferred Stock") with an initial liquidation preference of \$1.00 per share, to its direct parent and a MyTheresa Holding Company, MYT Parent Co.

Part III: Events Leading to These Chapter 11 Cases

A. Macroeconomic Challenges and Prepetition Cost-Saving and Cash Conservation Initiatives.

64. While NMG has been proactive in addressing changing trends, it faces the same macro-trends that have crippled many apparel and retail companies, including a general trend from brick-and-mortar to online retail channels and a shift in consumer demographics. Recognizing this, after the Recapitalization Transactions, but prior to the COVID-19 temporary store closures, the Debtors immediately implemented a series of cost-saving and cash conservation initiatives to grow their profit margins and address their debt obligations. These initiatives included, among others, expense reduction, contract renegotiations, reduced capital expenditures, optimization of the Debtors' merchandise inventory, labor-force realignment and real estate monetization. As a

result of these initiatives, the Debtors were on pace for \$90 million in cost savings and a \$100 million increase in liquidity by July 2020, on top of \$100 million in additional liquidity obtained in the first half of fiscal year 2020. The Debtors paid all of their vendors on time and in full in the ordinary course of business.

1. Landlord Engagement.

65. Strong relationships with the Debtors' landlords will be critical to the Debtors' success during these chapter 11 cases. Prior to the Petition Date, NMG engaged in fruitful rent relief negotiations with its landlords.

66. NMG and its advisors contacted nearly all of NMG's landlords to discuss potential postpetition rent concessions and other relief on a landlord-by-landlord basis. NMG's landlords were generally supportive and responsive, and NMG reached several agreements in principle, representing millions of dollars in rent deferrals between April, May, and June 2020. The Debtors will continue to discuss rent deferrals, rent concessions, and other forms of relief during these chapter 11 cases.

2. Distribution Center and Store Closures.

67. On March 11, 2020, NMG announced its decision to permanently close most of its remaining Last Call stores by October 2020. NMG intends to file a motion requesting entry of an order approving procedures for store closures and authorizing NMG to permanently close the Last Call stores (and potentially additional underperforming or geographically undesirable stores in the NMG store portfolio). Additionally, as a result of the Last Call store closures and a detailed analysis of its supply chain, NMG identified two of its Texas distribution centers that it plans to sell and reinvest the proceeds to optimize its supply chain. NMG anticipates such closures could increase liquidity and accelerate profitable growth.

B. COVID-19.

68. NMG has experienced a significant decline in store traffic and related consumer spending as well as numerous operational challenges as a result of the COVID-19 pandemic, actions taken by governments and citizens in response, and the unprecedented upheaval in the global financial markets that has followed. In response to state and local government mandates and recommendations, on March 18, 2020, NMG temporarily closed all Neiman Marcus, Bergdorf Goodman, Horchow, and Last Call retail stores through at least April 30, 2020. NMG later extended its store closures through May 2020. Store closures have significantly contributed to missed sales targets, unsold inventory, and depressed profit margins. Online sales in April 2020, including associate-driven sales through NMG's digital platforms, have seen double digit increases compared to last year, but digital sales have not been sufficiently high to compensate for lost in-store revenues.

69. In response to the outbreak of COVID-19, the Debtors immediately went into liquidity conservation mode. First, the Debtors froze discretionary spending, business travel, and NMG corporate purchase cards, stopped taking spring receipts, and froze nonemergency capital expenditures. Next, the Debtors made the incredibly difficult decision to institute the Furlough Program (as defined below). In addition, the Debtors began to discuss contingencies with their landlords regarding the temporary store closures. After taking extreme steps to conserve liquidity, the Debtors were forced to stretch accounts payable timelines.

1. Furlough Program.

70. Due to the unprecedented and unforeseen disruption to the Debtors' business caused by COVID-19, the Debtors made the incredibly difficult decision to implement temporary salary reductions and both partial and full furloughs that will affect nearly all of the Debtors' employees (the "Furlough Program"). While the Debtors initially maintained wages and salaries

for their employees, effective April 5, 2020, the Debtors placed approximately 11,282 full- and part-time employees on temporary furlough (the “Furloughed Employees”) and reduced the salaries of all non-furloughed exempt employees. The Debtors committed to a 30-day Furlough Program, although ongoing developments concerning COVID-19 and related governmental actions remain highly uncertain and may lead to extensions. During the duration of the Furlough Program, Furloughed Employees will remain on unpaid leave unless otherwise scheduled to work, but will remain eligible to participate in any health benefits programs in which such Furloughed Employees are currently enrolled. The Debtors will also maintain approximately 2,208 active employees to maintain the Debtors’ limited business operations. The Debtors anticipate that the Furloughed Employees will return to work once the public health crisis subsides.

Part IV: The Proposed DIP Financing and Marketing Process

71. Pursuant to the *Debtors’ Emergency Motion for Entry of Interim and Final Orders* (*I*) *Authorizing the Debtors to (A) Obtain Postpetition Financing and (B) Utilize Cash Collateral*, (*II*) *Granting Adequate Protection to Prepetition Secured Parties*, (*III*) *Modifying the Automatic Stay*, (*IV*) *Scheduling a Final Hearing*, and (*V*) *Granting Related Relief* (the “DIP Motion”), the Debtors seek approval of the proposed \$675 million DIP Facility. The proposed DIP Facility consists of \$675 million, backstopped by the Term Loan Lender Group (excluding holders of 2028 Debentures) and by the Noteholder Group. The DIP Facility provides the necessary cash to meet immediate operational needs, including building new fall inventory to meet seasonal demands when stores reopen, addresses significant vendor and brand partner unease, and provides the liquidity for a smooth transition into chapter 11.

A. The Debtors’ Need for Interim Relief

72. Prior to preparing for these chapter 11 cases, NMG’s leadership carefully managed cash flows and successfully aligned operational inflows and outflows. The process of preparing

for and filing these chapter 11 cases disrupted these efforts. As of the Petition Date, the Debtors lack sufficient funds to responsibly operate their businesses in light of expected cash flows during the course of these chapter 11 cases due to increased process-related costs and decreased revenues as a result of the ongoing global pandemic. The Debtors' businesses are cash intensive and seasonal, with significant daily and monthly costs required to satisfy obligations to vendors, employees, and landlords, among others. As such, the Debtors require immediate access to postpetition financing and use of cash collateral to operate their businesses, preserve value, and avoid irreparable harm pending the final hearing.

73. With the unexpected temporary closure of all of the Debtors' brick-and-mortar locations on March 18, 2020, the Debtors experienced an immediate reduction in cash flow of approximately 65 percent to 75 percent. As a result, the Debtors' access to liquidity became seriously strained. Upon BRG's retention in March 2020, BRG, the Debtors, and their other advisors carefully considered a number of strategies to address the Debtors' capital structure and liquidity challenges, including through immediate, drastic cost saving measures to provide the Debtors sufficient runway to maintain operations.

74. Among other cost reduction and cash conservation measures, the Debtors instituted their Furlough Program pursuant to which the Debtors furloughed between 80 percent to 90 percent of their employees on a part-time or full-time basis, eliminated or deferred most capital expense projects, dramatically reduced cash disbursements and inbound receipt of inventory, reduced employee salaries and wages company-wide, and commenced negotiations with brand partners and landlords. These cost-saving measures, while effective, are not enough. The Debtors need liquidity to support their online operations and to build their fall inventory to ensure that business continues without disruption.

75. As stated above, the Debtors' liquidity has been severely constrained and subject to significant volatility because it is subject to a borrowing base formula and reserve restrictions pursuant to the Debtors' prepetition Asset-Based Revolving Credit Facility. On April 14, 2020, the Asset-Based Revolving Credit Facility lenders submitted to the Debtors an updated inventory appraisal reflecting a reduction of net recovery value of the Debtors' inventory from \$1.309 billion as of September 2019 to \$1.253 billion as of March 2020, and temporarily implemented a 5 percent reserve against eligible inventory in the March borrowing base. Through the negotiations described below, this reserve was eliminated, but overall, the Debtors' available borrowing base has been reduced by approximately \$80 million to \$90 million.

76. Further, approximately two weeks ago, an event of default arose under the cross-default provision of the Asset-Based Revolving Credit Facility. The Debtors were able to quickly negotiate and execute a forbearance agreement with the requisite lenders, affording the Debtors additional time to negotiate and document the consensual restructuring transaction and DIP Facility described herein.

77. Without the cash and stability provided by the DIP Facility, I believe that irreparable harm would occur as a result of the Debtors' inability to continue ordinary course operations. The Debtors operate a seasonal business. When stores reopen, customers will expect the newest fashions. Those orders must be planned, ordered, and paid for now, despite reduced revenues. Failing to meet customer expectations would not only impact revenue generation but also risk losing the confidence of the Debtors' remaining employees, vendors, and landlords. All of these parties are currently navigating the challenges of the COVID-19 pandemic, which has made them, and brand partners in particular, increasingly sensitive to risk. The Debtors will materially benefit from the strong message the DIP Facility and authorization to use Cash

Collateral (as defined in section 363(a) of the Bankruptcy Code) will provide to the Debtors' key stakeholders that operations will continue and that the bankruptcy filing will not affect postpetition ordinary-course operations. The DIP Facility and authorization to use Cash Collateral will ensure that the Debtors have sufficient cash to comply with their borrowing base covenants and adequately protect the Asset-Based Revolving Credit Facility lenders during these cases, including by providing the Debtors with sufficient liquidity to continue operating as a going concern and to maintain relationships with key customers. This is especially important now as the Debtors would be unable to conduct traditional going-out-of-business sales in the unlikely event they were forced to liquidate, since stores remain closed to customers indefinitely due to COVID-19. Authorizing the Debtors access to the DIP Facility therefore enables the Debtors to weather the storm and maximize the value of their estates by continuing to operate as a going concern.

B. The DIP Sizing Process

78. In light of the Debtors' liquidity position, BRG worked closely with the Debtors to evaluate the Debtors' operations and cash requirements to responsibly and successfully operate their businesses during these cases. Specifically, the BRG team worked with key members of the Debtors' organization, including but not limited to members of the finance, merchandise planning, supply chain, treasury, and financial planning and analysis organizations, to evaluate and understand the Debtors' cash flows, borrowing base management, inventory management, and operations.

79. As part of BRG's evaluation of the Debtors' liquidity position, BRG assisted in the development of the Debtors' 13-week and long-term cash flow forecasts. These forecasts take into account anticipated cash receipts and disbursements during the projected period and consider the effects of the chapter 11 filing, including incremental administrative costs of a complex chapter 11 filing with a larger number of stakeholders each of whom will likely be represented by counsel,

fees and interest expenses associated with the DIP Facility, required operational payments, and cost-saving initiatives already undertaken.

80. BRG also considered the unprecedented, adverse market conditions facing the retail industry during the COVID-19 pandemic. With no certainty as to when the Debtors' retail stores can re-open or whether and when sales will return to the levels the Debtors saw before shelter-in-place and stay-at-home orders were implemented, the BRG team ran a series of sensitivity analyses to determine the Debtors' potential liquidity needs both during and following these chapter 11 cases. These cash-flow scenarios assumed different store-opening timelines, utilized experience in Europe and Asia where the industry has been dealing with the effects of COVID-19 for weeks longer than the United States, and accounted for what brand partners and landlords are forecasting during and after the COVID-19 pandemic, including the permanent closure of certain lesser-performing full-line Neiman Marcus stores.

81. The Debtors also evaluated their long-standing relationships with critical brand partners supplying inventory to the Debtors, who are generally unwilling to do business with at-risk, cash-strapped companies. The Debtors also considered the need for sufficient cushion to weather additional unforeseeable liquidity troughs, including as a result of volatility caused by the borrowing base under the Debtors' Asset-Based Revolving Credit Facility.

82. Based on these extensive sensitivity analyses and other considerations, the Debtors and their advisors determined that smooth postpetition operations would require incremental liquidity of \$675 million to operate and satisfy all administrative costs and expenses associated with these chapter 11 cases as they come due.

C. The DIP Marketing Process

83. As more thoroughly described in the *Declaration of Tyler W. Cowan in Support of the Debtors' Emergency Motion for Entry of Interim and Final Orders (I) Authorizing the Debtors*

to (A) Obtain Postpetition Financing and (B) Utilize Cash Collateral, (II) Granting Adequate Protection to Prepetition Secured Parties, (III) Modifying the Automatic Stay, (IV) Scheduling a Final Hearing, and (V) Granting Related Relief, also filed today, the Debtors retained Lazard to assist the Debtors with exploring and analyzing restructuring alternatives, including undertaking a marketing process to secure the additional liquidity the Debtors need to operate during these chapter 11 cases. After searching for financing sources from both within and outside of the Debtors' existing capital structure, the Debtors secured a commitment from the Term Loan Lender Group and Noteholder Group to fund these chapter 11 cases, subject to the Court's approval. I personally participated in the negotiation and analysis of various economic aspects of the DIP Facility, which lasted for weeks and was hard-fought and at arms'-length.

84. While the Debtors received one other proposal, at this stage, it is not actionable for several reasons. For example, weeks into the negotiations process with the Term Loan Lender Group, the Debtors received a competing proposal from a term loan lender that carried ostensibly lower transaction costs but did not offer sufficient visibility into commitments or financial wherewithal to fund the financing, required nonconsensual priming of existing secured lenders, and, due to the lack of unencumbered assets, did not propose adequate protection for those proposed to be primed.

85. In contrast, the DIP Facility provides necessary liquidity junior to existing secured debts (other than consensual priming of the Extended Term Loan Lenders and holders of the Second Lien Notes and Third Lien Notes), which avoids the costly and protracted priming fight that would be inevitable under the competing proposal. The Prepetition Secured Parties will inherently benefit from the DIP Facility, as it will preserve the value of their collateral, and will provide for new money to the Debtors' capital structure. Under the completely unprecedented

conditions caused by the COVID-19 pandemic, the Debtors, in consultation with the board and their advisors, reached a consensus that it would be imprudent to forego the value-maximizing DIP Facility deal for a competing, unactionable and potentially priming financing proposal. Accordingly, I believe the DIP is necessary to avoid irreparable harm to the Debtors and their estates, and is in their best interests.

D. The Debtors' Proposed Use of Cash Collateral

86. Pursuant to the DIP Motion, the Debtors also seek the continued use of Cash Collateral to provide sufficient liquidity for their operations during these chapter 11 cases. As described in the DIP Motion, the Debtors' business is cash intensive, with significant daily and monthly costs required to satisfy obligations to vendors, employees, and landlords, among others. Without access to Cash Collateral, the Debtors would be unable to operate their business and administer their estates, and their stakeholders would be immediately and irreparably harmed as a result.

87. Authorization to use Cash Collateral during the interim period will ensure the Debtors have sufficient cash to comply with their borrowing base covenants and adequately protect the lenders under the Asset-Based Revolving Credit Facility during these chapter 11 cases, including by providing the Debtors with sufficient liquidity to continue operating as a going-concern and to maintain relationships with key customers.

88. In consideration for the consensual use of Cash Collateral, the Debtors have agreed to provide the prepetition secured parties under the Asset-Based Revolving Credit Facility (the "ABL Lenders") with adequate protection as set forth in the DIP Motion and the accompanying interim order.

89. The Debtors' use of Cash Collateral will generally be subject to the same milestones agreed upon in the DIP Facility. In addition, the parties agreed on additional reporting covenants,

including the ABL Lenders' right to participate in calls with the Debtors' management and cooperation with the ABL Lenders' financial advisor.

Part V: The Restructuring Support Agreement

90. The Restructuring Support Agreement contemplates a comprehensive reorganization achieved through the Plan (as defined below) that will result in a substantial deleveraging of the Debtors' balance sheet by as much as \$4 billion and provide the Debtors with \$750 million of fully-committed new capital. The key financial components of the restructuring are as follows:

- access to the DIP Facility, in an aggregate principal amount of \$675 million, which shall bear interest at a rate of LIBOR plus 12.75% (payable monthly in cash), and matures at the earlier of 5 months from the Petition Date (subject to an extension option) or consummation of a chapter 11 plan of reorganization; and
- access to a commitment for the post-effective date Exit Facility in aggregate principal amount of \$750 million, backstopped by the Term Loan Lender Group (excluding holders of 2028 Debentures), the Noteholder Group, and any other Extended Term Loan lenders, holders of 2028 Debentures, holders of Second Lien Notes, and holders of Third Lien Notes who execute the Restructuring Support Agreement within seven business days of the Petition Date, which will be used to refinance the term loans under the DIP Facility.

91. The Restructuring Support Agreement contemplates stakeholder recoveries as follows pursuant to a plan of reorganization to be filed in these chapter 11 cases to implement the Restructuring Support Agreement (the "Plan"):⁵

- each holder of Extended Term Loans, 2013 Term Loans, 2028 Debentures, Second Lien Notes, and/or Third Lien Notes will be eligible to participate in the DIP Facility pursuant to the syndication procedures;

⁵ In the event of any inconsistencies between the summaries set forth below and the provisions relating to such recoveries in the RSA and/or Plan documents, the descriptions in the RSA and/or Plan, as applicable, shall control.

- holders of claims on account of the Asset-Based Revolving Credit Facility and FILO Facility will receive value, as of the effective date of the Plan, equal to the allowed amount of such claims, as applicable;
- holders of 2019 Term Loan Claims shall receive their pro rata share of and interest in (a) 87.5 percent of the reorganized equity (subject to dilution) and (b) 87.5 percent of the rights to participate in the Exit Facility (the “Rights”), subject, in each case, to upward adjustment if the holders of 2013 Term Loan Claims do not vote in favor of the Plan;
- if the class of 2013 Term Loan Claims votes in favor of the Plan, holders of 2013 Term Loans shall receive their pro rata share of and interest in (a) 0.2 percent of the reorganized equity (subject to dilution) and (b) 0.2 percent of the Rights, or, if the class of 2013 Term Loan Claims does not vote in favor of the Plan, holders of 2013 Term Loan Claims will receive value, as of the Effective Date of the Plan, equal to the allowed amount of such claims not to exceed the value of each holder’s interest in the estate’s interest in the property securing such claims;
- holders of 2028 Debentures Claims will receive their pro rata share of and interest in (a) 2.8 percent of the reorganized equity and (b) 2.8 percent of the Rights, subject, in each case, to upward adjustment if the holders of 2013 Term Loan Claims do not vote in favor of the Plan;
- holders of Second Lien Notes Claims shall receive their pro rata share of and interest in (a) 1.0 percent of the reorganized equity, (b) 1.0 percent of the Rights, and (c) seven-year warrants (no Black-Scholes protection) to purchase up to 25.0 percent of the reorganized equity at an agreed-upon strike price;
- holders of Third Lien Notes Claims shall receive their pro rata share of and interest in (a) 8.5 percent of reorganized equity (subject to dilution) and (b) 8.5 percent of the Rights;
- holders of general unsecured claims shall receive their pro rata share of a cash pool; and
- stakeholders’ economic and governance rights with respect to MyTheresa shall be consistent with such stakeholders’ prepetition rights, claims, and controls.

92. Pursuant to the Restructuring Support Agreement, the Plan is intended to minimize any potential adverse effects to the Debtors’ businesses, customers, and trade partners as a result of the restructuring, and will position the Debtors for a timely emergence from bankruptcy.

Part VI: Evidentiary Support for First Day Motions

93. The Debtors also filed a number of motions today (the “First Day Motions”) and are seeking orders granting various forms of relief intended to stabilize the Debtors’ business operations and facilitate the efficient administration of these chapter 11 cases. The First Day Motions seek authority to, among other things, ensure sufficient liquidity to run the Debtors’ business, ensure the continuation of the Debtors’ cash management systems, and allow for other business operations without interruption. I believe that the relief requested in the First Day Motions is necessary to give the Debtors an opportunity to work towards successful chapter 11 cases that will benefit all of the Debtors stakeholders.

94. I am familiar with the content and substance of the First Day Motions. The facts stated therein are true and correct to the best of my knowledge, information, and belief. I believe that the relief sought in each of the First Day Motions is necessary to enable the Debtors to operate in chapter 11 with minimal disruption to its business operations and constitutes a critical element in successfully implementing a chapter 11 strategy. A description of the relief requested and the facts supporting each of the First Day Motions is detailed in Exhibit A attached hereto.

Pursuant to 28 U.S.C. § 1746, I declare under penalty of perjury that the foregoing statements are true correct.

Exhibit A

Evidentiary Support for First Day Motions

THE DEBTORS' FIRST DAY MOTIONS

As explained in the Declaration, the Debtors have requested a variety of relief in various “first day” motions and applications (collectively, the “First Day Motions”).¹ As a result of my first-hand experience, and through my review of various materials and information, discussions with members of the Debtors’ management, and discussions with the Debtors’ outside advisors, I have formed opinions as to (a) the necessity of obtaining the relief sought by the Debtors in the First Day Motions described below, and (b) the immediate and irreparable harm to which the Debtors and their businesses will be exposed unless the relief requested in the First Day Motions is granted without delay. I submit this Declaration in support of the Petitions and the First Day Motions filed with the Court in these chapter 11 cases and as described below.

I believe that the relief sought in the First Day Motions is critical to a smooth transition into Chapter 11 to minimize the adverse effects of the chapter 11 cases on the Debtors’ business and on their employees and creditors. Collectively, the First Day Motions maximize value for the Debtors’ estates and stakeholders by reducing unnecessary disruption and minimizing any negative impact of the chapter 11 cases on the Debtors’ businesses and operations.

Several of the First Day Motions request authority to pay certain prepetition claims. I understand that Rule 6003 of the Federal Rules of Bankruptcy Procedure provides, in relevant part, that the Court shall not consider motions to pay prepetition claims during the first 21 days following the filing of a chapter 11 petition, “except to the extent that relief is necessary to avoid immediate and irreparable harm.” In light of this requirement, and as described more fully in each First Day Motion, the Debtors, in consultation with their professionals, carefully tailored

¹ Capitalized terms used in this Exhibit but not otherwise defined shall have the meanings ascribed to such terms in the applicable First Day Motions.

the relief requested in the First Day Motions to ensure the Debtors' immediate operational needs are met, and that the Debtors suffer no immediate and irreparable harm.

I am familiar with the contents and substance of each First Day Motion (including the exhibits thereto), and the statements and facts set forth in each of the First Day Motions are true and correct to the best of my knowledge. I believe that the relief sought in each First Day Motion: (a) is necessary to enable the Debtors to operate in chapter 11 with minimal disruption or loss of value; (b) is necessary to provide the Debtors with a reasonable opportunity for a successful reorganization; and (c) best serves the interests of the Debtors' stakeholders. For the reasons identified below and in each First Day Motion, I believe that the relief requested in each of the First Day Motions is narrowly tailored to avoid immediate and irreparable harm and is appropriate under the circumstances and should be granted by the Court.

Administrative and Procedural Motions

A. Debtors' Emergency Motion for Entry of an Order Directing Joint Administration of Chapter 11 Cases (the "Joint Administration Motion").

1. The Debtors have filed several purely administrative or procedural First Day Motions, including a motion to jointly administer the Debtors' chapter 11 cases. As in many large chapter 11 cases that are jointly administered, many of the motions, hearings, and orders in these chapter 11 cases will affect all Debtor entities. The entry of an order directing joint administration of these chapter 11 cases will reduce fees and costs by avoiding duplicative filings and objections. Joint administration also will allow the U.S. Trustee and all parties in interest to monitor these chapter 11 cases with greater ease and efficiency. Moreover, joint administration will not adversely affect the Debtors' respective constituencies because the Joint Administration Motion seeks only administrative, not substantive, consolidation of the Debtors' estates.

Accordingly, I believe the relief requested in the Joint Administration Motion is warranted under the circumstances.

B. Debtors' Emergency Motion for Entry of an Order Extending Time to File Schedules of Assets and Liabilities, Schedules of Current Income and Expenditures, Schedules of Executory Contracts and Unexpired Leases, and Statements of Financial Affairs (the “Schedules and Statements Extension Motion”).

2. Pursuant to the Schedules and Statements Extension Motion, the Debtors seek entry of an order extending the deadline by which the Debtors must file their schedules of assets and liabilities, schedules of current income and expenditures, schedules of executory contracts and unexpired leases, and statements of financial affairs (collectively, the “Schedules and Statements”) by 30 days, for a total of 44 days from the Petition Date, through and including June 20, 2020, without prejudice to the Debtors’ ability to request additional extensions.

3. Given the size and complexity of the Debtors’ business and financial affairs, the Debtors will have to compile information from books, records, and documents relating to thousands of claims, assets, leases, and contracts from each Debtor entity, requiring a significant expenditure of time and effort on the part of the Debtors and their employees. Additionally, because numerous invoices related to prepetition goods and services have not yet been received and entered into the Debtors’ accounting system, it may be some time before the Debtors have access to all of the information required to prepare the Schedules and Statements. The ongoing COVID-19 pandemic has further compounded the difficulty of preparing the Schedules and Statements as many of the Debtors’ employees have been, and currently are, significantly hindered in their ability to access the materials needed to compile the required information. Accordingly, I believe the relief requested in the Schedules and Statements Extension Motion is warranted under the circumstances.

C. **Debtors' Emergency Motion For Entry of an Order (I) Authorizing the Debtors to File a Consolidated List of Creditors and a Consolidated List of the 50 Largest Unsecured Creditors, (II) Authorizing the Debtors to Redact Certain Personal Identification Information, (III) Approving the Form and Manner of Notifying Creditors of the Commencement of the Chapter 11 Cases and Other Information, and (IV) Granting Related Relief (the "Creditor Matrix Motion").**

4. Pursuant to the Creditor Matrix Motion, the Debtors seek entry of an order (a) authorizing the Debtors to file a consolidated creditor matrix and list of the 50 largest general unsecured creditors in lieu of submitting separate mailing matrices and creditor lists for each Debtor, (b) authorizing the Debtors to redact certain personal identification information, and (c) approving the form and manner of notice of commencement of these chapter 11 cases and the scheduling of the meeting of creditors under section 341 of the Bankruptcy Code.

5. *First*, the preparation of separate lists of creditors for each debtor would be expensive, and time consuming. Therefore, the Debtors have requested to file a consolidated creditor matrix. Moreover, filing a Top 50 List will help alleviate administrative burdens, costs, and the possibility of duplicative service. *Second*, the list of creditors may include personal identification information of the Debtors' employees; and such information can be used to perpetrate identity theft. *Third*, mailing initial notices of bankruptcy and the notice of commencement through the Debtors' proposed claims and noticing agent, Stretto, to parties in interest will maximize efficiency in administering these chapter 11 cases and will ease administrative burdens that would otherwise fall upon the Court and the U.S. Trustee. Accordingly, I believe that the relief requested in the Creditor Matrix Motion is warranted under the circumstances.

D. Debtors' Emergency Application for Entry of an Order Authorizing the Retention and Appointment of Stretto as Claims, Noticing, and Solicitation Agent (the "Stretto 156(c) Retention Application").

6. Pursuant to the Stretto 156(c) Retention Application, the Debtors seek entry of an order appointing Stretto ("Stretto")² as claims, noticing and solicitation agent (the "Claims, Noticing, and Solicitation Agent") for the Debtors in their chapter 11 cases, effective as of the Petition Date. As the Claims, Noticing, and Solicitation Agent, Stretto would assume full responsibility for the distribution of notices and the maintenance, processing, and docketing of proofs of claim filed in the Debtors' chapter 11 cases.

7. Based on my discussions with the Debtors' advisors, I believe that the Debtors' selection of Stretto to act as the Claims, Noticing, and Solicitation Agent is appropriate under the circumstances and in the best interest of the estates. Moreover, it is my understanding, based on all engagement proposals obtained and reviewed, that Stretto's rates are competitive and comparable to the rates charged by their competitors for similar services.

8. The Debtors anticipate that there will be thousands of persons and entities to be noticed in these chapter 11 cases. In light of the number of parties in interest and the complexity of the Debtors' business, the Debtors submit that the appointment of a claims and noticing agent is in the best interests of the Debtors' estates and their creditors because it will provide the most effective and efficient means of, and relieve the Debtors and/or the Clerk's office of the administrative burden of, noticing and processing proofs of claim. Accordingly, it is my opinion that the Court should approve the Stretto 156(c) Retention Application.

² Stretto is the trade name of Bankruptcy Management Solutions, Inc., and its subsidiaries.

Operational Motions

E. Debtors' Emergency Motion for Entry of Interim and Final Orders (I) Authorizing the Debtors to (A) Obtain Postpetition Financing and (B) Utilize Cash Collateral, (II) Granting Adequate Protection to Prepetition Secured Parties, (III) Modifying the Automatic Stay, (IV) Scheduling A Final Hearing, and (V) Granting Related Relief (the "DIP Motion").

9. Pursuant to the DIP Motion, the Debtors seek entry of an interim order and final order: (a) authorizing the Debtors to obtain the secured, superpriority, postpetition DIP Facility; (b) authorizing the Debtors to use Cash Collateral; (c) granting DIP Liens and providing superpriority administrative expense status to the DIP Facility; (d) granting adequate protection to the Prepetition Secured Parties to the extent of any Diminution in Value of their interests in the Prepetition Collateral; (e) modifying the automatic stay imposed by section 362 of the Bankruptcy Code to the extent necessary to implement and effectuate the terms of the DIP Orders; and (f) granting related relief.

10. In response to the outbreak of COVID-19, since March 2020, the Debtors, in consultation with their advisors, Lazard, BRG, and Kirkland, reviewed and evaluated potential financing alternatives and cash requirements necessary to operate their businesses as a going concern. The Debtors concluded that an out-of-court restructuring was not viable and that current cash was insufficient for the Debtors to operate during these chapter 11 cases. Given these conclusions, and the Debtors' work with their advisors, the Debtors determined that procuring sufficient financing at the start of these cases would be essential to fund its operating costs, its working capital needs, and these chapter 11 cases. The Debtors further determined that this financing was needed to pursue a value-maximizing restructuring for the benefit of the Debtors' stakeholders. The Debtors' DIP budget forecasting also analyzes the effect of various COVID-19 scenarios impacting, among other things, (i) the timing of reopening stores, (ii) the potential shut down of the Debtors' e-commerce operations, and (iii) various recovery

trajectories. Based on those discussions, the Debtors, together with their advisors, determined that they require immediate access to DIP financing to fund the costs of administering these chapter 11 cases, near-term working capital needs, and ongoing business operations.

11. Absent an ability to demonstrate that the Debtors have the means available to operate in the ordinary course and procure goods and services that are vital to ongoing business operations, the Debtors' customer base may decline and vendors and suppliers may refuse to do business with the Debtors. Without access to the funds available under the DIP Facility, including the use of Cash Collateral, the Debtors will lack sufficient liquidity to continue their business operations in the ordinary course to the material detriment of customers, creditors, employees, and other parties in interest, jeopardizing the success of the Debtors' reorganization. The Debtors' inability to continue ordinary course operations would not only impact revenue generation but also risk losing the confidence of the Debtors' remaining employees, vendors, landlords, and customers. Therefore, the Debtors have an immediate need to access the DIP Facility and use the Cash Collateral on an interim basis and throughout the pendency of these chapter 11 cases.

12. The Debtors looked for financing from sources within their existing capital structure as well as third parties. No third-party lender provided the Debtors with a proposed out-of-court or postpetition financing facility that was executable. As early as March 25, 2020, the Term Loan Lender Group engaged with the Debtors regarding potential postpetition financing. In addition, after several rounds of hard-fought negotiations, the Term Loan Lender Group and Noteholder Group reached an agreement that provided for an additional \$50 million in liquidity under the DIP Facility and would allow the Noteholder Group to backstop a portion of the DIP Facility.

13. After extensive, arm's-length negotiations with the Term Loan Lender Group and the Noteholder Group, the Debtors were able to secure the proposed \$675 million DIP Facility, open to all Prepetition Term Loan Lenders, and, after further negotiations, to the holders of the Second and Third Lien Notes, backstopped by the Term Loan Lender Group and the Noteholder Group. The DIP Facility will be secured with a perfected first priming lien on substantially all of the Debtors' assets except for a second lien on the collateral of the ABL Lenders. As such, the DIP Facility does not purport to prime the ABL Lenders' collateral. The Prepetition Term Loan Lenders and the holders of the Third Lien Notes have consented to granting a priming lien on their collateral.

14. Concurrently with the negotiations regarding the DIP Facility, the Debtors and their advisors engaged in good faith, arm's-length negotiations with the same group of creditors that agreed to provide the DIP Facility, namely the Term Loan Lender Group on a \$750 million Exit Facility, backstopped by the Term Loan Lender Group and the Noteholder Groups.

15. Pursuant to the DIP Motion, the Debtors also seek the continued use of Cash Collateral, to provide sufficient liquidity for their operations during these chapter 11 cases. Authorization to use Cash Collateral during the interim period will ensure the Debtors have sufficient cash to comply with their borrowing base covenants and adequately protect the ABL Lenders during these chapter 11 cases

16. The DIP Facility ensures that the Debtors (a) have sufficient funding to consummate the Debtors' chapter 11 plan, (b) can continue to operate uninterrupted during these chapter 11 cases, and (c) have continued access to liquidity following the Debtors' emergence from bankruptcy. Accordingly, for all the reasons described in the DIP Motion, I believe that the proposed terms of the DIP Facility and the continued use of Cash Collateral provide the best

terms presently available to the Debtors. The proposed DIP Facility mitigates the risk of a substantial disruption to the Debtors' businesses during these chapter 11 cases.

17. I believe that without immediate access to the DIP Facility and Cash Collateral, as provided for in the DIP Motion, the Debtors will suffer significant impairment to their business operations to the material detriment of all of their stakeholders. The Debtors will be unable to preserve and maximize the value of their estates, responsibly administer these chapter 11 cases, and execute their business plan. Therefore, I believe that approval of the DIP Facility, as described herein and in the DIP Motion, is in the best interests of the Debtors' estates.

18. Accordingly, I believe that the DIP Motion should be approved.

F. Debtors' Emergency Motion for Entry of Interim and Final Orders (I) Authorizing the Debtors to (A) Continue to Operate Their Cash Management System, (B) Maintain Existing Bank Accounts, and (C) Continue to Perform Intercompany Transactions, (II) Maintain Existing Business Forms, and (III) Granting Related Relief (the "Cash Management Motion").

19. Pursuant to the Cash Management Motion, the Debtors seek entry of interim and final orders, substantially in the forms attached thereto, (a) authorizing the Debtors to (i) continue to operate their cash management system, as described therein and as illustrated on Exhibit 1 annexed to the Interim Order and Final Order, (ii) maintain their existing bank accounts, including honoring certain prepetition obligations related thereto, and (iii) continue Intercompany Transactions and funding consistent with the Debtors' historical practices, subject to the terms described in the Cash Management Motion, and (b) maintaining existing business forms in the ordinary course of business.

20. The Cash Management System is typical of multi-store retail operations and comparable to the centralized cash management systems used by other similarly sized retail companies to manage the cash flow of operating retail operations in a cost-effective, efficient

manner. The Debtors use their Cash Management System to collect, transfer, and distribute funds and to facilitate cash monitoring, forecasting, and reporting. The Debtors' treasury department maintains daily oversight over the Cash Management System and implements cash management controls for entering, processing, and releasing funds, including in connection with certain Intercompany Transactions, as described in more detail in the Cash Management Motion. Additionally, the Debtors' corporate accounting and cash forecasting departments regularly reconcile the Debtors' books and records to ensure that all transfers are accounted for properly. I believe that any disruption to the Cash Management System would have an immediate adverse effect on the Debtors' businesses and operations to the detriment of the Debtors' estates and all of the Debtors' stakeholders.

21. Because of the disruption that would result if the Debtors were forced to close their existing bank accounts, I believe it is critical that the existing Cash Management System remain in place. I believe that the relief requested in the Cash Management Motion is in the best interests of the Debtors' estates, their creditors, and all other parties in interest, and will enable the Debtors to continue to operate their business in chapter 11. Accordingly, it is my opinion that the Cash Management Motion should be approved.

G. Debtors' Emergency Motion for Entry of an Order (I) Authorizing the Debtors to (A) Pay Prepetition Wages, Salaries, Other Compensation, and Reimbursable Expenses, and (B) Continue Employee Benefits Programs, and (II) Granting Related Relief (the "Wages Motion").

22. Pursuant to the Wages Motion, the Debtors seek entry of an order authorizing the Debtors to (a) pay prepetition wages, salaries, other compensation, and reimbursable expenses and (b) continue employee benefits programs in the ordinary course, including payment of certain prepetition obligations related thereto.

23. The Debtors employ approximately 13,201 Employees, including approximately 9,545 full-time employees and approximately 3,656 part-time and seasonal employees. The Debtors also retain approximately 600 Temporary Staff who are employed through Staffing Agencies or directly by the Debtors. Prior to the Petition Date, the Debtors placed approximately 11,282 full- and part-time employees on temporary furlough. The Employees and Temporary Staff perform a wide range of functions critical to the Debtors' operations and the administration of these chapter 11 cases. In many instances, the Employees and Temporary Staff include personnel who are intimately familiar with the Debtors' business, processes, and systems, who possess unique skills and experience, or who have developed relationships with vendors that are essential to the Debtors' business. These individuals are not easily replaced.

24. The Debtors also contract with their merchandise vendors to place specialized sales representatives in their stores. These Independent Sales Representatives assist the Debtors with selling the vendors' branded merchandise.

25. The Debtors are seeking authority to pay and honor certain prepetition claims relating to Employee Compensation and Benefits, including, among other things, wages, salaries, other compensation, expense reimbursement, payroll obligations and withholding of federal and state taxes (including garnishments, Employees' share of insurance premiums, taxes, and other amounts withheld), payroll processing, discretionary severance policies, health and wellness benefits (including vision and dental coverage), insurance programs, workers' compensation benefits, short and long-term disability coverage, retirement savings plans, time-off policies, and certain other benefits that the Debtors have historically provided in the ordinary course (collectively, the "Compensation and Benefits"). The Compensation and Benefits are further described in the Wages Motion.

26. Pursuant to the Wages Motion, the Debtors also seek authority to continue their non-insider bonus programs and to honor their obligations to non-insider Employees under these pre-existing bonus programs. The Debtors believe the bonus programs drive Employees' performance, align Employees' interests with those of the Debtors generally, and promote the overall efficiency of the Debtors' operations. I understand that "insiders" (as the term is defined in section 101(31) of the Bankruptcy Code) of the Debtors are excluded from the relief requested in the Wages Motion with respect to any bonus programs.

27. Payment of the prepetition obligations with respect to the Compensation and Benefits is a necessary and critical element of the Debtors' efforts to preserve value and will give the Debtors the greatest likelihood of retention of their Employees as the Debtors seek to operate their business in these chapter 11 cases. Absent the payment of the Compensation and Benefits owed to the Employees, the Debtors will likely experience Employee turnover and instability at this critical time. I believe enterprise value may be materially impaired to the detriment of all stakeholders in such a scenario. Therefore, I believe that the relief requested in the Wages Motion inures to the benefit of all parties in interest.

H. Debtors' Emergency Motion for Entry of Interim and Final Orders (I) Authorizing the Debtors to Maintain and Administer Their (A) Existing Customer Programs and (B) Charity Donation Programs and (II) Granting Related Relief (the "Customer Programs Motion")

28. Pursuant to the Customer Programs Motion, the Debtors seek entry of interim and final orders (a) authorizing the Debtors to maintain, administer, and honor prepetition obligations related to their (i) customer-related programs, policies, and practices (collectively, the "Customer Programs") and (ii) charity donation programs (collectively, the "Charity Donation Programs").

29. In connection with the Customer Programs, the Debtors provide certain incentives, discounts, promotions, accommodations, and related programs to attract customers

and maintain positive customer relationships. The Customer Programs promote customer satisfaction and inure to the goodwill of the Debtors' business and the value of their brand. Maintaining the goodwill of their customers is critical to the Debtors' ongoing operations in these chapter 11 cases and is necessary to maximize value for the benefit of all of the Debtors' stakeholders.

30. As of the Petition Date, the Debtors estimate that there are approximately \$280,400,000 of prepetition obligations outstanding related to Customer Programs, the vast majority of which, however, *does not* entail the expenditure of cash. These obligations include accrued credits, adjustments, discounts, prepayments, outstanding gift cards, outstanding loyalty points, or similar programs owing to customers.

31. I believe that continuing to administer the Customer Programs without interruption during the pendency of the chapter 11 cases is critical to preserve the value of the Debtors' assets by, most importantly, preserving the Debtors' valuable customer relationships, goodwill, and market share, which will inure to the benefit of all of the Debtors' creditors and benefit their estates. In contrast, if the Debtors are unable to continue the Customer Programs postpetition or pay amounts due and owing to customers, the Debtors risk alienating their customers, and might suffer corresponding losses in customer loyalty and goodwill that will harm the Debtors' prospects of maximizing the value of their estates. I also believe that the failure to honor the Customer Programs could place the Debtors at a competitive disadvantage in the marketplace, amplifying the negative effect of customer uncertainty that may arise from the chapter 11 filings.

32. The Debtors also operate the Charity Donation Programs. Through the Charity Donation Programs, the Debtors support communities in need through five core initiatives, some

of which include donations from and the participation of customers and Employees. As of the Petition Date, the Debtors estimate that they hold approximately \$1,250,000 in committed but unremitted donations. I believe that failure to honor these commitments and continue the Charity Donation Programs in the ordinary course could damage the Debtors' reputation and goodwill in the community and marketplace.

33. I believe that the relief requested in the Customer Programs Motion will pay dividends with respect to the long-term reorganization of their businesses, both in terms of profitability and the engendering of goodwill, especially at this critical time following the filing of the chapter 11 cases. Accordingly, I believe that the relief sought in the Customer Programs Motion is warranted under the circumstances.

I. Debtors' Emergency Motion for Entry of an Order (I) Authorizing the Debtors to (A) Continue Insurance Coverage Entered into Prepetition and Satisfy Prepetition Obligations Related Thereto, (B) Renew, Amend, Supplement, Extend, or Purchase Insurance Policies, and (C) Continue to Pay Brokerage Fees, and (II) Granting Related Relief (the "Insurance Motion").

34. Pursuant to the Insurance Motion, the Debtors seek entry of an order authorizing, but not directing, the Debtors to (i) continue insurance coverage entered into prepetition and satisfy prepetition obligations related thereto in the ordinary course of business, (ii) renew, amend, supplement, extend, or purchase insurance coverage in the ordinary course of business on a postpetition basis, and (iii) satisfy payment of prepetition obligations on account of Brokerage Fees and continue to pay such fees in the ordinary course.

35. The Debtors' Insurance Policies are essential to the preservation of the value of the Debtors' business, properties, and assets. I understand that, in many cases, the insurance coverage provided by the Insurance Policies is required by diverse regulations, laws, and

contracts. Failure to make the payments required to maintain the Debtors' Insurance Policies could have a significant negative impact on the Debtors' operations.

36. I believe that the relief requested in the Insurance Motion is in the best interest of the Debtors' estates, their creditors, and all other parties in interest, and will enable the Debtors to continue to operate their businesses in chapter 11 without disruption. Accordingly, it is my opinion that the Insurance Motion should be approved.

J. Debtors' Emergency Motion for Entry of Interim and Final Orders
(I) Authorizing the Debtors to Continue Their Surety Bond Program and
(II) Granting Related Relief (the "Surety Bonds Motion").

37. Pursuant to the Surety Bonds Motion, the Debtors seek entry of interim and final orders authorizing the Debtors to maintain, renew, and modify their Surety Bond Program—including the procurement of new sureties—in the ordinary course of business on a postpetition basis and pay outstanding prepetition amounts, if any, as of the Petition Date.

38. The Debtors' Surety Bond Program is necessary to the Debtors' operations during these chapter 11 cases. The fees and expenses associated with the Surety Bond Program, including the Surety Premiums and Brokerage Fees, are necessary to ensure compliance with statutes and regulations requiring the bonds to remain in place while the Debtors operate in that jurisdiction. Any disruption in insurance coverage or to the Surety Bond Program could threaten the Debtors' ability to continue operating their business as the Debtors are subject to numerous regulatory and contractual obligations to maintain specific amounts and types of insurance coverage and surety bonds.

39. The relief requested in the Surety Bonds Motion is in the best interest of the Debtors' estates, their creditors, and all other parties in interest, and will enable the Debtors to continue to operate their businesses in chapter 11 without disruption. Accordingly, I believe that the relief requested in the Surety Bonds Motion should be granted.

K. Debtors' Emergency Motion for Entry of an Order (I) Authorizing the Payment of Certain Prepetition Taxes and Fees and (II) Granting Related Relief (the "Taxes Motion").

40. Pursuant to the Taxes Motion, the Debtors seek entry of an order authorizing the Debtors to remit and pay (or, if applicable, use tax credits to offset) Taxes and Fees, without regard to whether such obligations accrued prior to the Petition Date, that will become payable during the pendency of these chapter 11 cases on account of sales and use taxes, property tax, income tax, franchise tax, annual reporting fees, audits, and business and regulatory fees. In the ordinary course of business, the Debtors incur and/or collect certain Taxes and Fees and remit such Taxes and Fees to various governmental authorities on a monthly, quarterly, or annual basis. The Debtors must continue to pay the Taxes and Fees to avoid potentially costly distractions during these chapter 11 cases. Specifically, the Debtors' failure to pay the Taxes and Fees could adversely affect the Debtors' estate because governmental authorities could file liens or seek to lift the automatic stay.

41. The relief requested in the Taxes Motion is in the best interests of the Debtors' estates, their creditors, and all other parties in interest, and will enable the Debtors to continue to operate their businesses in chapter 11 without disruption. Accordingly, I believe that the Taxes Motion should be approved.

L. Debtors' Emergency Motion for Entry of Interim and Final Orders Approving Notification and Hearing Procedures for Certain Transfers of and Declarations of Worthlessness with Respect to Common Stock (the "Equity Trading Motion").

42. Pursuant to the Equity Trading Motion, the Debtors seek entry of interim and final orders (a) approving certain notification and hearing procedures related to certain transfers of, or declarations of worthlessness with respect to, Debtor Mariposa Intermediate Holdings, LLC's existing common stock or any Beneficial Ownership therein (any such record or Beneficial

Ownership, the “Common Stock”), as detailed in Exhibit 1 to the Interim Order and Final Order (the “Procedures”); and (b) directing that any purchase, sale, other transfer of, or declaration of worthlessness with respect to Beneficial Ownership of Common Stock in violation of the Procedures shall be null and void *ab initio*.

43. The Debtors estimate that, as of the end of their 2019 tax year, they have approximately \$59.9 million of federal NOLs and \$270.4 million of disallowed business interest expense carryforwards (collectively, and together with state and certain other tax attributes, the “Tax Attributes”).³ The Debtors further estimate that they may generate additional Tax Attributes in the year 2020 tax year. The Tax Attributes are potentially of significant value to the Debtors and their estates because the Debtors may be able to carry forward certain Tax Attributes to offset future taxable income or utilize the Tax Attributes to offset any taxable income generated by transactions consummated during these chapter 11 cases. Accordingly, the value of the Tax Attributes will inure to the benefit of all of the Debtors’ stakeholders.

44. Implementation of the Procedures is necessary and appropriate to enforce the automatic stay and, critically, to preserve the value of the Tax Attributes for the benefit of the Debtors’ estates. The Tax Attributes described above may provide the potential for material tax savings or other tax structuring possibilities in these chapter 11 cases. The termination or limitation of the Tax Attributes could be materially detrimental to all parties in interest. Thus, the relief requested therein will preserve the Debtors’ flexibility in operating the Debtors’ businesses during the pendency of these chapter 11 cases and implementing a transaction that makes full and efficient use of the Tax Attributes and maximizes the value of the Debtors’

³ The Tax Attributes include certain alternative minimum tax credits. These credits are not discussed further as a result of changes to the treatment of such credits in U.S. federal income tax legislation enacted in 2017.

estates. Accordingly, I believe that the relief requested in the Equity Trading Motion should be approved.

M. Debtors' Emergency Motion Seeking Entry of an Order (I) Restating and Enforcing the Worldwide Automatic Stay, Anti-Discrimination Provisions, and *Ipso Facto* Protections of the Bankruptcy Code, (II) Permitting the Debtors to Modify the Automatic Stay in Their Sole Discretion to Proceed with Litigation or Contested Matters Commenced Prepetition, (III) Approving the Form and Manner of Notice, and (IV) Granting Related Relief (the "Automatic Stay Motion").

45. Pursuant to the Automatic Stay Motion, the Debtors seek entry of an order (a) restating and enforcing the worldwide automatic stay, anti-discrimination provisions, and *ipso facto* protections of the Bankruptcy Code, (b) modifying the automatic stay, to the extent the Debtors deem appropriate in their sole discretion, to proceed with litigation or contested matters commenced before the Petition Date, and (c) approving the form and manner of notice related thereto. The Debtors further seek authority, but not direction, to translate the Automatic Stay Motion, the Order, and/or the Notice into other languages to better inform creditors, governmental units, and interested parties of the relief requested in the Automatic Stay Motion.

46. The Debtors' business operations are conducted worldwide with significant assets moving through international commerce at any given time. A substantial majority of the Debtors' merchandise is delivered from various designers and is manufactured in numerous locations, including Europe and the United States and, to a lesser extent, China, Mexico and South America. As a result, the Debtors have many foreign creditors and counterparties to contracts in various ports and jurisdictions that may not be familiar with the restrictions of the Bankruptcy Code. Many of these creditors do not transact business on a regular basis with companies that have filed for chapter 11 and therefore may be unfamiliar with the scope of a debtor in possession's authority to conduct its business. These creditors and counterparties may also be unfamiliar with the automatic stay and other provisions of the Bankruptcy Code. Thus,

various interested parties may attempt to seize assets located outside of the United States to the detriment of the Debtors, their estates, and creditors, or take other actions in contravention of the automatic stay of section 362 of the Bankruptcy Code. In addition, upon learning of the Debtors' bankruptcy, counterparties to leases and executory contracts may attempt to terminate those leases or contracts pursuant to *ipso facto* provisions in contravention of section 365 of the Bankruptcy Code.

47. The Debtors seek the relief requested in the Automatic Stay Motion out of an abundance of caution and to assist them in most effectively informing non-U.S. creditors of the broad protections offered by the Bankruptcy Code. For the avoidance of doubt, the Debtors do not seek to expand or enlarge the rights afforded to them under the Bankruptcy Code with the Automatic Stay Motion. Instead, the Debtors seek to affirm those rights and believe that an order from this Court will help guard the Debtors against improper actions taken by, and provide clarity for, non-U.S. parties in interest.

48. The relief requested in the Automatic Stay Motion is in the best interests of the Debtors' estates, their creditors, and all other parties in interest, and will enable the Debtors to continue to operate their business in chapter 11 without disruption. Accordingly, I believe that the relief requested in the Automatic Stay Motion should be granted.

N. Debtors' Emergency Motion for Entry of Interim and Final Orders
(I) Authorizing the Debtors to Pay Certain Prepetition Claims of (A) Critical Vendors, (B) Lien Claimants, (C) Customs and Regulatory Claimants, and (D) 503(B)(9)Claimants, (II) Confirming Administrative Expense Priority of Outstanding Orders, and (III) Granting Related Relief (the "All Vendor Motion").

49. Pursuant to the All Vendor Motion, the Debtors seek entry of interim and final orders: (a) authorizing the Debtors to pay in the ordinary course of business certain prepetition claims held by (i) certain Critical Vendors, in an amount not to exceed \$25 million on an interim

basis and \$50 million on a final basis, (ii) Lien Claimants, (iii) Customs and Regulatory Claimants, and (iv) 503(b)(9) Claimants; and (b) confirming the administrative expense priority status of Outstanding Orders.

50. ***Critical Vendor Claims.*** The Debtors' supply chain consists of certain domestic vendors that supply products and services essential to the Debtors' go-forward operations (collectively, the "Critical Vendors"). With the assistance of their advisors, the Debtors have spent significant time reviewing and analyzing their books and records, consulting operations managers and purchasing personnel, reviewing contracts and supply agreements, and analyzing applicable law, regulations, and historical practice to identify certain critical business relationships and suppliers of goods and services. The loss of these relationships and suppliers would immediately and irreparably harm the Debtors' businesses, by, *inter alia*, shrinking their market share, reducing enterprise value, and ultimately impairing the Debtors' viability as a going-concern. As of the Petition Date, the Debtors owe approximately \$88.5 million to Critical Vendors. The Debtors propose to pay the Critical Vendors only to the extent necessary and only on such terms and conditions as are appropriate, in the Debtors' business judgment, to avoid disruptions to their business.

51. ***Lien Claimants.*** The Debtors contract with various domestic and imported brands to produce or ship the Debtors' Merchandise. These brands and manufacturers, through freight forwarders, then ship merchandise to certain warehouses that serve as the Debtors' distribution and fulfillment centers. The Debtors operate their own warehouses and distribution centers. The Debtors' supply chain depends on services provided by, among others, these freight forwarders, common carriers, and custom brokers. Vendors transporting the goods may refuse

(and have in the past refused) to release merchandise or other goods for shipment to the United States if they are not paid current.

52. Additionally, the Debtors routinely transact business with a number of third-party contractors that may be able to assert a variety of statutory, common law, or possessory liens against the Debtors and their property if the Debtors fail to pay for certain goods delivered or services rendered. These third-party contractors perform various services for the Debtors, including the installation and repair of certain equipment in the Debtors' stores, maintenance and improvement of the Debtors' real property and facilities, manufacturing component parts necessary for the Debtors' operating equipment, and other repair, renovation, or construction of the facilities and property therein.

53. As of the Petition Date, the Debtors owe approximately \$12.4 million to Lien Claimants. The Debtors propose to pay the Lien Claimants only to the extent necessary and only on such terms and conditions as are appropriate, in the Debtors' business judgment, to avoid disruptions to their business.

54. ***Customs and Regulatory Claimants:*** In the ordinary course of their businesses, the Debtors import inventory and related materials. Timely receipt or transmittal, as applicable, of the imported goods is critical to the Debtors' business. Any disruption or delay could adversely affect the Debtors' operations and affect the Debtors' ability to efficiently administer these chapter 11 cases.

55. In connection with the importation of goods, the Debtors may be required to pay various charges (the "Customs and Regulatory Charges"), including customs duties, detention and demurrage fees, tariffs and excise taxes, U.S. Fish and Wildlife Service charges, freight

forwarding, and other similar obligations. Absent such payments, the Customs and Regulatory Claimants may interfere with the transportation of the imported goods.

56. If the flow of imported goods were to be interrupted, the Debtors may be deprived of the inventory necessary to stock the racks and shelves in their stores and to fulfill online orders, which means the Debtors would not have inventory to sell to their customers. The ultimate value of such sales is worth far more to the Debtors (both in terms of future receipts and the maintenance of valuable customer goodwill) than the aggregate amount of incurred, but unpaid, Customs and Regulatory Charges. Accordingly, the Debtors seek authority to pay any and all necessary and appropriate Customs and Regulatory Charges incurred on account of prepetition transactions. The Debtors estimate that, as of the Petition Date, they owe approximately \$115,000 on account of Customs and Regulatory Charges. The Debtors propose to pay the Customs and Regulatory Charges only to the extent necessary and only on such terms and conditions as are appropriate, in the Debtors' business judgment, to avoid disruptions to their business.

57. ***The 503(b)(9) Claims.*** The Debtors have received certain goods from various Vendors within the twenty days before the Petition Date (collectively, the "503(b)(9) Claimants"). Many of the Debtors' relationships with the 503(b)(9) Claimants are not governed by long-term contracts. Rather, the Debtors often obtain supplies on an order-by-order basis. As a result, a 503(b)(9) Claimant may refuse to supply new orders without payment of its prepetition claims.

58. Further, some of the 503(b)(9) Claimants supply goods, materials, or services to the Debtors that are crucial to the Debtors' ongoing operations—including merchandise necessary to stock the shelves in Debtors' stores and warehouses and custom-order goods that

customers have already paid for (including wedding dresses). Moreover, even though the manufacture of certain merchandise is completed, the 503(b)(9) Claimants may refuse to ship unless the Debtors pay some or all of the claims owing to such vendors. In the lead-up to the Debtors' chapter 11 cases, the Debtors experienced strained relationships with certain of their vendors who may qualify as 503(b)(9) Claimants, which has made the Debtors acutely aware of the risk their business may face without the requested relief.

59. As of the Petition Date, the Debtors believe they owed approximately \$10 million on account of the 503(b)(9) Claims. Accordingly, the Debtors request the authority, but not the direction, to pay an amount necessary to preserve the value of their estates, which shall not exceed \$5 million on an interim basis and \$10 million on a final basis on account of 503(b)(9) Claimant's claims accrued in the ordinary course of business.

60. ***Outstanding Orders.*** Before the Petition Date and in the ordinary course of business, the Debtors may have ordered goods, including custom-order goods that customers have already paid the Debtors for, that will not be delivered until after the Petition Date (collectively, the "Outstanding Orders"). To avoid becoming general unsecured creditors of the Debtors' estates with respect to such goods, certain suppliers may refuse to ship or transport such goods (or may recall such shipments) with respect to such Outstanding Orders unless the Debtors issue substitute purchase orders postpetition. In fact, interactions with certain vendors in the lead-up to these chapter 11 cases have made the Debtors particularly sensitive to this risk.

61. To prevent any disruption to the Debtors' business operations, the Debtors seek an order (a) granting administrative expense priority under section 503(b) of the Bankruptcy Code to all undisputed obligations of the Debtors arising from the acceptance of goods subject to Outstanding Orders and (b) authorizing the Debtors to satisfy such obligations in the ordinary

course of business. The relief requested in the All Vendor Motion will allow the Debtors to maintain operational stability and prevent a disruption to the Debtors' supply chain which could result in a significant loss of operational efficiency, decreases the value of these businesses, and impair stakeholder value at this critical juncture in these chapter 11 cases. Accordingly, I believe that the relief requested in the All Vendor Motion should be approved.

O. Debtors' Emergency Motion for Entry of an Order (I) Approving the Debtors' Proposed Adequate Assurance of Payment for Future Utility Services, (II) Prohibiting Utility Providers from Altering, Refusing, or Discontinuing Services, (III) Approving the Debtors' Proposed Procedures for Resolving Adequate Assurance Requests, and (IV) Granting Related Relief (the "Utilities Motion").

62. Pursuant to the Utilities Motion, the Debtors seek entry of an order (a) determining that the Adequate Assurance Procedures provide the Utility Providers with adequate assurance of payment within the meaning of section 366 of the Bankruptcy Code, (b) prohibiting the Utility Providers from altering, refusing, or discontinuing services, and (c) approving procedures for resolving any dispute concerning adequate assurance in the event that a Utility Provider is not satisfied with the Adequate Assurance Procedures.

63. In connection with the operation of their businesses, the Debtors obtain electricity, natural gas, water and sewage, telephone, internet, garbage, recycling, cable, fire protection, and other similar services (collectively, the "Utility Services") from a number of utility providers and brokers (collectively, the "Utility Providers"). Pursuant to certain leases to which the Debtors are party, certain of the Utility Services are billed directly to the Debtors' landlords and passed through to the Debtors as part of the Debtors' lease payments in accordance with the applicable lease agreements. The relief requested in the Utilities Motion applies to all Utility Providers.

64. On average, the Debtors pay approximately \$3.9 million each month for Utility Services, calculated as a historical average of payments to the Utility Providers. The Debtors estimate the amount currently held as Prepetition Deposits with respect to all Utility Providers is approximately \$1.8 million.

65. The Debtors propose depositing \$1.57 million into a segregated account as additional assurance of payment (the “Adequate Assurance Deposit”), which is an amount sufficient to cover one-half of the Debtors’ average monthly cost based on the historical average payment. The Adequate Assurance Deposit will be held at Wells Fargo Bank, N.A. for the duration of the Debtors’ chapter 11 cases and may be applied to any postpetition defaults in payment to the Utility Providers.

66. Additionally, the Debtors seek approval of their proposed Adequate Assurance Procedures. These procedures set forth a streamlined process for Utility Providers to address potential concerns with respect to the Proposed Adequate Assurance, while allowing the Debtors to continue their operations uninterrupted.

67. Furthermore, the Debtors request that Utility Providers be prohibited from altering, refusing or discontinuing service to the Debtors on account of: (a) unpaid charges for prepetition services; (b) any objections filed in response to the Adequate Assurance Deposit. Utility Services should be preserved on an uninterrupted basis because it is essential to the Debtors’ ongoing operations and a successful reorganization. As demonstrated by the COVID-19 pandemic, any further disruption would adversely impact customer relationships and result in a significant decline in the Debtors’ revenues and profits. This, in turn, jeopardizes the value of the Debtors’ estates and impacts creditor recoveries. Therefore, it is critical that Utility

Services continue uninterrupted during these chapter 11 cases. Accordingly, I believe that the relief requested in the Utilities Motion should be granted.

- (g) except as contemplated and permitted by the DIP Credit Agreement, engage in any merger, consolidation, disposition, acquisition, investment, dividend, incurrence of indebtedness or other similar transaction outside the ordinary course of business, other than the transactions

Section 7. *Additional Provisions Regarding Company Parties' Commitments.*

7.01. Notwithstanding anything to the contrary in this Agreement, nothing in this Agreement shall require a Company Party or the board of directors, board of managers, or similar governing body of a Company Party (including, for the avoidance of doubt, any disinterested director or manager of a Company Party), after consulting with counsel, to take any action or to refrain from taking any action with respect to the Restructuring Transactions to the extent taking or failing to take such action would be inconsistent with applicable Law or its fiduciary obligations under applicable Law and any such action or inaction pursuant to this Section 7.01 shall not be deemed to constitute a breach of this Agreement.

7.02. Notwithstanding anything to the contrary in this Agreement, but subject to the terms of Section 7.01 of this Agreement, each Company Party and its directors, managers, officers, employees, investment bankers, attorneys, accountants, consultants, and other advisors or representatives shall have the right to: (a) solicit, consider, respond to and facilitate Alternative Restructuring Proposals; (b) provide access to non-public information concerning any Company Party to any Entity or enter into Confidentiality Agreements or nondisclosure agreements with any Entity; (c) initiate, maintain or continue discussions or negotiations with respect to Alternative

Restructuring Proposals; (d) otherwise cooperate with, assist, participate in, or facilitate any inquiries, proposals, discussions, or negotiation of Alternative Restructuring Proposals; and (e) enter into or continue discussions or negotiations with holders of any Company Claim/Interest (including any Consenting Stakeholder), any other party in interest, or any other Entity regarding the Restructuring Transactions or Alternative Restructuring Proposals. At all times prior to the date on which the Company Parties enter into a definitive agreement in respect of an Alternative Restructuring Proposal, the Company Parties shall provide counsel to the Consenting Term Loan Lender Group, counsel to the Consenting Debenture Parties, counsel to the Consenting Noteholder Group, the Consenting Parent, and counsel to each Consenting Sponsor updates on the status of discussions regarding any Alternative Restructuring Proposal within three (3) Business Days of the Company Parties' or their advisors' receipt of any such Alternative Restructuring Proposal. The Company Parties and/or the Company Parties' advisors will make themselves reasonably available for separate weekly status update calls with (i) on the one hand, counsel to the Consenting Sponsors and the Consenting Parent and (ii) on the other hand, the Consenting Term Loan Lenders, the Consenting Debenture Parties, and the Consenting Noteholder Group, in each case, with respect to the foregoing.

7.03. Nothing in this Agreement shall: (a) impair or waive the rights of any Company Party to assert or raise any objection permitted under this Agreement in connection with the Restructuring Transactions; or (b) prevent any Company Party from enforcing this Agreement or contesting whether any matter, fact, or thing is a breach of, or is inconsistent with, this Agreement.

7.04. Notwithstanding anything to the contrary in this Agreement, the Company Parties' commitments to grant the releases contemplated by this Agreement are subject to the investigation(s) of the disinterested manager(s) of the applicable Company Parties. Any determination of the Company Parties to not grant any of the releases to Consenting Stakeholders contemplated by this Agreement shall not be deemed to constitute a breach of this Agreement but shall be a basis for termination of this Agreement pursuant to Section 11.01(h) hereof.

Section 8. *Transfer of Interests and Securities.*

8.01. During the Restricted Period, no Consenting Stakeholder shall Transfer any ownership (including any beneficial ownership as defined in the Rule 13d-3 under the Securities Exchange Act of 1934, as amended) in any Company Claims/Interests to any affiliated or unaffiliated party, including any party in which it may hold a direct or indirect beneficial interest, unless:

(a) in the case of any Company Claims/Interests, the authorized transferee is either (1) a qualified institutional buyer as defined in Rule 144A of the Securities Act, (2) a non-U.S. person in an offshore transaction as defined under Regulation S under the Securities Act, (3) an institutional accredited investor (as defined in the Rules), or (4) a Consenting Stakeholder; and

(b) either (i) the transferee executes and delivers to counsel to the Company Parties, at or before the time of the proposed Transfer, a Transfer Agreement or (ii) the transferee is a Consenting Stakeholder and the transferee provides notice of such Transfer (including the amount and type of Company Claim/Interest Transferred) to counsel to the Company Parties within five (5) Business Days of such acquisition.

8.02. Upon compliance with the requirements of Section 8.01, the transferor shall be deemed to relinquish its rights (and be released from its obligations) under this Agreement to the extent of the rights and obligations in respect of such transferred Company Claims/Interests. Any Transfer in violation of Section 8.01 shall be void *ab initio*.

8.03. This Agreement shall in no way be construed to preclude the Consenting Stakeholders from acquiring additional Company Claims/Interests; provided, however, that (a) such additional Company Claims/Interests shall automatically and immediately upon acquisition by a Consenting Stakeholder be deemed subject to the terms of this Agreement (regardless of when or whether notice of such acquisition is given to counsel to the Company Parties or counsel to the Consenting Stakeholders) and (b) such Consenting Stakeholder or counsel of such Consenting Stakeholder must provide notice of such acquisition (including the amount and type of Company Claim/Interest acquired) to counsel to the Company Parties within five (5) Business Days of such acquisition.

8.04. This Section 8 shall not impose any obligation on any Company Party to issue any “cleansing letter” or otherwise publicly disclose information for the purpose of enabling a Consenting Stakeholder to Transfer any of its Company Claims/Interests. Notwithstanding anything to the contrary herein, to the extent a Company Party and another Party have entered into a Confidentiality Agreement, the terms of such Confidentiality Agreement shall continue to apply and remain in full force and effect according to its terms, and this Agreement does not supersede any rights or obligations otherwise arising under such Confidentiality Agreements.

8.05. Notwithstanding Section 8.01, a Qualified Marketmaker that acquires any Company Claims/Interests with the purpose and intent of acting as a Qualified Marketmaker for such Company Claims/Interests shall not be required to execute and deliver a Transfer Agreement in respect of such Company Claims/Interests if (i) such Qualified Marketmaker subsequently transfers such Company Claims/Interests (by purchase, sale assignment, participation, or otherwise) within five (5) Business Days of its acquisition to a transferee that is an entity that is not an affiliate, affiliated fund, or affiliated entity with a common investment advisor; (ii) the transferee otherwise is a Permitted Transferee under Section 8.01; and (iii) the Transfer otherwise is otherwise permitted under Section 8.01. To the extent that a Consenting Stakeholder is acting in its capacity as a Qualified Marketmaker, it may Transfer (by purchase, sale, assignment, participation, or otherwise) any right, title or interests in Company Claims/Interests that the Qualified Marketmaker acquires from a holder of the Company Claims/Interests who is not a Consenting Stakeholder without the requirement that the transferee be a Permitted Transferee.

8.06. Notwithstanding anything to the contrary herein, any Company Claims/Interests transferred by a Consenting Stakeholder pursuant to an Open Trade shall not be subject to, or bound by, the terms and conditions of this Agreement (it being understood that such claim so transferred to and held by a Consenting Stakeholder for its own account (*i.e.*, not as part of a short transaction, or to be transferred by the Consenting Stakeholder under an Open Trade or any other transaction entered into by such Consenting Stakeholder prior to, and pending as of the date of, such Consenting Stakeholder’s entry into this Agreement), shall be subject to the terms of this Agreement, as provided in Section 8.03 hereof). For these purposes, “**Open Trade**” means a transaction, agreement, or other arrangement, whether done through an oral or written confirmation, under which a Consenting Stakeholder is entitled or obligated to transfer a claim,

with a trade date on or prior to the Consenting Stakeholder's execution of this Agreement or execution of the Transfer Agreement.

8.07. Notwithstanding anything to the contrary in this Section 8, the restrictions on Transfer set forth in this Section 8 shall not apply to the grant of any liens or encumbrances on any claims and interests in favor of a bank or broker-dealer holding custody of such claims and interests in the ordinary course of business and which lien or encumbrance is released upon the Transfer of such claims and interests.

Section 9. *Representations and Warranties of Consenting Stakeholders.* Each Consenting Stakeholder severally, and not jointly, represents and warrants that, as of the date such Consenting Stakeholder executes and delivers this Agreement and as of the Plan Effective Date:

(a) it is the beneficial or record owner of the face amount of the Company Claims/Interests or is the nominee, investment manager, or advisor for beneficial holders of the Company Claims/Interests reflected in, and, having made reasonable inquiry, is not the beneficial or record owner of any Company Claims/Interests other than those reflected in, such Consenting Stakeholder's signature page to this Agreement or a Transfer Agreement, as applicable (as may be updated pursuant to Section 8);

(b) it has the full power and authority to act on behalf of, vote and consent to matters concerning, such Company Claims/Interests;

(c) such Company Claims/Interests are free and clear of any pledge, lien, security interest, charge, claim, equity, option, proxy, voting restriction, right of first refusal, or other limitation on disposition, transfer, or encumbrances of any kind, that would adversely affect in any way such Consenting Stakeholder's ability to perform any of its obligations under this Agreement at the time such obligations are required to be performed;

(d) it has the full power to vote, approve changes to, and transfer all of its Company Claims/Interests referable to it as contemplated by this Agreement subject to applicable Law; and

(e) solely with respect to holders of Company Claims/Interests, (i) it is either (A) a qualified institutional buyer as defined in Rule 144A of the Securities Act, (B) not a U.S. person (as defined in Regulation S of the Securities Act), or (C) an institutional accredited investor (as defined in the Rules), and (ii) any securities acquired by the Consenting Stakeholder in connection with the Restructuring Transactions will have been acquired for investment and not with a view to distribution or resale in violation of the Securities Act.

Section 10. *Mutual Representations, Warranties, and Covenants.* Each of the Parties represents, warrants, and covenants to each other Party, as of the date such Party executed and delivers this Agreement and on the Plan Effective Date:

(a) it is validly existing and in good standing under the Laws of the state of its organization, and this Agreement is a legal, valid, and binding obligation of such Party, enforceable against it in accordance with its terms, except as enforcement may be limited by applicable Laws relating to or limiting creditors' rights generally or by equitable principles relating

to enforceability;

(b) except as expressly provided in this Agreement, the Plan, and the Bankruptcy Code, no consent or approval is required by any other person or entity in order for it to effectuate the Restructuring Transactions contemplated by, and perform its respective obligations under, this Agreement;

(c) the entry into and performance by it of, and the transactions contemplated by, this Agreement do not, and will not, conflict in any material respect with any Law or regulation applicable to it or with any of its articles of association, memorandum of association or other constitutional documents;

(d) except as expressly provided in this Agreement, it has (or will have, at the relevant time) all requisite corporate or other power and authority to enter into, execute, and deliver this Agreement and to effectuate the Restructuring Transactions contemplated by, and perform its respective obligations under, this Agreement; and

(e) except as expressly provided by this Agreement, it is not party to any restructuring or similar agreements or arrangements with the other Parties to this Agreement that have not been disclosed to all Parties to this Agreement.

Except as expressly provided in this Agreement, nothing herein is intended to, or does, in any manner waive, limit, impair, or restrict (a) any right of any Company Party or the ability of any Company Party to protect and reserve its rights (including rights under this Agreement), remedies, and interests, including its claims against any Consenting Stakeholder, and (b) any right of any Consenting Stakeholder, or the ability of any Consenting Stakeholder, to protect and preserve its rights (including rights under this Agreement), remedies, and interests, including its claims against any Company Party or Consenting Stakeholder. No purported termination of this Agreement shall be effective under this Section 11.05 or otherwise if the Party seeking to terminate this Agreement is in material breach of this Agreement, except a termination pursuant to Section 11.02(b) or

Section 11.02(d). Nothing in this Section 11.05 shall restrict any Company Party's right to terminate this Agreement in accordance with Section 11.02(b).

Notwithstanding anything to the contrary in this Agreement, upon the occurrence of a Termination Date as to a Party that is reasonably expected to be a material impediment to the implementation of the Restructuring Transactions, taken as a whole, the other Parties shall have the option (which option shall be determined (a) with respect to the Consenting Term Loan Lenders, by the Required Consenting Term Loan Lenders, (b) with respect to the 2L Consenting Noteholders, by the Required Consenting 2L Noteholders, (c) with respect to the 3L Consenting Noteholders, by the Required Consenting 3L Noteholders, (d) with respect to the Consenting Debenture Parties, by the Required Consenting Debenture Parties, (e) with respect to the Company Parties, by the Company Parties, (f) with respect to the Consenting Sponsors, by the Consenting Sponsors and (g) with respect to the Consenting Parent, by the Consenting Parent, and shall be delivered in writing to the other Parties, as applicable, including via email) to (i) determine that the Parties will continue remaining Parties to this Agreement in pursuit and support of the Restructuring Transactions or (ii) terminate this Agreement in accordance with Sections 11.01 or 11.02, as applicable.

Section 12. *Amendments and Waivers.*

(a) This Agreement (including as to the required content of and consent rights with respect to any Definitive Document) may not be modified, amended, or supplemented, and no condition or requirement of this Agreement may be waived, in any manner except in accordance with this Section 12.

(b) This Agreement may be modified, amended, or supplemented, or a condition or requirement of this Agreement may be waived, in a writing signed by: (a) each Company Party and (b) the following Parties, whose consent shall be necessary solely with respect to any modification, amendment, waiver or supplement that adversely affects the rights of such Parties: (i) the Required Consenting Term Loan Lenders; (ii) the Required Consenting Debenture Parties; (iii) the Required Consenting 2L Noteholders, (iv) the Required Consenting 3L Noteholders, (v) Consenting Parent; and (vi) the Consenting Sponsors; provided, however, that if the proposed modification, amendment, waiver, or supplement has a material and disproportionate adverse effect on any of the Company Claims/Interests held by a Consenting Stakeholder, then the consent of each such affected Consenting Stakeholder shall also be required to effectuate such modification, amendment, waiver or supplement; provided, further, that, so long as a member of the Consenting Term Loan Lender Group holds an aggregate principal amount of Term Loans equal to or exceeding 80.0% of its holdings as of the Execution Date, written consent of such member of the Consenting Term Loan Lender Group shall be required for any modification, amendment, waiver or supplement to the material economic terms of this Agreement (including without limitation the economic treatment in the Plan of the Term Loan Claims, Notes Claims and the 2028 Debenture Claims and any fees or back-stop rights and the principal terms of the Exit Facility). Notwithstanding the foregoing, in no event shall the Outside Date be extended as to any Consenting Stakeholder without the consent of each such Consenting Stakeholder.

(c) Any proposed modification, amendment, waiver or supplement that does not comply with this Section 12 shall be ineffective and void *ab initio*.

(d) The waiver by any Party of a breach of any provision of this Agreement shall not operate or be construed as a further or continuing waiver of such breach or as a waiver of any other or subsequent breach. No failure on the part of any Party to exercise, and no delay in exercising, any right, power or remedy under this Agreement shall operate as a waiver of any such right, power or remedy or any provision of this Agreement, nor shall any single or partial exercise of such right, power or remedy by such Party preclude any other or further exercise of such right, power or remedy or the exercise of any other right, power or remedy. All remedies under this Agreement are cumulative and are not exclusive of any other remedies provided by Law.

Section 13. *Miscellaneous.*

13.01. Acknowledgement. Notwithstanding any other provision herein, this Agreement is not and shall not be deemed to be an offer with respect to any securities or solicitation of votes for the acceptance of a plan of reorganization for purposes of sections 1125 and 1126 of the Bankruptcy Code or otherwise. Any such offer or solicitation will be made only in compliance with all applicable securities Laws, provisions of the Bankruptcy Code, and/or other applicable Law.

13.02. Exhibits Incorporated by Reference; Conflicts. Each of the exhibits, annexes, signatures pages, and schedules attached hereto is expressly incorporated herein and made a part of this Agreement, and all references to this Agreement shall include such exhibits, annexes, and schedules. In the event of any inconsistency between this Agreement (without reference to the exhibits, annexes, and schedules hereto) and the exhibits, annexes, and schedules hereto, this Agreement (without reference to the exhibits, annexes, and schedules thereto) shall govern.

13.03. Further Assurances. Subject to the other terms of this Agreement, the Parties agree to execute and deliver such other instruments and perform such acts, in addition to the matters herein specified, as may be reasonably appropriate or necessary, and not inconsistent with this Agreement or any of the Definitive Documents, from time to time, to effectuate the Restructuring Transactions, as applicable.

13.04. Complete Agreement. Except as otherwise explicitly provided herein, this Agreement constitutes the entire agreement among the Parties with respect to the subject matter hereof and supersedes all prior agreements, oral or written, among the Parties with respect thereto, other than any Confidentiality Agreement. For the avoidance of doubt, the Transaction Support Agreement and the parties' rights and obligations thereunder are not impaired or affected by this Agreement.

13.05. GOVERNING LAW; SUBMISSION TO JURISDICTION; SELECTION OF FORUM. THIS AGREEMENT IS TO BE GOVERNED BY AND CONSTRUED IN ACCORDANCE WITH THE LAWS OF THE STATE OF NEW YORK APPLICABLE TO CONTRACTS MADE AND TO BE PERFORMED IN SUCH STATE, WITHOUT GIVING EFFECT TO THE CONFLICT OF LAWS PRINCIPLES THEREOF. Each Party hereto agrees that it shall bring any action or proceeding in respect of any claim arising out of or related to this Agreement, to the extent possible, in the Bankruptcy Court, and solely in connection with claims arising under this Agreement: (a) irrevocably submits to the exclusive jurisdiction of the Bankruptcy Court; (b) waives any objection to laying venue in any such action or proceeding in

the Bankruptcy Court; and (c) waives any objection that the Bankruptcy Court is an inconvenient forum or does not have jurisdiction over any Party hereto.

13.06. TRIAL BY JURY WAIVER. EACH PARTY HERETO IRREVOCABLY WAIVES ANY AND ALL RIGHT TO TRIAL BY JURY IN ANY LEGAL PROCEEDING ARISING OUT OF OR RELATING TO THIS AGREEMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY.

13.07. Execution of Agreement. This Agreement may be executed and delivered in any number of counterparts and by way of electronic signature and delivery, and the parties agree that the signatures appearing on this Agreement are the same as handwritten signatures for purposes of validity, enforceability and admissibility. Each such counterpart, when executed and delivered, shall be deemed an original, and all of which together shall constitute the same agreement. Except as expressly provided in this Agreement, each individual executing this Agreement on behalf of a Party has been duly authorized and empowered to execute and deliver this Agreement on behalf of said Party.

13.08. Rules of Construction. This Agreement is the product of negotiations among the Company Parties and the Consenting Stakeholders, and in the enforcement or interpretation hereof, is to be interpreted in a neutral manner, and any presumption with regard to interpretation for or against any Party by reason of that Party having drafted or caused to be drafted this Agreement, or any portion hereof, shall not be effective in regard to the interpretation hereof. The Company Parties and the Consenting Stakeholders were each represented by counsel during the negotiations and drafting of this Agreement and continue to be represented by counsel.

13.09. Successors and Assigns; Third Parties. This Agreement is intended to bind and inure to the benefit of the Parties and their respective successors and permitted assigns, as applicable. There are no third party beneficiaries under this Agreement, and the rights or obligations of any Party under this Agreement may not be assigned, delegated, or transferred to any other person or entity except as expressly permitted in Section 8 hereof and any such attempted assignment, delegation or transfer shall be void ab initio.

Any notice given by delivery, mail, or courier shall be effective when received.

13.11. Independent Due Diligence and Decision Making. Each Consenting Stakeholder hereby confirms that its decision to execute this Agreement has been based upon its independent

investigation of the operations, businesses, financial and other conditions, and prospects of the Company Parties.

13.12. Enforceability of Agreement. Each of the Parties to the extent enforceable waives any right to assert that the exercise of any rights or remedies under this Agreement is subject to the automatic stay provisions of the Bankruptcy Code, and expressly stipulates and consents hereunder to the prospective modification of the automatic stay provisions of the Bankruptcy Code for purposes of exercising any rights or remedies under this Agreement, to the extent the Bankruptcy Court determines that such relief is required.

13.13. Waiver. If the Restructuring Transactions are not consummated, or if this Agreement is terminated for any reason, the Parties fully reserve any and all of their rights. Pursuant to Federal Rule of Evidence 408 and any other applicable rules of evidence, this Agreement and all negotiations relating hereto shall not be admissible into evidence in any proceeding other than a proceeding to enforce its terms or the payment of damages to which a Party may be entitled under this Agreement.

13.14. Specific Performance. It is understood and agreed by the Parties that money damages would be an insufficient remedy for any breach of this Agreement by any Party, and each non-breaching Party shall be entitled to specific performance and injunctive or other equitable relief (without the posting of any bond and without proof of actual damages) as a remedy of any such breach, including an order of the Bankruptcy Court or other court of competent jurisdiction requiring any Party to comply promptly with any of its obligations hereunder.

13.15. Several, Not Joint, Claims. Except where otherwise specified, the agreements, representations, warranties, and obligations of the Parties under this Agreement are, in all respects, several and not joint.

13.16. Severability and Construction. If any provision of this Agreement shall be held by a court of competent jurisdiction to be illegal, invalid, or unenforceable, the remaining provisions shall remain in full force and effect if essential terms and conditions of this Agreement for each Party remain valid, binding, and enforceable.

13.17. Remedies Cumulative. All rights, powers, and remedies provided under this Agreement or otherwise available in respect hereof at Law or in equity shall be cumulative and not alternative, and the exercise of any right, power, or remedy thereof by any Party shall not preclude the simultaneous or later exercise of any other such right, power, or remedy by such Party.

13.18. Capacities of Consenting Stakeholders. Each Consenting Stakeholder has entered into this Agreement on account of all Company Claims/Interests that it holds (directly or through discretionary accounts that it manages or advises) and, except where otherwise specified in this Agreement, shall take or refrain from taking all actions that it is obligated to take or refrain from taking under this Agreement with respect to all such Company Claims/Interests.

13.19. Email Consents. Where a written consent, acceptance, approval, or waiver is required pursuant to or contemplated by this Agreement, pursuant to Section 3.02, Section 12, or otherwise, including a written approval by the Company Parties or the Required Consenting Stakeholders, such written consent, acceptance, approval, or waiver shall be deemed to have

occurred if, by agreement between counsel to the Parties submitting and receiving such consent, acceptance, approval, or waiver, it is conveyed in writing (including electronic mail) between each such counsel without representations or warranties of any kind on behalf of such counsel.

13.20. Fees and Expenses. Regardless of whether the Restructuring Transactions are consummated, the Company Parties shall promptly pay in cash all reasonable and documented fees and expenses of (i) (a) the Consenting Term Loan Lender Group Advisors, (b) any local or conflicts counsel to the Consenting Term Loan Lender Group, (ii) any consultants or other professionals retained by the Consenting Term Loan Lender Group in connection with the Company Parties or the Restructuring Transactions with the consent of the Company Parties (not to be unreasonably withheld), (iii) the Consenting Noteholder Group Advisors, (iv) the Notes Trustees, including counsel for each of the Second Lien Notes Trustee and the Third Lien Notes Trustee, and (v) the Majority Consenting Debenture Party Counsel (collectively, the “**Consenting Lender Fees and Expenses**”), in each case in connection with the Restructuring Transactions and any applicable engagement letter, including, without limitation, any success fees consented to by the Company Parties, and in each case without further order of, or application to, the Bankruptcy Court by such consultant or professional. Simultaneously with the execution of this Agreement, the Company Parties shall pay all such unpaid Consenting Lender Fees and Expenses incurred at any time prior to the Agreement Effective Date and shall pay \$275,000 to the Consenting Parent on account of any accrued and future fees and expenses of advisors to the Consenting Parent in connection with the Restructuring Transactions (the “**Consenting Parent Fee and Expense Obligation**”); provided that the Consenting Parent shall return and remit any unused amounts upon termination of this Agreement.

13.21. Relationship Among Parties. Notwithstanding anything to the contrary herein, the duties and obligations of the Consenting Stakeholders under this Agreement shall be several, not joint. None of the Consenting Term Loan Lenders, Consenting Noteholders and Consenting Debenture Parties shall have any fiduciary duty, any duty of trust or confidence in any form, or other duties or responsibilities to each other, any Consenting Stakeholder, any Company Party, or any of the Company Party’s respective creditors or other stakeholders, and there are no commitments among or between the Consenting Stakeholders, in each case except as expressly set forth in this Agreement. It is understood and agreed that any Consenting Stakeholder may trade in any debt or equity securities of any Company Parties without the consent of the Company Parties or any Consenting Stakeholder, subject to Section 8 of this Agreement and applicable securities laws. No prior history, pattern or practice of sharing confidence among or between any of the Consenting Stakeholders, and/or the Company Parties shall in any way affect or negate this understanding and agreement. The Parties have no agreement, arrangement or understanding with respect to acting together for the purpose of acquiring, holding, voting or disposing of any securities of any of the Company Parties and do not constitute a “group” within the meaning of Section 13(d)(3) of the Exchange Act or Rule 13d-5 promulgated thereunder. For the avoidance of doubt: (1) each Consenting Stakeholder is entering into this Agreement directly with the Company Parties and not with any other Consenting Stakeholder, (2) no other Consenting Stakeholder shall have any right to bring any action against any other Consenting Stakeholder with respect this Agreement (or any breach thereof), other than in accordance with this Agreement and (3) no Consenting Stakeholder shall, nor shall any action taken by a Consenting Stakeholder pursuant to this Agreement, be deemed to be acting in concert or as any group with any other Consenting Stakeholder with respect to the obligations under this Agreement nor shall this

Agreement create a presumption that the Consenting Stakeholders are in any way acting as a group. All rights under this Agreement are separately granted to each Consenting Stakeholder by the Company Parties and vice versa, and the use of a single document is for the convenience of the Company Parties. The decision to commit to enter into the transactions contemplated by this Agreement has been made independently.

13.22. Limitations. Each Company Party understands that each Consenting Stakeholder is engaged in a wide range of financial services and businesses, and, in furtherance of the foregoing, each Company Party acknowledges and agrees that the obligations set forth in this Agreement shall only apply to the trading desk(s) and/or business group(s) of each Consenting Stakeholder that principally manages and/or supervises such Consenting Stakeholder's investment in the Company (the "Designated Group"), and shall not apply to any other affiliates, trading desks or business groups of such Consenting Stakeholder so long as they are not acting at the direction of the Designated Group.

13.23. Backstop Fee Payment. The Consenting Term Loan Lenders constituting the Consenting Term Loan Lender Group and the Consenting Noteholders constituting the Consenting Noteholder Group who will be receiving the Backstop Fee shall use commercially reasonable efforts to deliver to Citibank, N.A. at the e-mail address set forth below (with a copy to NMG LTD LLC at its e-mail address set forth in Section 13.10 herein), as soon as possible prior to the Petition Date, properly completed and executed copies of the applicable Internal Revenue Service Form W-8, together with any supporting or underlying forms and certificates, or Internal Revenue Service Form W-9, or such other forms that may be agreed upon by the parties, as applicable. For the avoidance of doubt, the failure to deliver such forms by the Petition Date does not affect any Consenting Stakeholders' entitlement to the Backstop Fee under this Agreement or the prompt payment thereof by the Company Parties.

Ladies and Gentlemen:

Neiman Marcus Group LTD LLC (“NMG”, “you” or “your”) has (i) advised (A) the parties listed on the signature pages hereto as Extended Term Loan Backstop Commitment Parties (each, an “Extended Term Loan Backstop Commitment Party”) and (B) the parties listed on the signature pages hereto as Prepetition Notes Backstop Commitment Parties (each, a “Prepetition Notes Backstop Commitment Party”, and together with the Extended Term Loan Backstop Commitment Parties, the “Backstop Commitment Parties”, “we”, “us” or “our”), that NMG and certain of its subsidiaries (the “Subsidiary Debtors”) and Mariposa Intermediate Holdings LLC, a Delaware limited liability company and the direct parent of NMG (“Holdings” and, collectively with NMG and the Subsidiary Debtors, the “Debtors”), are considering filing voluntary petitions for relief under Chapter 11 of Title 11 of the United States Code, 11 U.S.C. §§ 101 et seq. (as amended, the “Bankruptcy Code”), and (ii) in connection with the foregoing, requested that the Backstop Commitment Parties agree to commit to provide a \$675 million superpriority secured debtor-in-possession term loan credit facility for NMG under Sections 364(c) and 364(d) of the Bankruptcy Code (the “DIP Facility”) subject solely to the conditions set forth in the sections of Article IV of the Form DIP Credit Agreement (as defined below) that are applicable to the relevant borrowing. Unless otherwise specified herein, all references to “\$” shall refer to U.S. dollars. Capitalized terms used herein without definition shall have the meaning assigned thereto in the Form DIP Credit Agreement.

1. Backstop Commitment.

To provide assurance that the DIP Facility shall be available on the terms and conditions set forth herein and in the Form DIP Credit Agreement, each Backstop Commitment Party is pleased to advise NMG of its several commitment (the “Backstop Commitment”) to provide, itself or through one or more funds managed by such Backstop Commitment Party, the amount of the DIP Facility set forth on Schedule 1 hereto, on the terms set forth in the form Superpriority Senior Secured Debtor-In-Possession Credit Agreement attached hereto as Exhibit A (the “Form DIP Credit Agreement”, and together with this letter, the “Backstop Commitment Letter”), subject solely to the conditions set forth in the sections of Article IV of the Form DIP Credit Agreement that are applicable to the relevant borrowing. Each Backstop Commitment Party may, at its option, arrange for the Form DIP Credit Agreement to be executed by one or more financial institutions selected by the applicable Backstop Commitment Party and reasonably acceptable to NMG (the “Fronting Lender(s)”), to act as an initial lender and to fund some or all of the Backstop Commitment Party’s Backstop Commitment, in which case the applicable Backstop Commitment Party will acquire its shares of the DIP Facility by assignment from the Fronting Lender(s) in accordance with the assignment provisions of the Form DIP Credit Agreement.

2. Initial Allocation.

Any such 2019 Extending Term Lenders, Debenture Holders, Second Lien Noteholders and Third Lien Noteholders that elect to participate in the DIP Facility shall become Lenders under the DIP Facility substantially in accordance with the terms and conditions of Sections 2.01(c) and 10.04 of the Form DIP Credit Agreement (the “Initial Allocation”). Any unsubscribed portion of the ETL Opportunity and Debenture Opportunity shall be allocated to the Extended Term Loan Backstop Commitment Parties based on their respective percentages set forth on Schedule 2 hereto. Any unsubscribed portion of the Second Lien Opportunity and the Third Lien Opportunity shall be allocated to the Prepetition Notes Backstop Commitment Parties based on their respective percentages set forth on Schedule 2 hereto.

Each of the parties hereto agrees to use its respective commercially reasonable efforts to assist the Administrative Agent in connection with the Initial Allocation. The Backstop Commitment Parties agree that, following the Initial Allocation, NMG and its subsidiaries and the Administrative Agent may conclusively rely on the schedule of “Post-Initial Allocation Term Loan Commitments” provided to NMG by the financial advisor for the Extended Term Loan Backstop Commitment Parties, Ducera Partners LLC, and the financial advisor for the Prepetition Notes Backstop Commitment Parties, Houlihan Lokey

including the Lenders listed therein and their respective Commitments. None of NMG nor any of its affiliates nor any of their respective advisors shall be liable with respect to such schedule.

You acknowledge and agree that nothing in this Backstop Commitment Letter or the nature of our services or in any prior relationship will be deemed to create an advisory, fiduciary or agency relationship between any Backstop Commitment Party, any Agent or its affiliates, on the one hand, and you, your equity holders or your affiliates, on the other hand, and you waive, to the fullest extent permitted by law, any claims you may have against any Backstop Commitment Party, any Agent or its affiliates for breach of fiduciary duty or alleged breach of fiduciary duty in connection with this Backstop Commitment Letter or the transactions contemplated hereby, and agree that no Backstop Commitment Party, Agent or affiliates of any of the foregoing will have any liability (whether direct or indirect) to you in respect of such a fiduciary duty claim or to any person asserting a fiduciary duty claim on your behalf, including your equity holders, employees or creditors. You acknowledge that the transactions contemplated hereby (including the exercise of rights and remedies hereunder) are arms'-length commercial transactions and that we and the Agents are acting as principal and in our own respective best interests. You are relying on your own experts and advisors to determine whether the transactions contemplated hereby are in your best interests and are capable of evaluating and understanding, and you understand and accept, the terms, risks and conditions of the transactions contemplated hereby. In addition, you acknowledge that we and the Agents may employ the services of our respective affiliates in providing certain services hereunder and may exchange with such affiliates information concerning NMG and other companies that may be the subject of the transactions contemplated hereby and such affiliates will be entitled to the benefits afforded to us and the Agents hereunder; provided, that any such affiliates receiving information concerning NMG and other companies in accordance with this paragraph shall be subject to the same confidentiality obligations provided for in this Backstop Commitment Letter (with each Backstop Commitment Party responsible for its affiliates' compliance with this paragraph).

3. Information.

You hereby represent and warrant that (a) all written information concerning you and your subsidiaries and your and their respective business (other than financial projections, estimates, forecasts and budgets and other forward-looking information (collectively, the “Projections”) and information of a general economic or industry specific nature) (the “Information”) that has been or will be made available to us or any of our respective affiliates by or on behalf of you is or will be, when furnished, complete and correct in all material respects, when taken as a whole, and does not or will not, when furnished, contain any untrue statement of a material fact or omit to state a material fact necessary in order to make the statements contained therein not materially misleading in light of the circumstances under which such statements are made (after giving effect to the updates provided for in the penultimate sentence of this Section 3) and (b) the Projections that have been or will be made available to us or any of our affiliates by or on behalf of you or any of your representatives have been or will be prepared in good faith based upon assumptions that are believed by the preparer thereof to be reasonable at the time made and at the time the related Projections are made available to us or any of our affiliates (it being acknowledged that (i) such Projections are merely a prediction as to future events and are not to be viewed as facts, (ii) such Projections are subject to significant uncertainties and contingencies, many of which are beyond your control, (iii) the actual results during the period or periods covered by any such Projections may differ significantly from the projected results, and (iv) no guarantee or assurance can be given that the projected results will be realized). In particular, where Projections expressly or implicitly take into account the current market volatility and widespread impact of the COVID-19 outbreak, the extent of the impact of these developments on the Debtors’ and their subsidiaries’ operational and financial performance will depend on future developments, including the duration and spread of the outbreak and related governmental advisories and restrictions, and the impact of the COVID-19 outbreak on overall demand for the Debtors’ and their subsidiaries’ products and services, all of which are outside of the control of the Debtors or their subsidiaries, highly uncertain

and cannot be predicted. You agree that if, at any time prior to the entry of the Final DIP Financing Order approving the DIP Facility, any of the representations, warranties and covenants in the preceding sentence would be incorrect in any material respect if the Information and Projections were being furnished, and such representations, warranties and covenants were being made, at such subsequent time, then you will promptly supplement the Information and the Projections so that such representations, warranties and covenants would be correct in material respects; provided, for the avoidance of doubt, there will be no requirement to update previously delivered Projections to reflect new assumptions so long as the assumptions were reasonable at the time made and made available to us or any of our affiliates. The accuracy of the foregoing representations and warranties, whether or not cured, shall not be a condition to the obligations of the Backstop Commitment Parties hereunder or the availability of the DIP Facility.

4. Fees.

As consideration for the Backstop Commitments and agreements of the Backstop Commitment Parties hereunder, NMG agrees to pay (or cause to be paid) to the Backstop Commitment Parties, (or, at any Backstop Commitment Party's option and upon such Related Lender's designation (which may be provided by electronic communication), its Related Lender), a non-refundable backstop fee equal to 6.00% of the Total Commitment (the "Backstop Commitment Fee"), which shall be allocated as follows: (i) (A) to each Extended Term Loan Backstop Commitment Party, in an amount equal to (1) its percentage set forth on Schedule 2 hereto, *multiplied by* (2) 90.5%, *multiplied by* (3) the Backstop Commitment Fee and (B) to each Prepetition Note Backstop Commitment Party, in an amount equal to (1) its percentage set forth on Schedule 2 hereto, *multiplied by* (2) 9.5%, *multiplied by* (3) the Backstop Commitment Fee, which (x) shall be earned on the date the Bankruptcy Court enters the Interim DIP Financing Order and (y) subject to confirmation of the Acceptable Plan, shall be due and payable in Reorganized Equity in the aggregate amount equal to (x) the Backstop Commitment Fee *divided by* (y) 65.0% of the deemed per share value of the Reorganized Equity pursuant to and in accordance with the Acceptable Plan (provided, that if the Maturity Date shall have occurred other than in connection with consummation of an Acceptable Plan, such Backstop Commitment Fee shall be immediately due and payable in cash to the Administrative Agent for the benefit of each Backstop Commitment Party (or its designated Related Lender)). Extended Term Loan Backstop Commitment Parties with Second Lien Notes and/or Third Lien Notes cross-holdings will not receive the Backstop Commitment Fee allocable to the Prepetition Notes Backstop Commitment Parties; however, such Extended Term Loan Backstop Commitment Parties will be eligible for their ratable allocation of the Total Commitment in accordance with the Syndication Procedures along with other Second Lien Noteholders and/or Third Lien Noteholders who are not Prepetition Notes Backstop Commitment Parties. Prepetition Notes Backstop Commitment Parties with 2019 Extended Term Loan and/or 2028 Debenture cross-holdings will not receive the Backstop Commitment Fee allocable to the Extended Term Loan Backstop Commitment Parties; however, such Prepetition Notes Backstop Commitment Parties will be eligible for their ratable allocation of the Total Commitment in accordance with the Syndication Procedures along with other 2019 Extended Term Lenders who are not Extended Term Loan Backstop Commitment Parties and/or Debenture Holders. The parties hereby acknowledge and agree that the obligation of NMG to pay the Backstop Commitment Fee constitutes an Obligation.

5. Conditions.

The Backstop Commitment Parties' Backstop Commitments and agreements hereunder in respect of the DIP Facility are subject solely to the satisfaction (or waiver) of the conditions precedent set forth in the sections of Article IV of the Form DIP Credit Agreement that are applicable to the relevant borrowing. The Backstop Commitment Parties' commitments to fund the DIP Facility on the Closing Date are subject solely to the satisfaction (or waiver) of the conditions precedent set forth in Section 4.01 and Section 4.02 of the Form DIP Credit Agreement. There are no conditions (implied or otherwise) to the Backstop Commitments hereunder in respect of the DIP Facility, and there will be no conditions (implied or

otherwise) to the availability of the DIP Facility on the Closing Date, Initial Allocation Date, Final Order Availability Date or Last Term Loan Availability Date, as applicable, including compliance with the terms of this Backstop Commitment Letter or the Form DIP Credit Agreement, other than those that are expressly stated in the applicable sections of Article IV of the Form DIP Credit Agreement relevant to the availability of the DIP Facility on the Closing Date, Initial Allocation Date, Final Order Availability Date or Last Term Loan Availability Date, as applicable.

6. Indemnification and Expenses.

You agree to (a) indemnify and hold harmless each Backstop Commitment Party and the Agents, their respective affiliates and their and their affiliates' officers, directors, employees, agents, attorneys, accountants, advisors (including investment managers and advisers), consultants, representatives, controlling persons, members and permitted successors and assigns (each, an "Indemnified Person") from and against any and all losses, claims, damages, liabilities and expenses, joint or several ("Losses") to which any such Indemnified Person may become subject arising out of or in connection with this Backstop Commitment Letter, the DIP Facility, the use of proceeds thereof or any claim, litigation, investigation or proceeding relating to any of the foregoing, and to (b) reimburse each Backstop Commitment Party from time to time within five (5) days of receipt of their reasonable demand by presentation of a summary statement, for any reasonable and documented out-of-pocket legal (limited to \$150,000 per affiliated group of Extended Term Loan Backstop Commitment Parties, other than in respect of (1) Wachtell, Lipton, Rosen & Katz, as primary counsel, and Vinson & Elkins LLP, as Texas counsel, and, if applicable, conflicts counsel, in each case for the Extended Term Loan Backstop Commitment Parties and (2) Paul, Weiss, Rifkind, Wharton & Garrison LLP, as primary counsel, and Porter Hedges LLP, as Texas counsel, and, if applicable, conflicts counsel, in each case for the Prepetition Notes Backstop Commitment Parties) or other expenses incurred in connection with the Chapter 11 Cases, the DIP Facility, the enforcement of this Backstop Commitment Letter, the definitive documentation for the DIP Facility, and any ancillary documents and security arrangements in connection therewith, but no other third-party financial advisors (other than Ducera Partners LLC as financial advisor for the Extended Term Loan Backstop Commitment Parties and Houlihan Lokey as financial advisor for the Prepetition Notes Backstop Commitment Parties) without your prior written consent; provided, that the foregoing indemnity will not, as to any Indemnified Person, apply to Losses to the extent (a) they are found in a final non-appealable judgment of a court of competent jurisdiction to have resulted from such Indemnified Person's (i) gross negligence, bad faith or willful misconduct or (ii) material breach of its obligations under this Backstop Commitment Letter, or (b) they relate to a dispute solely among Indemnified Persons and not arising out of any act or omission of the Debtors or any of their respective subsidiaries (other than any claim, litigation, investigation or proceeding against the Administrative Agent or Collateral Agent in its capacity or in fulfilling its role as such).

None of you, Sponsor, Neiman Marcus Group, Inc., a Delaware corporation (the "Parent") the other Debtors, any of your or their respective subsidiaries, we nor any other Indemnified Person will be responsible or liable to one another for any indirect, special, punitive or consequential damages which may be alleged as a result of or arising out of, or in any way related to, the DIP Facility, the enforcement of this Backstop Commitment Letter, the definitive documentation for the DIP Facility, or any ancillary documents and security arrangements in connection therewith; provided that your indemnity and reimbursement obligations under this Section 6 shall not be limited by this sentence.

of inventory which are, or are contemplated to be, applied to working capital in accordance with the Approved Budget or posted to the ABL Borrowing Base (as defined in the DIP Financing Orders, as applicable) to support a deficit in such ABL Borrowing Base in accordance with the Approved Budget) received in an Asset Sale made pursuant to Section 6.05(g) or (l) to the prepayment of Term Loans within three (3) Business Days following receipt of such Net Cash Proceeds, unless, with respect to an Asset Sale made pursuant to Section 6.05(g), the Lead Borrower has delivered a Reinvestment Notice on or prior to such third Business Day.

(b) [Reserved].

(c) Subject to the priority of Liens and application of funds set forth in the DIP Financing Orders, the Borrowers will apply 100% of the Net Cash Proceeds from the incurrence, issuance or sale by the Borrowers or any Subsidiary of any Indebtedness that is not Excluded Indebtedness to the prepayment of Term Loans, on or prior to the date that is three (3) Business Days after the receipt of such net cash proceeds.

(d) [Reserved].

(e) The following general provisions shall apply to all prepayments pursuant to this Section 2.08:

(i) The Lead Borrower will deliver to the Administrative Agent, at the time of each prepayment required under this Section 2.08, (A) a certificate signed by a Financial Officer of the Lead Borrower setting forth in reasonable detail the calculation of the amount of such prepayment and (B) at least three (3) Business Days prior written notice of such prepayment. Each notice of prepayment shall specify the prepayment date, the Type of each Term Loan being prepaid and the principal amount of each Term Loan (or portion thereof) to be prepaid.

(ii) Prepayment of the Term Loans pursuant to this Section 2.08 will be accompanied by accrued and unpaid interest on the principal amount to be prepaid to but excluding the date of payment.

(f) Notwithstanding any provisions of this Section 2.08 to the contrary

(i) to the extent that any or all of the Net Cash Proceeds giving rise to a prepayment event pursuant to Section 2.08(a) or (c) are prohibited or delayed by applicable local law from being repatriated to the United States, the portion of such Net Cash Proceeds so affected will not be required to be applied to prepay Term Loans at the times provided in this Section 2.08, but may be retained by the Borrowers or the applicable Subsidiary for so long, but only so long, as the applicable local law will not permit repatriation to the United States. Once such repatriation of any of such affected Net Cash Proceeds is permitted under the applicable local law, such repatriation will be effected promptly and such repatriated Net Cash Proceeds will be promptly applied (net of additional taxes payable or reserved against as a result thereof) to the prepayment of the Term Loans pursuant to this Section 2.08 to the extent provided herein; provided that the Borrowers hereby agree, and will cause any applicable Subsidiary, to promptly take all commercially reasonable actions required by applicable local law to permit any such repatriation; or

(ii) to the extent that a Responsible Officer of the Lead Borrower has reasonably determined in good faith that repatriation of any of or all the Net Cash Proceeds

giving rise to a prepayment event pursuant to Section 2.08(a) or (c) would have an adverse tax cost consequence, such Net Cash Proceeds so affected will not be required to be applied to prepay Term Loans at the times provided in this Section 2.08, but may be retained by the Borrowers or the applicable Subsidiary without being repatriated; provided that, in the case of this subclause (ii), on or before the date on which any such Net Cash Proceeds so retained would otherwise have been required to be applied to reinvestments or prepayments pursuant to this Section 2.08 the Borrowers apply an amount equal to such Net Cash Proceeds to such reinvestments or prepayments as if such Net Cash Proceeds had been repatriated, less the amount of additional taxes that would have been payable or reserved against if such net cash proceeds had been repatriated.

SECTION 2.09 Fees.

(a) The Borrowers agree to pay (i) to the Administrative Agent, for its own account, the fees set forth in the Fee Letter at the times and on the terms specified therein (the “**Administrative Agent Fees**”) and (ii) to the Backstop Commitment Parties the Backstop Commitment Fees at the time and on the terms specified in the Backstop Commitment Letter.

(b) The Borrowers agree to pay to the Administrative Agent for the benefit of the Lenders upfront fees equal to 4.00% of the Total Commitment (the “**Total Upfront Fee**”), which shall be allocated as follows: (i) (A) to each Extended Term Loan Backstop Commitment Party, in an amount equal to (1) its Minimum Hold Percentage, *multiplied by* (2) 90.5%, *multiplied by* (3) the Total Upfront Fee and (B) to each Prepetition Note Backstop Commitment Party, in an amount equal to (1) its Minimum Hold Percentage, *multiplied by* (2) 9.5%, *multiplied by* (3) the Total Upfront Fee, and shall be earned, due, and payable in cash on the Closing Date upon the funding of its portion of the Interim Order Term Loan, and shall be netted from such funding on the Closing Date and (ii) to each Lender, in an amount equal to (A) such Lender’s Commitment as set forth on Schedule 2.01 under the heading “Post-Initial Allocation Term Loan Commitments”, *divided by* (B) the Total Commitment and *multiplied by* (C) the Total Upfront Fee, *minus* the amount (if any) paid to such Lender pursuant to clause (i) above and shall be earned, due, and payable on the Initial Allocation Date upon the funding of its portion of the Initial Allocation Date Term Loan, and shall be netted from such funding on the Initial Allocation Date.

(c) The Borrowers agree to pay to the Lenders (or, at each Lender’s option and upon such Lender’s written designation (which may be provided by electronic communication), one or more of its affiliates or funds or accounts that are managed, advised or sub-advised by such Lender (each, a “**Related Lender**”)) an exit fee equal to the product of 3.00% of the Total Commitment (the “**Total Exit Fee**”), which shall be payable ratably to each Lender on the Maturity Date in accordance with their Commitments as set forth under the heading “Post-Initial Allocation Term Loan Commitments” on Schedule 2.01. The Total Exit Fee due to the Lenders on the Maturity Date shall be payable in the form of shares of the same class of reorganized common equity (the “**Reorganized Equity**”) distributable to the Prepetition Term Loan Lenders pursuant to an Acceptable Plan, with the amount of such shares payable to Lenders in the aggregate amount equal to (x) the Total Exit Fee *divided by* (y) 65.0% of the deemed per share value of the Reorganized Equity pursuant to and in accordance with the Acceptable Plan (provided, that if the Maturity Date shall have occurred other than in connection with consummation of an Acceptable Plan, such exit fee shall be immediately due and payable in cash to the Administrative Agent for the benefit of each Lender (or its designated Related Lender)).

(d) The Borrowers agree to pay to the Administrative Agent for the ratable account of each Lender a ticking fee calculated on a daily basis at a rate per annum equal to 6.375% on the

daily unused Commitment of such Lender (including, in the case of any Backstop Commitment Party, prior to the Initial Allocation, the portion of its Commitment (if any) to be allocated in the Initial Allocation) accruing commencing on the date hereof and due and payable in arrears on the first Business Day of each calendar month (commencing with June 1, 2020) thereafter and on the Commitment Termination Date, in each case, with respect all amounts accrued to such date.

(e) The Borrowers agree to pay to the Administrative Agent for the ratable account of each Lender an extension fee in an amount equal to 2.00% (the “**Extension Fee**”) of the aggregate amount of outstanding Term Loans and outstanding Commitments of such Lender on the Original Maturity Date, which fee shall be earned, due, and payable in cash on the Original Maturity Date and subject to the extension under Section 2.18 having occurred.

(f) All Fees will be paid on the dates due and payable, in immediately available funds (unless netted or otherwise expressly set forth in this Section 2.09), to the Administrative Agent at the Payment Office for distribution, if and as appropriate, among the Lenders. Once paid, none of the Fees will be refundable under any circumstances.

(g) Absent a change in applicable tax law or a contrary determination (as defined in Section 1313(a) of the Code), the Borrowers, Lenders and Administrative Agent agree (i) that the Total Upfront Fee shall be treated consistent with the principles of Treasury Regulations Section 1.1273-2(g)(2)(i), (ii) the Total Exit Fee shall be treated as part of the debt instrument’s stated redemption price at maturity within the meaning of Treasury Regulations Section 1.1273-1(b) and (iii) to not take any tax position inconsistent with the tax treatment described in clause (i) or (ii).

SECTION 2.10 Interest.

(a) [Reserved].

(b) [Reserved].

(c) The Term Loans comprising each ABR Borrowing will bear interest at the ABR *plus* the Applicable Margin.

(d) The Term Loans comprising each Eurocurrency Borrowing will bear interest at the Adjusted LIBO Rate for the Interest Period in effect for such Borrowing *plus* the Applicable Margin.

(e) Following the occurrence and during the continuation of an Event of Default, the Borrowers will pay interest on all Obligations hereunder at a rate per annum equal to 2.0% per annum *plus* the rate applicable to ABR Loans as provided in clause (c) of this Section 2.10. Following the occurrence and during the continuation of an Event of Default, all Eurocurrency Borrowings shall automatically convert to ABR Borrowings upon the expiry of any then-current Interest Period, with no notice or action by any party, and for so long as such Event of Default continues, the Borrowers shall have no right to make and shall not make, any Interest Election Requests requesting to convert or continue any such Borrowing as a Eurocurrency Borrowing.

(f) Accrued interest on each Term Loan will be payable in arrears (i) on each Interest Payment Date for such Term Loan and (ii) on the Maturity Date; *provided* that (A) interest accrued pursuant to paragraph (e) of this Section 2.10 will be payable on demand, (B) in the event of any repayment or prepayment of any Term Loan, accrued interest on the principal amount repaid or prepaid will be payable on the date of such repayment or prepayment and (C) in the event of any

conversion of any Eurocurrency Loan prior to the end of the current Interest Period therefor, accrued interest on such Term Loan will be payable on the effective date of such conversion. All interest shall be payable in cash.

(g) [Reserved].

(h) All interest hereunder will be computed on the basis of a year of 360 days, except that interest computed by reference to the ABR at times when the ABR is based on the prime rate, will be computed on the basis of a year of 365 days (or 366 days in a leap year), and, in each case, will be payable for the actual number of days elapsed (including the first day but excluding the last day). The applicable ABR, Adjusted LIBO Rate or LIBO Rate will be determined by the Administrative Agent, and such determination will be conclusive absent manifest error.

SECTION 2.11 Alternate Rate of Interest. (a) If prior to the commencement of any Interest Period for a Eurocurrency Borrowing:

(i) the Administrative Agent determines (which determination will be conclusive absent manifest error) that adequate and reasonable means do not exist for ascertaining the Adjusted LIBO Rate or the LIBO Rate, as applicable, for such Interest Period; or

(ii) the Administrative Agent is advised by the Required Lenders that the Adjusted LIBO Rate or the LIBO Rate, as applicable, for such Interest Period will not adequately and fairly reflect the cost to such Lenders of making or maintaining their Term Loans included in such Borrowing for such Interest Period;

then the Administrative Agent will give notice thereof to the Lead Borrower and the applicable Lenders by telephone, facsimile transmission or e-mail as promptly as practicable thereafter and, until the Administrative Agent notifies the Lead Borrower and the Lenders that the circumstances giving rise to such notice no longer exist, any Interest Election Request that requests the conversion of any applicable Borrowing to, or continuation of any such Borrowing as, a Eurocurrency Borrowing will be ineffective and such Borrowing will be converted to or continued as on the last day of the Interest Period applicable thereto an ABR Borrowing.

(b) If at any time the Administrative Agent determines (which determination shall be conclusive absent manifest error) that (i) the circumstances set forth in clause (a)(i) of this Section 2.11 have arisen and such circumstances are unlikely to be temporary or (ii) the circumstances set forth in clause (a)(i) of this Section 2.11 have not arisen but either (w) the supervisor for the administrator of the LIBO Rate has made a public statement that the administrator of the LIBO Rate is insolvent (and there is no successor administrator that will continue publication of the LIBO Rate), (x) the administrator of the LIBO Rate has made a public statement identifying a specific date after which the LIBO Rate will permanently or indefinitely cease to be published by it (and there is no successor administrator that will continue publication of the LIBO Rate), (y) the supervisor for the administrator of the LIBO Rate has made a public statement identifying a specific date after which the LIBO Rate will permanently or indefinitely cease to be published or (z) the supervisor for the administrator of the LIBO Rate or a Governmental Authority having jurisdiction over the Administrative Agent has made a public statement identifying a specific date after which the LIBO Rate may no longer be used for determining interest rates for loans, then the Administrative Agent and the Lead Borrower shall endeavor to establish an alternate rate of interest to the LIBO Rate that gives due consideration to the then prevailing market convention for determining a rate of interest for syndicated loans in the United States of America at such time and shall enter into an amendment to this Agreement to reflect such alternate rate of interest and such other related changes to this Agreement

as may be applicable (but for the avoidance of doubt, such related changes shall not include a reduction of the Applicable Margin); provided that if such alternate rate of interest as so determined would be less than zero, then such rate shall be deemed to be zero for the purposes of this Agreement; provided, further, that, any such amendment to provide for an alternate rate of interest pursuant to this Section 2.11 shall meet the standards set forth in Proposed Treasury Regulation Section 1.1001-6 so as not to be treated as a “modification” (and therefore an exchange) of any Term Loans for purposes of Treasury Regulation Section 1.1001-3. Notwithstanding anything to the contrary in Section 10.08, such amendment shall become effective without any further action or consent of any other party to this Agreement so long as the Administrative Agent shall not have received, within five (5) Business Days of the date notice of such alternate rate of interest is provided to the Lenders, a written notice from Required Lenders stating that such Lenders object to such amendment. Until an alternate rate of interest shall be determined in accordance with this Section 2.11(b) (but, in the case of the circumstances described in clause (ii)(w), clause (ii)(x) or clause (ii)(y) of the first sentence of this Section 2.11(b), only to the extent the LIBO Rate for such Interest Period is not available or published at such time on a current basis), (A) any Interest Election Request that requests the conversion of any Borrowing to, or continuation of any Borrowing as, a Eurocurrency Borrowing shall be ineffective and (B) if any Borrowing Request requests a Eurocurrency Borrowing, such Borrowing shall be made as an ABR Borrowing.

SECTION 2.12 Increased Costs.

(a) If any Change in Law:

- (i) imposes, modifies or deems applicable any reserve, special deposit or similar requirement against assets of, deposits with or for the account of, or credit extended by, any Lender (except any such reserve requirement reflected in the Adjusted LIBO Rate);
- (ii) imposes on any Lender or the London interbank market any other condition (other than Taxes) affecting this Agreement or Eurocurrency Loans made by such Lender; or
- (iii) subjects any Recipient to any Taxes (other than (i) Indemnified Taxes, (ii) Taxes described in clauses (3) through (5) of the definition of Excluded Taxes, and (iii) Connection Income Taxes) on its loans, loan principal, letters of credit, commitments or other obligations, or its deposits, reserves, other liabilities or capital attributable thereto;

and the result of any of the foregoing is to increase the cost to such Lender of making or maintaining any Eurocurrency Loan (or of maintaining its obligation to make any such Term Loan) or to reduce the amount of any sum received or receivable by such Lender hereunder (whether of principal, interest or otherwise), then the Borrowers will pay to such Lender such additional amount or amounts as will compensate such Lender for such additional costs incurred or reduction suffered.

(b) If any Lender determines that any Change in Law regarding capital or liquidity requirements has or would have the effect of reducing the rate of return on such Lender's capital or on the capital of such Lender's holding company, if any, as a consequence of this Agreement or the Term Loans made by such Lender, to a level below that which such Lender or such Lender's holding company could have achieved but for such Change in Law (taking into consideration such Lender's policies and the policies of such Lender's holding company with respect to capital adequacy or liquidity), then from time to time the Borrowers will pay to such Lender such additional amount or amounts as will compensate such Lender or such Lender's holding company for any such reduction suffered.

(c) A certificate of a Lender setting forth the amount or amounts necessary to compensate such Lender or its holding company, as applicable, as specified in paragraph (a) or (b) of this Section 2.12 will be delivered to the Lead Borrower and will be conclusive absent manifest error. The Borrowers will pay such Lender the amount shown as due on any such certificate within ten (10) days after receipt thereof.

(d) Promptly after any Lender has determined that it will make a request for increased compensation pursuant to this Section 2.12, such Lender will notify the Lead Borrower thereof. Failure or delay on the part of any Lender to demand compensation pursuant to this Section 2.12 will not constitute a waiver of such Lender's right to demand such compensation; *provided* that the Borrowers will not be required to compensate a Lender pursuant to this Section 2.12 for any increased costs or reductions incurred more than 180 days prior to the date that such Lender notifies the Lead Borrower of the Change in Law giving rise to such increased costs or reductions and of such Lender's intention to claim compensation therefor; *provided, further*, that if the Change in Law giving rise to such increased costs or reductions is retroactive, then the 180 day period referred to above will be extended to include the period of retroactive effect thereof.

SECTION 2.13 Break Funding Payments. Except as otherwise set forth herein, the Borrowers will compensate each Lender for the actual out-of-pocket loss, cost and expense (excluding loss of anticipated profits) attributable to the following events:

(a) the payment of any principal of any Eurocurrency Loan other than on the last day of an Interest Period applicable thereto (including as a result of an Event of Default);

(b) the conversion of any Eurocurrency Loan other than on the last day of the Interest Period applicable thereto;

(c) the failure to borrow, convert, continue or prepay any Eurocurrency Loan on the date specified in any notice delivered pursuant hereto; or

(d) the assignment of any Eurocurrency Loan other than on the last day of the Interest Period applicable thereto as a result of a request by the Lead Borrower pursuant to Section 2.16.

Such loss, cost or expense to any Lender will be deemed to be the amount determined by such Lender to be the excess, if any, of (i) the amount of interest which would have accrued on the principal amount of such Term Loan had such event not occurred, at the Adjusted LIBO Rate that would have been applicable to such Term Loan (but not including the Applicable Margin applicable thereto), for the period from the date of such event to the last day of the then current Interest Period therefor (or, in the case of a failure to borrow, convert or continue a Eurocurrency Loan, for the period that would have been the Interest Period for such Term Loan) over (ii) the amount of interest which would accrue on such principal amount for such period at the interest rate which such Lender would bid were it to bid, at the commencement of such period, for deposits in Dollars of a comparable amount and period from other banks in the London interbank market.

A certificate of any Lender setting forth in reasonable detail any amount or amounts that such Lender is entitled to receive pursuant to this Section 2.13 will be delivered to the Lead Borrower and will be conclusive absent manifest error. The Borrowers will pay such Lender the amount shown as due on any such certificate within ten (10) days after receipt thereof.

SECTION 2.14 Taxes.

(a) Any and all payments by or on account of any obligation of any Loan Party under any Loan Document will be made free and clear of and without deduction or withholding for any Taxes, except as required by applicable law. If any applicable law requires the deduction or withholding of any Tax from any such payment by a Loan Party, then the applicable Loan Party shall be entitled to make such deduction or withholding and shall timely pay the full amount deducted or withheld to the relevant Governmental Authority in accordance with applicable law and, if a Loan Party is required to deduct any Indemnified Taxes or Other Taxes from such payments, then the sum payable hereunder will be increased as necessary so that after making all required deductions or withholdings (including such deductions and withholdings applicable to additional sums payable under this Section 2.14) the Administrative Agent or any Lender, as applicable, receives an amount equal to the amount it would have received had no such deductions or withholdings been made.

(b) In addition, the Loan Parties will timely pay to the relevant Governmental Authority in accordance with applicable law, or at the option of the Administrative Agent timely reimburse it for the payment of, any Other Taxes.

(c) Each Loan Party will, jointly and severally, indemnify the Administrative Agent and each Lender, within ten (10) days after written demand therefor, for the full amount of any Indemnified Taxes or Other Taxes paid by the Administrative Agent or such Lender, on or with respect to any payment by or on account of any obligation of such Loan Party hereunder (including Indemnified Taxes or Other Taxes imposed or asserted on or attributable to amounts payable under this Section 2.14) and any reasonable expenses arising therefrom or with respect thereto, whether or not such Indemnified Taxes or Other Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to such Loan Party by a Lender (with a copy to the Administrative Agent), or by the Administrative Agent on its own behalf or on behalf of a Lender, will be conclusive absent manifest error.

(d) As soon as practicable after any payment of Taxes by a Loan Party to a Governmental Authority pursuant to this Section 2.14, such Loan Party will deliver to the Administrative Agent the original or a certified copy of a receipt issued by such Governmental Authority evidencing such payment, a copy of the return reporting such payment or other evidence of such payment reasonably satisfactory to the Administrative Agent.

(e)

(i) Any Lender that is entitled to an exemption from or reduction of withholding Tax with respect to payments made under any Loan Document will deliver to the Lead Borrower and the Administrative Agent, at the time or times reasonably requested by the Lead Borrower or the Administrative Agent, such properly completed and executed documentation reasonably requested by the Lead Borrower or the Administrative Agent as will permit such payments to be made without withholding or at a reduced rate of withholding. In addition, any Lender, if reasonably requested by the Lead Borrower or the Administrative Agent, will deliver such other documentation prescribed by applicable law or reasonably requested by the Lead Borrower or the Administrative Agent as will enable the Lead Borrower or the Administrative Agent to determine whether or not such Lender is subject to backup withholding or information reporting requirements. Notwithstanding anything to the contrary in the preceding two sentences, the completion, execution and

submission of such documentation (other than such documentation set forth in Sections 2.14(e)(ii), 2.14(e)(iii) and 2.14(f) below) will not be required if in the Lender's reasonable judgment such completion, execution or submission would subject such Lender to any material unreimbursed cost or expense or would materially prejudice the legal or commercial position of such Lender.

(ii) Without limiting the effect of Section 2.14(e)(i) above, each Foreign Lender will, to the extent it is legally entitled to do so, deliver to the Lead Borrower and the Administrative Agent on or prior to the date on which such Foreign Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Lead Borrower or the Administrative Agent), two copies of whichever of the following is applicable:

- A. executed copies of Internal Revenue Service Form W-8BEN or Form W-8BEN-E, claiming eligibility for benefits of an income tax treaty to which the United States of America is a party;
- B. executed copies of Internal Revenue Service Form W-8ECI;
- C. in the case of a Foreign Lender claiming the benefits of the exemption for portfolio interest under Section 871(h) or 881(c) of the Code, (1) a certificate substantially in the form of the applicable Exhibit F to the effect that such Foreign Lender is not:
 - (x) a "bank" described in Section 881(c)(3)(A) of the Code;
 - (y) a "10 percent shareholder" of the Lead Borrower within the meaning of Section 871(h)(3) or 881(c)(3)(B) of the Code; or
 - (z) a "controlled foreign corporation" described in Section 881(c)(3)(C) of the Code; and

(2) executed copies of Internal Revenue Service Form W-8BEN or Form W-8BEN-E;

- D. to the extent a Foreign Lender is not the beneficial owner, executed copies of Internal Revenue Service Form W-8IMY, together with forms and certificates described in clauses (A) through (C) above (and additional Form W-8IMYs) or Internal Revenue Service Form W-9 as may be required; or
- E. any other form prescribed by applicable law as a basis for claiming exemption from or a reduction in United States federal withholding tax duly completed together with such supplementary documentation as may be prescribed by applicable law to permit the Borrowers or the Administrative Agent to determine the withholding or deduction required to be made.

(iii) In addition, each Lender that is not a Foreign Lender will deliver to the Lead Borrower and the Administrative Agent two copies of Internal Revenue Service Form W-9 on or before the date such Lender becomes a party and upon the expiration of any form previously delivered by such Lender.

In addition, in each of the foregoing circumstances, each Foreign Lender will deliver such forms, if legally entitled to deliver such forms, promptly upon the obsolescence, expiration or invalidity of any form previously delivered by such Foreign Lender. Each Foreign Lender will promptly notify the Lead Borrower at any time it determines that it is no longer in a position to provide any previously delivered certificate to the Lead Borrower (or any other form of certification adopted by the United States of America or other taxing authorities for such purpose). Notwithstanding any other provision of this paragraph, a Lender will not be required to deliver any form pursuant to this Section 2.14 that such Lender is not legally able to deliver.

(f) If a payment made to a Recipient under any Loan Document would be subject to U.S. federal withholding Tax imposed by FATCA if such Recipient were to fail to comply with the applicable reporting requirements of FATCA (including those contained in Section 1471(b) or 1472(b) of the Code, as applicable), such Recipient will deliver to the Lead Borrower and the Administrative Agent at the time or times prescribed by law and at such time or times reasonably requested by the Lead Borrower or the Administrative Agent such documentation prescribed by applicable law (including as prescribed by Section 1471(b)(3)(C)(i) of the Code) and such additional documentation reasonably requested by the Lead Borrower or the Administrative Agent as may be necessary for the Borrowers and the Administrative Agent to comply with their obligations under FATCA and to determine that such Recipient has complied with such Recipient's obligations under FATCA or to determine the amount, if any, to deduct and withhold from such payment. Solely for purposes of this Section 2.14(f), "FATCA" will include any amendments made to FATCA after the date of this Agreement.

Each Lender agrees that if any form or certification it previously delivered pursuant to the foregoing Sections 2.14(e) or (f) expires or becomes obsolete or inaccurate in any respect, it will update such form or certification or promptly notify the Lead Borrower and the Administrative Agent in writing of its legal inability to do so.

(g) If the Administrative Agent or any Lender determines, in its sole discretion exercised in good faith, that it has received a refund (including a credit in lieu of a refund) of any Indemnified Taxes or Other Taxes as to which it has been indemnified by a Loan Party or with respect to which such Loan Party has paid additional amounts pursuant to this Section 2.14, it will pay over an amount equal to such refund to such Loan Party (but only to the extent of indemnity payments made, or additional amounts paid, by such Loan Party under this Section 2.14 with respect to the Indemnified Taxes or Other Taxes giving rise to such refund), net of all out-of-pocket expenses of the Administrative Agent or such Lender (including any Taxes imposed with respect to such refund) as is determined by the Administrative Agent or such Lender in good faith, and without interest (other than any interest paid by the relevant Governmental Authority with respect to such refund); *provided* that such Loan Party, upon the request of the Administrative Agent or such Lender, agrees to repay as soon as reasonably practicable the amount paid over to such Loan Party (*plus* any penalties, interest or other charges imposed by the relevant Governmental Authority) to the Administrative Agent or such Lender in the event the Administrative Agent or such Lender is required to repay such refund to such Governmental Authority. Notwithstanding anything to the contrary in this Section 2.14(g), in no event will the indemnified party be required to pay any amount to an indemnifying party pursuant to this Section 2.14(g) the payment of which would place the indemnified party in a less favorable net after-Tax position than the indemnified party would have been in if the Tax subject to indemnification and giving rise to such refund had not been deducted, withheld or otherwise imposed and the indemnification payments or additional amounts with respect to such Tax had never been paid. This Section 2.14(g) will not be construed to require the Administrative Agent or any Lender to make available its Tax returns (or any other

information relating to its Taxes which it deems, in good faith, to be confidential) to the Loan Parties or any other Person.

(h) Each party's obligations under this Section 2.14 will survive the resignation or replacement of the Administrative Agent or any assignment of rights by, or the replacement of, a Lender, and the repayment, satisfaction or discharge of all obligations under any Loan Document.

(i) For purposes of this Section 2.14, the term "applicable law" includes FATCA.

SECTION 2.15 Payments Generally; Pro Rata Treatment; Sharing of Set-offs.

(a) Unless otherwise specified, the Borrowers will make each payment required to be made by it hereunder (whether of principal, interest, fees or otherwise, including pursuant to Section 2.07 and Section 2.08) on a *pro rata* basis prior to 2:00 p.m., New York City time, at the Payment Office, except that payments pursuant to Sections 2.12, 2.13, 2.14 and 10.05 will be made directly to the Persons entitled thereto, on the date when due, in immediately available funds, without condition or deduction for any defense, recoupment, set-off or counterclaim. Any amounts received after such time on any date may, in the discretion of the Administrative Agent, be deemed to have been received on the next succeeding Business Day for purposes of calculating interest thereon. The Administrative Agent will distribute any such payments received by it for the account of any other Person to the appropriate recipient promptly following receipt thereof and will make settlements with the Lenders with respect to other payments at the times and in the manner provided in this Agreement. Except as otherwise provided herein, if any payment hereunder is due on a day that is not a Business Day, the date for payment will be extended to the next succeeding Business Day, and, in the case of any payment accruing interest, interest thereon will be payable for the period of such extension. Any payment required to be made by the Administrative Agent hereunder will be deemed to have been made by the time required if the Administrative Agent, at or before such time, has taken the necessary steps to make such payment in accordance with the regulations or operating procedures of the clearing or settlement system used by the Administrative Agent to make such payment.

(b) Except as otherwise provided in this Agreement, if (i) at any time insufficient funds are received by and available to the Administrative Agent from the Borrowers to pay fully all amounts of principal, interest and fees then due from the Borrowers hereunder or (ii) at any time an Event of Default shall have occurred and be continuing and the Administrative Agent will receive any proceeds or payments of any kind, such funds will be applied in accordance with Section 5.03 of the Collateral Agreement.

(c) Except as otherwise expressly provided in this Agreement, if any Lender, by exercising any right of set-off or counterclaim or otherwise, obtains payment in respect of any principal of or interest on any of its Term Loans resulting in such Lender receiving payment of a greater proportion of the aggregate amount of its Term Loans than the proportion received by any other Lender, then the Lender receiving such greater proportion will purchase (for cash at face value) participations in the Term Loans of other Lenders to the extent necessary so that the benefit of all such payments will be shared by the Lenders ratably in accordance with the aggregate amount of principal of and accrued interest on their respective Term Loans; *provided* that (i) if any such participations are purchased and all or any portion of the payment giving rise thereto is recovered, such participations will be rescinded and the purchase price restored to the extent of such recovery, without interest, and (ii) the provisions of this paragraph (c) will not be construed to apply to any payment made by the Borrowers pursuant to and in accordance with the express terms of this Agreement or any payment obtained by a Lender as consideration for the assignment of or sale of

a participation in any of its Term Loans to any assignee or participant. The Borrowers consent to the foregoing and agrees, to the extent it may effectively do so under applicable law, that any Lender acquiring a participation pursuant to the foregoing arrangements may exercise against the Borrowers' rights of set-off and counterclaim with respect to such participation as fully as if such Lender were a direct creditor of the Borrowers in the amount of such participation.

(d) Unless the Administrative Agent has received notice from the Lead Borrower prior to the date on which any payment is due to the Administrative Agent for the account of the Lenders hereunder that the Borrowers will not make such payment, the Administrative Agent may assume that the Borrowers have made such payment on such date in accordance herewith and may, in reliance upon such assumption, distribute to the Lenders the amount due. In such event, if the Borrowers have not in fact made such payment, then each of the Lenders severally agrees to repay to the Administrative Agent forthwith on demand the amount so distributed to such Lender with interest thereon, for each day from and including the date such amount is distributed to it to but excluding the date of payment to the Administrative Agent, at the greater of the Federal Funds Rate and a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation.

(e) If any Lender fails to make any payment required to be made by it pursuant to Section 2.03(a) or 2.15(c), then the Administrative Agent may, in its discretion (notwithstanding any contrary provision hereof), apply any amounts thereafter received by the Administrative Agent for the account of such Lender to satisfy such Lender's obligations under Section 2.03(a) or 2.15(c), as applicable, until all such unsatisfied obligations are fully paid.

SECTION 2.16 Mitigation Obligations; Replacement of Lenders.

(a) If any Lender requests compensation under Section 2.12, or if the Borrowers are required to pay any additional amount to any Lender or any Governmental Authority for the account of any Lender pursuant to Section 2.14, then such Lender will (at the request of the Borrowers) use reasonable efforts to designate a different lending office for funding or booking its Term Loans hereunder or assign its rights and obligations hereunder to another of its offices, branches or Affiliates if, in the reasonable judgment of such Lender, such designation or assignment (i) would eliminate or reduce amounts payable pursuant to Section 2.12 or 2.14, as applicable, in the future and (ii) would not subject such Lender to any material unreimbursed cost or expense and would not otherwise be disadvantageous to such Lender. The Borrowers hereby agree to pay all reasonable costs and expenses incurred by any Lender in connection with any such designation or assignment.

(b) If any Lender requests compensation under Section 2.12, or if the Borrowers are required to pay any additional amount to any Lender or any Governmental Authority for the account of any Lender pursuant to Section 2.14, then the Borrowers may, at their sole expense, upon notice to such Lender and the Administrative Agent, either (a) prepay such Lender's outstanding Term Loans hereunder in full on a *non-pro rata* basis without premium or penalty (including with respect to the processing and recordation fee referred to in Section 10.04(b)(ii)(B)) or (b) require such Lender to assign and delegate, without recourse (in accordance with and subject to the restrictions contained in Section 10.04), all its interests, rights (other than its existing rights to payments pursuant to Section 2.12 or 2.14) and obligations under this Agreement to an assignee that will assume such obligations (which assignee may be another Lender, if a Lender accepts such assignment); *provided* that (i) in the case of clause (b) above, the Lead Borrower has received the prior written consent of the Administrative Agent, which consent will not unreasonably be withheld, if a consent by the Administrative Agent would be required under Section 10.04 for an

assignment of Term Loans to such assignee, (ii) such Lender has received payment of an amount equal to the outstanding principal of its Term Loans, accrued interest thereon, accrued fees and all other amounts payable to it hereunder, from the assignee (to the extent of such outstanding principal and accrued interest and fees) or the Borrowers (in the case of all other amounts) and (iii) in the case of any such assignment resulting from a claim for compensation under Section 2.12 or payments required to be made pursuant to Section 2.14, such assignment will result in a reduction in such compensation or payments.

(c) If any Lender (such Lender, a “**Non-Consenting Lender**”) has failed to consent to a proposed amendment, waiver, discharge or termination that, pursuant to the terms of Section 10.08, requires the consent of such Lender and with respect to which the Required Lenders, or Supermajority Lenders, as applicable, have granted their consent, then the Borrowers will have the right (unless such Non-Consenting Lender grants such consent) at their sole expense, to replace such Non-Consenting Lender by deeming such Non-Consenting Lender to have assigned its Term Loans to one or more assignees reasonably acceptable to the Administrative Agent if a consent by the Administrative Agent would be required under Section 10.04 for an assignment of Term Loans to such Assignee; provided that (i) all Obligations of the Borrowers owing to such Non-Consenting Lender (including accrued Fees and any amounts due under Section 2.12, 2.13 or 2.14) being removed or replaced will be paid in full to such Non-Consenting Lender concurrently with such removal or assignment and (ii) the replacement Lender will purchase the foregoing by paying to such Non-Consenting Lender a price equal to the principal amount thereof plus accrued and unpaid interest thereon. No action by or consent of the Non-Consenting Lender will be necessary in connection with such removal or assignment, which shall be immediately and automatically effective upon payment of such purchase price. In connection with any such assignment, the Borrowers, the Administrative Agent, such Non-Consenting Lender and the replacement Lender will otherwise comply with Section 10.04; provided that if such Non-Consenting Lender does not comply with Section 10.04 within three Business Days after the Lead Borrower’s request, compliance with Section 10.04 will not be required to effect such assignment.

(d) Subject to the rights of the Backstop Commitment Parties under Section 2.19(b), the Borrowers will have the right at their sole expense, to replace any Defaulting Lender by deeming such Defaulting Lender to have assigned its Term Loans to one or more assignees reasonably acceptable to the Administrative Agent if a consent by the Administrative Agent would be required under Section 10.04 for an assignment of Term Loans to such Assignee; provided that (i) all Obligations of the Borrowers owing to such Defaulting Lender (including accrued Fees and any amounts due under Section 2.12, 2.13 or 2.14) being removed or replaced will be paid in full to such Defaulting Lender concurrently with such removal or assignment and (ii) the replacement Lender will purchase the foregoing by paying to such Defaulting Lender a price equal to the principal amount thereof plus accrued and unpaid interest thereon. No action by or consent of the Defaulting Lender will be necessary in connection with such removal or assignment, which shall be immediately and automatically effective upon payment of such purchase price. In connection with any such assignment, the Borrowers, the Administrative Agent, such Defaulting Lender and the replacement Lender will otherwise comply with Section 10.04; provided that if such Defaulting Lender does not comply with Section 10.04 within three (3) Business Days after the Lead Borrower’s request, compliance with Section 10.04 will not be required to effect such assignment.

SECTION 2.17 Illegality. If any Lender reasonably determines that any change in law has made it unlawful, or if any Governmental Authority has asserted after the Closing Date that it is unlawful, for any Lender or its applicable lending office to make or maintain any Eurocurrency Loans, then, upon notice thereof by such Lender to the Borrowers through the Administrative Agent, any obligations of such Lender to make or continue Eurocurrency Loans or to convert ABR Borrowings to Eurocurrency

Borrowings will be suspended until such Lender notifies the Administrative Agent and the Lead Borrower that the circumstances giving rise to such determination no longer exist. Upon receipt of such notice, the Lead Borrower will upon demand from such Lender (with a copy to the Administrative Agent), either convert all Eurocurrency Borrowings of such Lender to ABR Borrowings, either on the last day of the Interest Period therefor, if such Lender may lawfully continue to maintain such Eurocurrency Borrowings to such day, or immediately, if such Lender may not lawfully continue to maintain such Term Loans. Upon any such prepayment or conversion, the Borrowers will also pay accrued interest on the amount so prepaid or converted.

SECTION 2.18 Extension of Maturity Date. The Original Maturity Date may be extended to the Extended Maturity Date at the option of the Lead Borrower, in each case subject to satisfaction (or waiver) of the following conditions precedent, upon which such extension shall automatically take effect and each Lender shall be deemed to have agreed to such Extension Request:

- (a) On and as of the Original Maturity Date, the representations and warranties of the Loan Parties contained in Article III shall be true and correct in all material respects (except those representations and warranties qualified by materiality or Material Adverse Effect, which shall be true and correct in all respects) on and as of such date, as though made on and as of such date, except to the extent that any representation or warranty specifically relates only to an earlier date, in which case it shall have been true and correct in all material respects (except those representations and warranties qualified by materiality or Material Adverse Effect, which shall have been true and correct in all respects) as of such earlier date;
- (b) On or prior to the Original Maturity Date, the Borrower shall have paid (or caused to be paid) to the Administrative Agent and Lenders the fees and expenses then earned, due and payable under the Loan Documents, including the Extension Fee described in Section 2.09(e) (and including, without limitation, the fees and expenses of the Lender Advisors);
- (c) On and as of the Original Maturity Date, no Event of Default shall have occurred and be continuing; and
- (d) the Lead Borrower shall have made such request to the Administrative Agent not less than fifteen (15) days (or such later date agreed to by the Required Lenders) and not earlier than sixty (60) days, prior to the Original Maturity Date, by delivering to the Administrative Agent a copy of an irrevocable extension request signed by the Lead Borrower (an "***Extension Request***") in substantially the form of Exhibit H hereto.

The Administrative Agent shall promptly notify each Lender of its receipt of such Extension Request. Thereafter, the term "Maturity Date" with respect to the Term Loans and Commitments as used herein and in any Note executed and delivered by the applicable Borrower pursuant to Section 2.05(e) hereof, shall at all times refer to the Extended Maturity Date.

SECTION 2.19 Defaulting Lenders.

- (a) Notwithstanding anything to the contrary contained in this Agreement, if any Lender becomes a Defaulting Lender, then, until such time as that Lender is no longer a Defaulting Lender, to the extent permitted by applicable law:

- (i) Such Defaulting Lender's right to approve or disapprove any amendment, waiver or consent with respect to this Agreement shall be restricted as set forth in the definition of "Required Lenders" and "Supermajority Lenders" and Section 10.08.

(ii) Any payment of principal, interest, fees or other amounts received by the Administrative Agent for the account of such Defaulting Lender (whether voluntary or mandatory, at maturity, pursuant to Article VIII or otherwise) shall be applied at such time or times as may be reasonably determined by the Administrative Agent as follows: first, to the payment of any amounts owing by such Defaulting Lender to the Administrative Agent hereunder; second, as the Lead Borrower may request, to the funding of any Term Loan in respect of which such Defaulting Lender has failed to fund its portion thereof as required by this Agreement, as determined by the Administrative Agent; third, if so determined by the Administrative Agent and the Lead Borrower, to be held in a deposit account and released in order to satisfy such Defaulting Lender's potential future funding obligations with respect to Term Loans to the Borrowers under this Agreement; fourth, to the payment of any amounts owing to the other Lenders as of a result of any judgment of a court of competent jurisdiction obtained by any Lender against such Defaulting Lender as a result of such Defaulting Lender's breach of its obligations under this Agreement; fifth, to the payment of any amounts owing to the Borrowers as a result of any judgment of a court of competent jurisdiction obtained by the Borrowers against such Defaulting Lender as a result of such Defaulting Lender's breach of its obligations under this Agreement; and sixth, to such Defaulting Lender or as otherwise directed by a court of competent jurisdiction; provided that if (x) such payment is a payment of the principal amount of any Term Loans in respect of which such Defaulting Lender has not fully funded its appropriate share, and (y) such Term Loans were made at a time when the applicable conditions set forth in Article IV were satisfied or waived, such payment shall be applied solely to pay the Term Loans of all Non-Defaulting Lenders on a *pro rata* basis prior to being applied to the payment of any Term Loans of such Defaulting Lender until such time as all Term Loans are held by the Lenders *pro rata* in accordance with the Commitments hereunder. Any payments, prepayments or other amounts paid or payable to a Defaulting Lender that are applied (or held) to pay amounts owed by a Defaulting Lender pursuant to this Section 2.19(a)(ii) shall be deemed paid to and redirected by such Defaulting Lender, and each Lender irrevocably consents hereto.

(iii) Fees pursuant to Section 2.09 (x) shall cease to accrue on the unfunded portion of the Commitment of such Defaulting Lender and (y) shall not be payable to such Defaulting Lender that remains a Defaulting Lender at the time such Fees are due and payable.

(b) Upon any Lender becoming a Defaulting Lender, the Administrative Agent will notify the Lenders in writing. Each Backstop Commitment Party shall have the right, exercisable in its sole discretion within five (5) Business Days of receipt of such notice, to purchase its *pro rata* share (based on each Backstop Commitment Party's Backstop Commitment set forth on Schedule 2 to the Backstop Commitment Letter) of the outstanding Term Loans and Commitments of such Defaulting Lender at a purchase price equal to 96.0% of the outstanding amount thereof (plus accrued and unpaid interest thereon), and such Defaulting Lender is hereby required to assign and delegate, without recourse (in accordance with and subject to the restrictions contained in Section 10.04), all its interests, rights (other than its existing rights to payments pursuant to Section 2.12 or 2.14) and obligations under this Agreement related to the purchased Term Loans to the purchasing Backstop Commitment Parties. Thereafter, each purchasing Backstop Commitment Party shall be entitled to all interests and Fees associated with the purchased Term Loans and Commitments in accordance with the terms of this Agreement. In connection with any such purchase, the Borrowers, the Administrative Agent, such Defaulting Lender and the replacement Lender will otherwise comply with Section 10.04; provided that if such Defaulting Lender does not comply with Section 10.04 within three (3) Business Days after the Backstop Commitment Parties' election under this

Section 2.19(b), compliance with Section 10.04 will not be required to effect such assignment. Notwithstanding anything contained in this Agreement, to the extent any Backstop Commitment Party declines to make such purchase, the Administrative Agent may, and, at the direction of the Required Lenders, shall, reduce the outstanding principal amount of such Defaulting Lender's Term Loans by such Defaulting Lender's *pro rata* share of the Total Upfront Fee (to the extent already paid).

(c) If the Lead Borrower and the Administrative Agent agree in writing that a Lender is no longer a Defaulting Lender, the Administrative Agent will so notify the parties hereto, whereupon as of the effective date specified in such notice and subject to any conditions set forth therein, such Lender will, to the extent applicable, purchase at par that portion of outstanding Term Loans of the other Lenders and take such other actions as the Administrative Agent may determine to be necessary to cause the Term Loans to be held on a *pro rata* basis by the Lenders based on the outstanding Commitments and Term Loans hereunder, whereupon such Lender will cease to be a Defaulting Lender; provided that no adjustments will be made retroactively with respect to Fees accrued or payments made by or on behalf of the Borrowers while such Lender was a Defaulting Lender; and provided, further, that except to the extent otherwise expressly agreed by the affected parties, no change hereunder from Defaulting Lender to Lender will constitute a waiver or release of any claim of any party hereunder arising from such Lender having been a Defaulting Lender.

SECTION 2.20 [Reserved].

SECTION 2.21 Joint and Several Liability of Borrowers; Additional Waivers.

(a) Each of the Borrowers hereby accepts joint and several, primary liability for all Obligations hereunder in consideration of the financial accommodations provided by the Lenders under this Agreement, for the mutual benefit, directly and indirectly, of each of the Borrowers and in consideration of the undertakings of each of the Borrowers to accept joint and several liability for the Obligations of each of them under the Loan Documents.

(b) Each of the Borrowers, jointly and severally, hereby irrevocably and unconditionally accepts, not merely as a surety but also as a co-debtor, joint and several liability with the other Borrowers with respect to the payment and performance of all of the Obligations, it being the intention of the parties hereto that all of the Obligations are the joint and several obligations of each of the Borrowers without preferences or distinction among them.

(c) If and to the extent that any of the Borrowers fails to make any payment with respect to any of the Obligations hereunder as and when due or to perform any of such Obligations in accordance with the terms thereof, then in each such event, the other Borrowers will make such payment with respect to, or perform, such Obligation.

(d) The obligations of each Borrower under the provisions of this Section 2.21 constitute full recourse obligations of such Borrower, enforceable against it to the full extent of its properties and assets.

(e) To the fullest extent permitted by applicable law, the obligations of each Loan Party hereunder shall not be affected by (i) the failure of any Secured Party to assert any claim or demand or to enforce or exercise any right or remedies against any other Loan Party under the provisions of this Agreement, any other Loan Document or otherwise or (ii) the failure to perfect any security interest in, or the release of, any of the Collateral held by or on behalf of the Collateral Agent or any other Secured Party for the applicable Obligations.

(f) To the fullest extent permitted by applicable law, each Loan Party waives any defense based on or arising out of any defense of any other Loan Party or the unenforceability of the Obligations or any part thereof from any cause, or the cessation from any cause of the liability of any other Loan Party, other than payment in full of the Obligations. The Administrative Agent and the other Secured Parties may, at their election, foreclose on any security held by one or more of them by one or more judicial or nonjudicial sales, accept an assignment of any such security in lieu of foreclosure, compromise or adjust any part of the Obligations, make any other accommodation with any other Loan Party, or exercise any other right or remedy available to them against any other Loan Party, without affecting or impairing in any way the liability of any Loan Party hereunder except to the extent that payment in full has occurred. Pursuant to applicable law, each Loan Party waives any defense arising out of any such election even though such election operates, pursuant to applicable law, to impair or to extinguish any right of reimbursement or subrogation or other right or remedy of such Loan Party against any other Loan Party, as the case may be, or any security.

SECTION 2.22 Designation of Lead Borrower. Each Borrower hereby appoints the Lead Borrower to act as its exclusive agent for all purposes under this Agreement and the other Loan Documents (including with respect to all matters related to the borrowing and repayment of Term Loans as described in Article II hereof). Each Borrower (in such capacity) acknowledges and agrees that (a) the Lead Borrower may execute such documents on behalf of all the Borrowers as the Lead Borrower deems appropriate in its sole discretion and each Borrower (in such capacity) will be bound by and obligated by all of the terms of any such document executed by the Lead Borrower on its behalf, (b) any notice or other communication delivered by the Administrative Agent or any Lender hereunder to the Lead Borrower will be deemed to have been delivered to each Borrower, and (c) the Administrative Agent and each of the Lenders will accept (and will be permitted to rely on) any document or agreement executed by the Lead Borrower on behalf of the Borrowers (or any of them).

SECTION 2.23 No Discharge; Survival of Claims. Unless in accordance with an Acceptable Plan, each of the Loan Parties agrees that prior to payment in full of the Obligations and termination of the Commitments in accordance herewith, (a) its obligations under the Loan Documents shall not be discharged by the entry of an order confirming a Plan of Reorganization (and each of the Loan Parties, pursuant to Section 1141(d)(4) of the Bankruptcy Code, hereby waives any such discharge) and (b) the superiority claims granted to the Agents and the Lenders pursuant to the DIP Financing Orders and the Liens granted to the Agents and the Lenders pursuant to the DIP Financing Orders shall not be affected in any manner by the entry of an order confirming a Plan of Reorganization.

SECTION 2.24 Liens.

(a) Each of the Loan Parties hereby covenants and agrees that upon the entry of, and subject to, the Interim DIP Financing Order (and, when entered, the Final DIP Financing Order) and subject to the Carve Out in all respects, the Obligations shall at all times be secured by a valid, binding, continuing, enforceable perfected Lien on the Collateral, the priority of which shall be set forth in the DIP Financing Orders.

(b) In accordance with the DIP Financing Orders, all of the Liens described in the DIP Financing Orders shall be effective and automatically perfected upon entry of the Interim DIP Financing Order, without the necessity of the execution, recordation of filings by the Loan Parties of security agreements, control agreements, pledge agreements, financing statements or other similar documents, or the possession or control by the Administrative Agent or Collateral Agent, as applicable, of, or over, any Collateral.

(c) Each Loan Party hereby confirms and acknowledges that, pursuant to the Interim DIP Financing Order (and, when entered, the Final DIP Financing Order), the Liens in favor of the Collateral Agent on behalf of and for the benefit of the Secured Parties in all of the Collateral (other than Excluded Assets), now existing or hereafter acquired, shall be created and perfected without the recordation or filing in any land records or filing offices of any mortgage, assignment or similar instrument.

(a) Each of the Borrowers and the Subsidiary Loan Parties has valid fee simple title to, or valid leasehold interests in, or easements or other limited property interests in, all of its Real Properties and valid title to its personal property and assets, in each case, except for Permitted Liens or defects in title that do not materially interfere with its ability to conduct its business as currently conducted or to utilize such properties and assets for their intended purposes, in each case, except where the failure to have such title, interest, easement or right would not reasonably be expected to have, individually or in the aggregate, a Material Adverse Effect. (b) Neither any Borrower nor any of the Subsidiaries has defaulted under any lease to which it is a party, except for such defaults arising from the commencement of the Chapter 11 Cases or as would not reasonably be expected to have, individually or in the aggregate, a Material Adverse Effect. ARTICLE IX

The Agents

SECTION 9.01 Appointment.

(a) Each Lender hereby irrevocably designates and appoints the Administrative Agent as agent of such Lender under this Agreement and the other Loan Documents, as applicable, including as the Collateral Agent for such Lender and the other applicable Secured Parties under the applicable Security Documents, and each such Lender irrevocably authorizes the Administrative Agent, in such capacities, to take such action on its behalf under the provisions of this Agreement and the other Loan Documents and to exercise such powers and perform such duties as are expressly delegated to the Administrative Agent by the terms of this Agreement and the other Loan Documents, together with such other powers as are reasonably incidental thereto. In addition, to the extent required under the laws of any jurisdiction other than the United States, each of the Lenders hereby grants to the Administrative Agent any required powers of attorney to execute any Security Document governed by the laws of such jurisdiction on such Lender's behalf. Notwithstanding any provision to the contrary elsewhere in this Agreement, the Administrative Agent shall not have any duties or responsibilities, except those expressly set forth herein, or any fiduciary relationship with any Lender, and no implied covenants, functions, responsibilities, duties, obligations or liabilities shall be read into this Agreement or any other Loan Document or otherwise exist against the Administrative Agent. To the extent required by any applicable law, the Administrative Agent may withhold from any payment to any Lender an amount equivalent to any applicable withholding Tax. If the Internal Revenue Service or any other Governmental Authority asserts a Claim that the Administrative Agent did not properly withhold Tax from amounts paid to or for the account of any Lender because the appropriate form was not delivered or was not properly executed or because such Lender failed to notify the Administrative Agent of a change in circumstance which rendered the exemption from, or reduction of, withholding Tax ineffective or for any other reason, such Lender shall indemnify the Administrative Agent fully for all amounts paid, directly or indirectly, by the Administrative Agent as Tax or otherwise, including any penalties or interest and together with all expenses (including legal expenses, allocated internal costs and out-of-pocket expenses) incurred. For the avoidance of doubt, no Borrower shall have liability for the actions of the Administrative Agent pursuant to the immediately preceding sentence.

(b) In furtherance of the foregoing, each Lender hereby appoints and authorizes the Administrative Agent to act as the agent of such Lender for purposes of acquiring, holding and enforcing any and all Liens on the Collateral granted by any of the Loan Parties to secure any of the Obligations, together with such powers and discretion as are reasonably incidental thereto. In connection therewith, the Administrative Agent (and any Subagents appointed by the Administrative Agent pursuant to Section 9.02 for purposes of holding or enforcing any Lien on the Collateral (or any portion thereof) granted under the Security Documents, or for exercising any rights or remedies thereunder at the direction of the Administrative Agent) shall be entitled to the benefits of this Article IX (including Section 9.07) as though the Administrative Agent (and any

such Subagents) were an “Agent” under the Loan Documents, as if set forth in full herein with respect thereto.

(c) Each Lender irrevocably authorizes the Administrative Agent, at its option and in its discretion:

(i) to release any Lien on any property granted to or held by the Administrative Agent under any Loan Document

(A) upon payment in full of all Obligations (other than Obligations in respect of contingent indemnification and reimbursement obligations that are not yet due and payable and for which no Claim has been asserted);

(B) that is sold or to be sold as part of or in connection with any sale permitted hereunder or under any other Loan Document; or

(C) if approved, authorized or ratified in writing in accordance with Section 10.08 hereof;

(ii) to release any Loan Party from its obligations under the Loan Documents if such Person ceases to be a Subsidiary as a result of a transaction permitted hereunder; and

(iii) to subordinate any Lien on any property granted to or held by the Administrative Agent under any Loan Document to the holder of any Lien on such property that is permitted by Section 6.02(c).

Upon request by the Administrative Agent at any time, the Required Lenders will confirm in writing the Administrative Agent’s authority to release its interest in particular types or items of property, or to release any Loan Party from its obligations under the Loan Documents.

(d) In case of the pendency of any receivership, insolvency, liquidation, bankruptcy, reorganization, arrangement, adjustment, composition or other judicial proceeding relative to any Loan Party, including during the pendency of the Chapter 11 Cases, (i) the Administrative Agent (irrespective of whether the principal of any Obligation shall then be due and payable as herein expressed or by declaration or otherwise and irrespective of whether the Administrative Agent shall have made any demand on the Borrowers) shall be entitled and empowered, by intervention in such proceeding or otherwise (A) to file and prove a Claim for the whole amount of the principal and interest owing and unpaid in respect of any or all of the Obligations that are owing and unpaid and to file such other documents as may be necessary or advisable in order to have the Claims of the Lenders and the Agents and any Subagents allowed in such judicial proceeding and (B) to collect and receive any monies or other property payable or deliverable on any such Claims and to distribute the same, and (ii) any custodian, receiver, assignee, trustee, liquidator, sequestrator or other similar official in any such judicial proceeding is hereby authorized by each Lender to make such payments to the Administrative Agent and, if the Administrative Agent shall consent to the making of such payments directly to the Lenders, to pay to the Administrative Agent any amount due for the reasonable compensation, expenses, disbursements and advances of the Administrative Agent and its agents and counsel, and any other amounts due the Administrative Agent under the Loan Documents. Nothing contained herein shall be deemed to authorize the Administrative Agent to authorize or consent to or accept or adopt on behalf of any Lender any Plan of Reorganization, arrangement, adjustment or composition affecting the Obligations or the rights of any Lender or to

authorize the Administrative Agent to vote in respect of the Claim of any Lender in any such proceeding.

(e) The Lenders and each other holder of an Obligation under a Loan Document shall act collectively through the Administrative Agent with respect to the Obligations and the Loan Documents. Without limiting the delegation of authority to the Administrative Agent set forth herein, the Required Lenders shall direct the Administrative Agent with respect to the exercise of rights and remedies hereunder and under other Loan Documents (including with respect to alleging the existence or occurrence of, and exercising rights and remedies as a result of, any Default or Event of Default), and the exercise of rights and remedies with respect to (i) the Term Loans and any securities, notes, or other interests issued pursuant to this Agreement and (ii) any Collateral with respect to the Obligations. Any such rights and remedies shall not be exercised other than through the Administrative Agent. None of the foregoing shall preclude any Lender from exercising any right of set-off in accordance with the provisions of Section 10.06 or from exercising rights and remedies (other than the enforcement of Collateral) with respect to any payment default after the occurrence of the Maturity Date with respect to any Term Loans made by it.

SECTION 9.02 Delegation of Duties. The Administrative Agent may execute any of its duties under this Agreement and the other Loan Documents (including for purposes of holding or enforcing any Lien on the Collateral (or any portion thereof) by or through agents, employees or attorneys-in-fact and shall be entitled to advice of counsel and other consultants or experts concerning all matters pertaining to such duties. The Administrative Agent shall not be responsible for the negligence or misconduct of the agents or attorneys-in-fact selected by it with reasonable care. The Administrative Agent may also from time to time, when the Administrative Agent deems it to be necessary or desirable, appoint one or more trustees, co-trustees, collateral co-agents, collateral subagents or attorneys-in-fact (each, a “*Subagent*”) with respect to all or any part of the Collateral; *provided* that no such Subagent shall be authorized to take any action with respect to any Collateral unless and except to the extent expressly authorized in writing by the Administrative Agent. Should any instrument in writing from the Borrowers or any other Loan Party be required by any Subagent so appointed by the Administrative Agent to more fully or certainly vest in and confirm to such Subagent such rights, powers, privileges and duties, the Borrowers shall, or shall cause such Loan Party to, execute, acknowledge and deliver any and all such instruments promptly upon request by the Administrative Agent. If any Subagent, or successor thereto, shall die, become incapable of acting, resign or be removed, all rights, powers, privileges and duties of such Subagent, to the extent permitted by law, shall automatically vest in and be exercised by the Administrative Agent until the appointment of a new Subagent. The Administrative Agent shall not be responsible for the negligence or misconduct of any agent, attorney-in-fact or Subagent that it selects in accordance with the foregoing provisions of this Section 9.02 in the absence of the Administrative Agent’s gross negligence or willful misconduct.

SECTION 9.03 Exculpatory Provisions. None of the Administrative Agent, its Affiliates or any of their respective officers, directors, employees, agents or attorneys-in-fact shall be (1) liable for any action lawfully taken or omitted to be taken by it or such Person under or in connection with this Agreement or any other Loan Document (except to the extent that any of the foregoing are found by a final and non-appealable decision of a court of competent jurisdiction to have resulted from its or such Person’s own gross negligence or willful misconduct) or (2) responsible in any manner to any of the Lenders for any recitals, statements, representations or warranties made by any Loan Party or any officer thereof contained in this Agreement or any other Loan Document or in any certificate, report, statement or other document referred to or *provided* for in, or received by the Agents under or in connection with, this Agreement or any other Loan Document or for the value, validity, effectiveness, genuineness, enforceability or sufficiency of this Agreement or any other Loan Document or for any failure of any Loan Party party thereto to perform its obligations hereunder or thereunder. The Agents shall not be under any obligation to any Lender to ascertain or to inquire as to the observance or performance of any of the agreements contained in, or

conditions of, this Agreement or any other Loan Document, or to inspect the properties, books or records of any Loan Party. The Administrative Agent shall not have any duties or obligations except those expressly set forth herein and in the other Loan Documents. Without limiting the generality of the foregoing, (1) the Administrative Agent shall not be subject to any fiduciary or other implied duties, regardless of whether a Default or Event of Default has occurred and is continuing, and (2) the Administrative Agent shall not, except as expressly set forth herein and in the other Loan Documents, have any duty to disclose, and shall not be liable for the failure to disclose, any information relating to the Borrowers or any of their Affiliates that is communicated to or obtained by the Administrative Agent or any of its Affiliates in any capacity. The Agents shall not be liable for any action taken or not taken by it with the consent or at the request of the Required Lenders, or such other number or percentage of the Lenders as shall be necessary or as such Agents shall in good faith believe to be necessary under the circumstances as provided in Section 10.08, or in the absence of its own gross negligence or willful misconduct as determined by a court of competent jurisdiction by final and non-appealable judgment; provided, that no action taken or not taken by the Agents in accordance with the direction of the Required Lenders, or such other number or percentage of the Lenders as shall be necessary shall be deemed to constitute gross negligence or willful misconduct by the Agents. The Administrative Agent shall not be responsible for or have any duty to ascertain or inquire into:

- (a) any statement, warranty or representation made in or in connection with this Agreement or any other Loan Document;
- (b) the contents of any certificate, report or other document delivered hereunder or thereunder or in connection herewith or therewith;
- (c) the performance or observance of any of the covenants, agreements or other terms or conditions set forth herein or therein or the occurrence of any Default or Event of Default;
- (d) the validity, enforceability, effectiveness or genuineness of this Agreement, any other Loan Document or any other agreement, instrument or document, or the creation, perfection or priority of any Lien purported to be created by the Security Documents;
- (e) the value or the sufficiency of any Collateral; or
- (f) the satisfaction of any condition set forth in Article IV or elsewhere herein, other than to confirm receipt of items expressly required to be delivered to the Administrative Agent.

SECTION 9.04 Reliance by Administrative Agent. The Administrative Agent shall be entitled to rely upon, and shall not incur any liability for relying upon, any notice, request, certificate, consent, statement, instrument, document or other writing (including any electronic message, Internet or intranet website posting or other distribution) or conversation believed in good faith by it to be genuine and to have been signed, sent or otherwise authenticated by the proper Person. The Administrative Agent also may rely upon any statement made to it orally or by telephone and believed in good faith by it to have been made by the proper Person, and shall not incur any liability for relying thereon. In determining compliance with any condition hereunder to any Borrowing that by its terms must be fulfilled to the satisfaction of a Lender, the Administrative Agent may presume that such condition is satisfactory to such Lender unless the Administrative Agent shall have received notice to the contrary from such Lender prior to such Borrowing. The Administrative Agent may consult with legal counsel (including counsel to Holdings or the Borrowers), independent accountants and other experts selected by it, and shall not be liable for any action taken or not taken by it in accordance with the advice of any such counsel, accountants or experts. The Administrative Agent may deem and treat the payee of any Note as the owner thereof for all purposes unless a written notice of assignment, negotiation or transfer thereof shall have been filed with the Administrative Agent. The Administrative Agent shall be fully justified in failing or refusing to take any

action under this Agreement or any other Loan Document unless it shall first receive such advice or concurrence of the Required Lenders (or, if so specified by this Agreement, all or other Lenders) as it deems appropriate or it shall first be indemnified to its satisfaction by the Lenders against any and all liability and expense that may be incurred by it by reason of taking or continuing to take any such action. The Administrative Agent shall in all cases be fully protected in acting, or in refraining from acting, under this Agreement and the other Loan Documents in accordance with a request of the Required Lenders (or, if so specified by this Agreement, all or other Lenders), and such request and any action taken or failure to act pursuant thereto shall be binding upon all the Lenders and all future holders of the Term Loans.

SECTION 9.05 Notice of Default. The Administrative Agent shall not be deemed to have knowledge or notice of the occurrence of any Default or Event of Default unless the Administrative Agent has received written notice from a Lender, Holdings or the Lead Borrower referring to this Agreement, describing such Default or Event of Default and stating that such notice is a “notice of default.” In the event that the Administrative Agent receives such a notice, the Administrative Agent shall give notice thereof to the Lenders. The Administrative Agent shall take such action with respect to such Default or Event of Default as shall be reasonably directed by the Required Lenders (or, if so specified by this Agreement, all or other Lenders); *provided* that unless and until the Administrative Agent shall have received such directions, the Administrative Agent may (but shall not be obligated to) take such action, or refrain from taking such action, with respect to such Default or Event of Default as it shall deem advisable in the best interests of the Lenders.

SECTION 9.06 Non-Reliance on Agents and Other Lenders. Each Lender expressly acknowledges that neither the Agents nor any of their respective officers, directors, employees, agents, attorneys-in-fact or affiliates have made any representations or warranties to it and that no act by the Administrative Agent hereafter taken, including any review of the affairs of a Loan Party or any Affiliate of a Loan Party, shall be deemed to constitute any representation or warranty by the Administrative Agent to any Lender. Each Lender represents to the Agents that it has, independently and without reliance upon the Administrative Agent or any other Lender, and based on such documents and information as it has deemed appropriate, made its own appraisal of, and investigation into, the business, operations, property, financial and other condition and creditworthiness of the Loan Parties and their Affiliates and made its own decision to make its Term Loans hereunder and enter into this Agreement. Each Lender also represents that it will, independently and without reliance upon the Administrative Agent or any other Lender, and based on such documents and information as it shall deem appropriate at the time, continue to make its own credit analysis, appraisals and decisions in taking or not taking action under this Agreement and the other Loan Documents, and to make such investigation as it deems necessary to inform itself as to the business, operations, property, financial and other condition and creditworthiness of the Loan Parties and their Affiliates. Except for notices, reports and other documents expressly required to be furnished to the Lenders by the Administrative Agent hereunder, the Administrative Agent shall not have any duty or responsibility to provide any Lender with any credit or other information concerning the business, operations, property, condition (financial or otherwise), prospects or creditworthiness of any Loan Party or any Affiliate of a Loan Party that may come into the possession of the Administrative Agent or any of its officers, directors, employees, agents, attorneys-in-fact or affiliates.

SECTION 9.07 Indemnification. The Lenders agree to indemnify each Agent (to the extent not reimbursed by the Borrowers and without limiting the obligation of the Borrowers to do so), in the amount of its *pro rata* share (based on its aggregate outstanding Term Loans) (determined at the time such indemnity is sought), from and against any and all liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements of any kind whatsoever that may at any time (whether before or after the payment of the Term Loans) be imposed on, incurred by or asserted against the Administrative Agent in any way relating to or arising out of the Commitments, this Agreement, any of the other Loan Documents or any documents contemplated by or referred to herein or therein or the transactions

contemplated hereby or thereby or any action taken or omitted by the Administrative Agent under or in connection with any of the foregoing; *provided* that no Lender shall be liable for the payment of any portion of such liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements that are found by a final and non-appealable decision of a court of competent jurisdiction to have resulted from the Administrative Agent's gross negligence or willful misconduct. The failure of any Lender to reimburse the Administrative Agent promptly upon demand for its ratable share of any amount required to be paid by the Lenders to the Administrative Agent as *provided* herein shall not relieve any other Lender of its obligation hereunder to reimburse the Administrative Agent for its ratable share of such amount, but no Lender shall be responsible for the failure of any other Lender to reimburse the Administrative Agent for such other Lender's ratable share of such amount. The agreements in this Section 9.07 shall survive the payment of the Term Loans and all other amounts payable hereunder.

SECTION 9.08 Agent in Its Individual Capacity. Each Agent and its affiliates may make loans to, accept deposits from, and generally engage in any kind of business with any Loan Party as though the Administrative Agent were not the Administrative Agent. With respect to its Term Loans made or renewed by it, each Agent shall have the same rights and powers under this Agreement and the other Loan Documents as any Lender and may exercise the same as though it were not the Administrative Agent, and the terms "Lender" and "Lenders" shall include each Agent in its individual capacity.

SECTION 9.09 Successor Agent. The Administrative Agent (i) may resign as Administrative Agent upon ten (10) days' notice to the Lenders and the Lead Borrower or (ii) if so directed by the Required Lenders, shall resign, upon ten (10) days' prior written notice (or such shorter period as agreed to by the Required Lenders and Lead Borrower) by the Required Lenders to the Administrative Agent and the Lead Borrower. If the Administrative Agent resigns as the Administrative Agent under this Agreement and the other Loan Documents, then the Required Lenders shall appoint a successor agent for the Lenders which successor agent shall (unless an Event of Default under Section 8.01(b) or 8.01(c) shall have occurred and be continuing) be subject to the approval by the Lead Borrower (which approval shall not be unreasonably withheld, conditioned or delayed) and following such approval the Borrowers shall use commercially reasonable efforts to cause such successor agent to accept such appointment (including by paying customary agency fees to such successor agent), whereupon such successor agent shall succeed to the rights, powers and duties of the Administrative Agent, and the reference to the resigning Administrative Agent means such successor agent effective upon such appointment and approval, and the former Administrative Agent's rights, powers and duties as Agent shall be terminated, without any other or further act or deed on the part of such former Administrative Agent or any of the parties to this Agreement or any holders of the Term Loans. If no successor shall have been so appointed by the Required Lenders and shall have accepted such appointment within ten (10) days after the retiring Administrative Agent gives notice of its resignation, then the retiring Administrative Agent may, on behalf of the Lenders, appoint a successor Administrative Agent. If no successor agent has accepted appointment as Administrative Agent by the date that is ten (10) days following a retiring Administrative Agent's notice of resignation, the retiring Administrative Agent's resignation will nevertheless thereupon become effective, and the Required Lenders will thereafter perform all the duties of such Administrative Agent hereunder and/or under any other Loan Document until such time, if any, as the Required Lenders appoint a successor Administrative Agent. After any retiring Administrative Agent's resignation as Administrative Agent, the provisions of this Article IX and Section 10.05 shall inure to its benefit as to any actions taken or omitted to be taken by it while it was Administrative Agent under this Agreement and the other Loan Documents.

SECTION 10.01 Notices; Communications.

(a) Except in the case of notices and other communications expressly permitted to be given by telephone (and except as provided in Section 10.01(b)), all notices and other communications provided for herein shall be in writing and shall be delivered by hand or overnight courier service, mailed by certified or registered mail or sent by facsimile or e-mail, and all notices and other communications expressly permitted hereunder to be given by telephone shall be made to the applicable telephone number, in each case, as follows:

(i) if to any Loan Party or the Administrative Agent, to the address, facsimile number, e-mail address or telephone number specified for such Person on Schedule 10.01; and

(ii) if to any other Lender, to the address, facsimile number, e-mail address or telephone number specified in its Administrative Questionnaire.

(b) Notices and other communications to the Lenders may be delivered or furnished by electronic communication (including e-mail and Internet or intranet websites) pursuant to procedures approved by the Administrative Agent; *provided* that the foregoing shall not apply to notices to any Lender pursuant to Article II if such Lender has notified the Administrative Agent that it is incapable of receiving notices under such Article by electronic communication. The Administrative Agent or the Lead Borrower may, in its discretion, agree to accept notices and other communications to it hereunder by electronic communications pursuant to procedures approved by it; *provided* that approval of such procedures may be limited to particular notices or communications.

(c) Notices sent by hand or overnight courier service, or mailed by certified or registered mail, shall be deemed to have been given when received. Notices sent by facsimile shall be deemed to have been given when sent and confirmation of transmission received (except that, if not given during normal business hours for the recipient, shall be deemed to have been given at the opening of business on the next Business Day for the recipient). Notices delivered through electronic communications to the extent provided in Section 10.01(b) shall be effective as provided in such Section 10.01(b).

(d) Any party hereto may change its address, facsimile number or e-mail address for notices and other communications hereunder by notice to the other parties hereto.

(e) Documents required to be delivered pursuant to Section 5.04 (to the extent any such documents are included in materials otherwise filed with the SEC) may be delivered electronically (including as set forth in Section 10.17) and if so delivered, shall be deemed to have been delivered on the date (i) on which the Lead Borrower posts such documents or provides a link thereto on the Borrowers' website on the Internet at the website address listed on Schedule 10.01 or (ii) on which such documents are posted on the Borrowers' behalf on an Internet or intranet website, if any, to which each Lender and the Administrative Agent have access (whether a commercial, third-party website or whether sponsored by the Administrative Agent); *provided* that the Lead Borrower shall notify the Administrative Agent (by facsimile or e-mail) of the posting of any such documents and provide to the Administrative Agent by electronic mail electronic versions (i.e., soft copies) of such documents; *provided, further*, that, upon reasonable request by the Administrative Agent, the Lead Borrower shall also provide a hard copy to the Administrative Agent of any such document; *provided, further*, that any documents posted for which a link is provided after normal business hours for the recipient shall be deemed to have been given at the opening of business on the next Business Day for such recipient. The Administrative Agent shall have no obligation to request the delivery or to maintain copies of the documents referred to above,

and in any event shall have no responsibility to monitor compliance by the Loan Parties with any such request for delivery, and each Lender shall be solely responsible for requesting delivery to it or maintaining its copies of such documents.

SECTION 10.02 Survival of Agreement. All covenants, agreements, representations and warranties made by the Loan Parties herein, in the other Loan Documents and in the certificates or other instruments prepared or delivered in connection with or pursuant to this Agreement or any other Loan Document will be considered to have been relied upon by the Lenders and shall survive the making by the Lenders of the Term Loans and the execution and delivery of the Loan Documents, regardless of any investigation made by such Persons or on their behalf, and shall continue in full force and effect as long as the principal of or any accrued interest on any Term Loan or any Fee or any other amount payable under this Agreement or any other Loan Document is outstanding and unpaid. Without prejudice to the survival of any other agreements contained herein, indemnification and reimbursement obligations contained herein (including pursuant to Sections 2.12, 2.14 and 10.05) shall survive the payment in full of the principal and interest hereunder and the termination of this Agreement.

SECTION 10.03 Binding Effect. This Agreement shall become effective when it has been executed by Holdings, the Borrowers and the Administrative Agent and when the Administrative Agent has received copies thereof which, when taken together, bear the signatures of each of the other parties hereto, and thereafter shall be binding upon and inure to the benefit of Holdings, the Borrowers, the other Loan Parties, each Agent, each Lender and their respective permitted successors and assigns.

SECTION 10.04 Successors and Assigns.

(a) The provisions of this Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns permitted hereby, except that (i) the Borrowers may not assign or otherwise transfer any of its rights or obligations hereunder without the prior written consent of each Lender (and any attempted assignment or transfer by the Borrowers without such consent shall be null and void), and (ii) no Lender may assign or otherwise transfer its rights or obligations hereunder except in accordance with this Section 10.04. Nothing in this Agreement, expressed or implied, shall be construed to confer upon any Person (other than the parties hereto, their respective successors and assigns permitted hereby, Participants (to the extent provided in paragraph (c) of this Section 10.04) and, to the extent expressly contemplated hereby, the Related Parties of each of the Agents and the Lenders) any legal or equitable right, remedy or Claim under or by reason of this Agreement or the other Loan Documents.

(b) Subject to the conditions set forth in paragraph (b)(ii) of this Section 10.04, any Lender may assign to one or more assignees (other than a natural person) (each, an "**Assignee**") all or a portion of its rights and obligations under this Agreement (including all or a portion of the Term Loans at the time owing to it) with the prior written consent (such consent not to be unreasonably withheld, delayed or conditioned) of the (i) Lead Borrower; *provided* that no consent of the Lead Borrower shall be required for an assignment (A) in connection with the Initial Allocation, (B) to a Lender, an Affiliate of a Lender, an Approved Fund or (C) if an Event of Default under Section 8.01(b), 8.01(c) or 8.01(d) (solely with respect to the failure to comply with Section 5.04(n), 5.04(r), 6.14 or 6.15) (any such Event of Default, a "**Specified Event of Default**") shall have occurred and be continuing, any other Person; *provided, further*, that such consent shall be deemed to have been given if the Lead Borrower has not responded within five (5) Business Days after delivery of a written request therefor by the Administrative Agent, (ii) the Administrative Agent (*provided* that no consent of the Administrative Agent shall be required (x) for an assignment of all or any portion of a Term Loan to a Lender, an Affiliate of a Lender or an Approved Fund, (y) for an assignment pursuant to Section 2.19(b) or (z) in connection with the

Initial Allocation) and (iii) Lead Borrower, if an assignment is made to a Disqualified Institution in accordance with Section 10.04(h).

(i) Assignments (other than any assignment pursuant to Section 2.19(b)), shall be subject to the following additional conditions:

(A) except in the case of an assignment to a Lender, an Affiliate of a Lender or an Approved Fund or an assignment of the entire remaining amount of the assigning Lender's Term Loans, the amount of the Term Loans of the assigning Lender subject to each such assignment (determined as of the date the Assignment and Acceptance with respect to such assignment is delivered to the Administrative Agent) shall not be less than \$1.0 million, unless each Borrower and the Administrative Agent otherwise consent; *provided* that (1) no such consent of the Borrowers shall be required if a Specified Event of Default has occurred and is continuing and (2) such amounts shall be aggregated in respect of each Lender and its Affiliates or Approved Funds (with simultaneous assignments to or by two or more Approved Funds being treated as one assignment for purposes of meeting the minimum assignment amount requirement), if any;

(B) except in connection with the Initial Allocation, the parties to each assignment shall execute and deliver to the Administrative Agent an Assignment and Acceptance via an electronic settlement system acceptable to the Administrative Agent (or, if previously agreed with the Administrative Agent, manually), and shall pay to the Administrative Agent a processing and recordation fee of \$3,500 (which fee may be waived or reduced in the sole discretion of the Administrative Agent and which fee has been waived in connection with the Initial Allocation);

(C) the Assignee, if it shall not be a Lender, shall deliver to the Administrative Agent an Administrative Questionnaire, any tax forms required to be delivered pursuant to Section 2.14 and all documents requested by the Administrative Agent pursuant to anti-money laundering rules and regulations;

(D) the assignor shall deliver to the Administrative Agent any Note issued to it with respect to the assigned Term Loan; and

(E) the Assignee shall be or become a party to the RSA.

For the purposes of this Section 10.04, “**Approved Fund**” means any Person (other than a natural person) that is engaged in making, purchasing, holding or investing in bank loans and similar extensions of credit in the ordinary course and that is administered or managed by (a) a Lender, (b) an Affiliate of a Lender or (c) an entity or an Affiliate of an entity that administers or manages a Lender.

(ii) Subject to acceptance and recording thereof pursuant to paragraph (b)(v) of this Section 10.04, from and after the effective date specified in each Assignment and Acceptance, the Assignee thereunder shall be a party hereto and, to the extent of the interest assigned by such Assignment and Acceptance, have the rights and obligations of a Lender under this Agreement, and the assigning Lender thereunder shall, to the extent of the interest assigned by such Assignment and Acceptance, be released from its obligations under this Agreement (and, in the case of an Assignment and Acceptance covering all of the assigning Lender's rights and obligations under this Agreement, such Lender shall

cease to be a party hereto but shall continue to be entitled to the benefits of Sections 2.12, 2.13, 2.14 and 10.05 with respect to facts and circumstances occurring prior to the effective date of such Assignment and Acceptance). Any assignment or transfer by a Lender of rights or obligations under this Agreement that does not comply with this Section 10.04 shall be treated for purposes of this Agreement as a sale by such Lender of a participation in such rights and obligations in accordance with paragraph (d) of this Section 10.04 to the extent such participation would be permitted by such Section 10.04(d).

(iii) The Administrative Agent, acting for this purpose as a non-fiduciary agent of the Borrowers, shall maintain at one of its offices a copy of each Assignment and Acceptance delivered to it and a register for the recordation of the names and addresses of the Lenders, and the principal amount (and stated interest with respect thereto) of the Term Loans owing to, each Lender pursuant to the terms hereof from time to time (the “*Register*”). The entries in the Register shall be conclusive absent manifest error, and the Borrowers, the Administrative Agent and the Lenders may treat each Person whose name is recorded in the Register pursuant to the terms hereof as a Lender hereunder for all purposes of this Agreement, notwithstanding notice to the contrary. The Register shall be available for inspection by the Borrowers and any Lender (solely with respect to such Lender’s Term Loans) at any reasonable time and from time to time upon reasonable prior written notice. The parties hereto acknowledge and agree that this Section 10.04 (including the Register and the Participant Register) shall be interpreted such that the Obligations are at all times maintained in “registered form” within the meaning of Sections 163(f), 871(h)(2), and 881(c)(2) of the Code.

(iv) Upon its receipt of a duly completed Assignment and Acceptance executed by an assigning Lender and an Assignee, the Assignee’s completed Administrative Questionnaire (unless the Assignee shall already be a Lender hereunder), all applicable tax forms, any Note outstanding with respect to the assigned Term Loan, the processing and recordation fee referred to in paragraph (b)(ii)(B) of this Section 10.04 and any written consent to such assignment required by paragraph (b) of this Section 10.04, the Administrative Agent promptly shall accept such Assignment and Acceptance and record the information contained therein in the Register. No assignment, whether or not evidenced by a promissory note, shall be effective for purposes of this Agreement unless it has been recorded in the Register as provided in this paragraph (b)(v).

(c) By executing and delivering an Assignment and Acceptance, the assigning Lender thereunder and the Assignee thereunder shall be deemed to confirm to and agree with each other and the other parties hereto as follows:

(i) such assigning Lender warrants that it is the legal and beneficial owner of the interest being assigned thereby free and clear of any adverse claim;

(ii) except as set forth in clause (a) above, such assigning Lender makes no representation or warranty and assumes no responsibility with respect to any statements, warranties or representations made in or in connection with this Agreement, or the execution, legality, validity, enforceability, genuineness, sufficiency or value of this Agreement, any other Loan Document or any other instrument or document furnished pursuant hereto, or the financial condition of Holdings, the Borrowers or any Subsidiary or the performance or observance by Holdings, the Borrowers or any Subsidiary of any of its obligations under this Agreement, any other Loan Document or any other instrument or document furnished pursuant hereto;

(iii) the Assignee represents and warrants that it is legally authorized to enter into such Assignment and Acceptance;

(iv) the Assignee confirms that it has received a copy of this Agreement, together with copies of the most recent Required Financial Statements delivered pursuant to Section 5.04, and such other documents and information as it has deemed appropriate to make its own credit analysis and decision to enter into such Assignment and Acceptance;

(v) the Assignee will independently and without reliance upon the Administrative Agent or the Collateral Agent, such assigning Lender or any other Lender and based on such documents and information as it shall deem appropriate at the time, continue to make its own credit decisions in taking or not taking action under this Agreement;

(vi) the Assignee appoints and authorizes the Administrative Agent to take such action as agent on its behalf and to exercise such powers under this Agreement as are delegated to the Administrative Agent by the terms of this Agreement, together with such powers as are reasonably incidental thereto; and

(vii) the Assignee agrees that it will perform in accordance with their terms all the obligations which by the terms of this Agreement are required to be performed by it as a Lender.

(d) (i) Any Lender may, without the consent of the Administrative Agent or, subject to Section 10.04(h), the Borrowers, sell participations to one or more banks or other entities (a **“Participant”**) in all or a portion of such Lender’s rights and obligations under this Agreement (including all or a portion of the Term Loans owing to it); *provided* that

(A) such Lender’s obligations under this Agreement shall remain unchanged;

(B) such Lender shall remain solely responsible to the other parties hereto for the performance of such obligations; and

(C) the Borrowers, the Administrative Agent and the other Lenders shall continue to deal solely and directly with such Lender in connection with such Lender’s rights and obligations under this Agreement.

Any agreement pursuant to which a Lender sells such a participation shall provide that such Lender shall retain the sole right to enforce this Agreement and the other Loan Documents, to approve any amendment, modification or waiver of any provision of this Agreement and the other Loan Documents, and to exercise any right or remedy with respect to the Term Loans and any securities, notes, or other interests issued pursuant to this Agreement, and any Collateral; *provided* that (A) such agreement may provide that such Lender will not, without the consent of the Participant, agree to any amendment, modification or waiver that (1) requires the consent of each Lender directly affected thereby pursuant to Section 10.04(a)(i) or clauses (A), (B), (C), (D), (E) or (F) of the first proviso to Section 10.08(b) and (2) directly affects such Participant and (B) no other agreement with respect to amendment, modification or waiver may exist between such Lender and such Participant. Subject to clause (d)(ii) of this Section 10.04, the Borrowers agree that each Participant shall be entitled to the benefits of Sections 2.12, 2.13 and 2.14 to the same extent as if it

were a Lender and had acquired its interest by assignment pursuant to paragraph (b) of this Section 10.04. To the extent permitted by law, each Participant also shall be entitled to the benefits of Section 10.06 as though it were a Lender; *provided* that such Participant shall be subject to Section 2.15(c) as though it were a Lender. Any Participant that seeks to receive the foregoing benefits under Sections 2.12, 2.13, 2.14 or 10.06 must act through the Lender that sold the participation to the Participant, and such Lender must comply with all other requirements for seeking such benefits, including complying with Section 9.01(e) of this Agreement. Each Lender that sells a participation shall, acting solely for this purpose as a non-fiduciary agent of the Borrowers, maintain a register on which it enters the name and address of each Participant and the principal amounts (and stated interest) of each Participant's interest in the Term Loans or other obligations under the Loan Documents (the "**Participant Register**"); *provided* that no Lender shall have any obligation to disclose all or any portion of the Participant Register (including the identity of any Participant or any information relating to a Participant's interest in any commitments, loans, letters of credit or its other obligations under any Loan Document) to any Person except to the extent that such disclosure is necessary to establish that such commitment, loan, letter of credit or other obligation is in registered form under Section 5f.103-1(c) of the United States Treasury Regulations. The entries in the Participant Register shall be conclusive absent manifest error, and such Lender shall treat each Person whose name is recorded in the Participant Register as the owner of such participation for all purposes of this Agreement notwithstanding any notice to the contrary. For the avoidance of doubt, the Administrative Agent (in its capacity as Administrative Agent) shall have no responsibility for maintaining a Participant Register.

(ii) A Participant shall not be entitled to receive any greater payment under Section 2.12, 2.13 or 2.14 than the applicable Lender would have been entitled to receive with respect to the participation sold to such Participant, unless the sale of the participation to such Participant is made with the Lead Borrower's prior written consent. A Participant shall not be entitled to the benefits of Section 2.14 to the extent such Participant fails to comply with Section 2.14(e) as though it were a Lender.

(e) Any Lender may at any time pledge or assign a security interest in all or any portion of its rights under this Agreement to secure obligations of such Lender, including any pledge or assignment to secure obligations to a Federal Reserve Bank and in the case of any Lender that is an Approved Fund, any pledge or assignment to any holders of obligations owed, or securities issued, by such Lender, including to any trustee for, or any other representative of, such holders, and this Section 10.04 shall not apply to any such pledge or assignment of a security interest; *provided* that no such pledge or assignment of a security interest shall release a Lender from any of its obligations hereunder or substitute any such pledgee or Assignee for such Lender as a party hereto.

(f) The Borrowers, upon receipt of written notice from the relevant Lender, agree to issue Notes to any Lender requiring Notes to facilitate transactions of the type described in paragraph (e) of this Section 10.04.

(g) [Reserved].

(h) Notwithstanding the foregoing, no assignment may be made or participation sold to (x) a Disqualified Institution without the prior written consent of the Lead Borrower; *provided* that, in connection with a participation, the Lenders shall have received a list of the Disqualified Institutions prior to the execution of such participation right or (y) any Defaulting Lender or any of

its Subsidiaries, or any Person who, upon becoming a Lender hereunder, would constitute any of the foregoing Persons described in this clause (h)(y).

(i) In connection with any assignment of rights and obligations of any Defaulting Lender hereunder, no such assignment shall be effective unless and until, in addition to the other conditions thereto set forth herein, the parties to the assignment shall make such additional payments to the Administrative Agent in an aggregate amount sufficient, upon distribution thereof as appropriate (which may be outright payment, purchases by the assignee of participations or subparticipations, or other compensating actions, including funding, with the consent of the Lead Borrower and the Administrative Agent, the applicable *pro rata* share of Term Loans previously requested but not funded by the Defaulting Lender, to each of which the applicable assignee and assignor hereby irrevocably consent), to (x) pay and satisfy in full all payment liabilities then owed by such Defaulting Lender to the Administrative Agent or any Lender hereunder (and interest accrued thereon) and (y) acquire (and fund as appropriate) its full *pro rata* share of all Term Loans. Notwithstanding the foregoing, in the event that any assignment of rights and obligations of any Defaulting Lender hereunder shall become effective under applicable law without compliance with the provisions of this paragraph, then the assignee of such interest shall be deemed to be a Defaulting Lender for all purposes of this Agreement until such compliance occurs.

SECTION 10.05 Expenses; Indemnity.

(a) Subject to and in accordance with the terms of the DIP Financing Orders, the Borrowers agree to pay all reasonable, documented and invoiced out-of-pocket expenses incurred by the Administrative Agent and the Backstop Commitment Parties (including, without limitation, the fees and expenses of the Lender Advisors) and, with respect to enforcement of the Loan Documents, incurred by any Lender, in connection with (i) the preparation of this Agreement and the other Loan Documents (including as to post-closing matters), (ii) the preparation, execution and delivery, administration, amendment, modification, waiver or enforcement of this Agreement (including expenses incurred in connection with due diligence and initial and ongoing Collateral examination to the extent incurred with the reasonable prior approval of the Borrowers or provided for in this Agreement) or (iii) otherwise in connection with the Chapter 11 Cases, the monitoring and administration thereof, the negotiation and implementation of an Acceptable Plan and any other matter, motion or order bearing on the validity, priority and/or repayment of the Obligations in accordance with the terms hereof, including the reasonable, documented and invoiced fees, charges and disbursements of the Lender Advisors and a single counsel for the Administrative Agent, one firm of local counsel for the Administrative Agent in each appropriate jurisdiction (which may include a single special counsel acting in multiple jurisdictions) and, in the case of any actual or perceived conflict of interest, one additional firm of counsel for the Administrative Agent, the Backstop Commitment Parties and, in the case of enforcement of this Agreement, the Lenders.

(b) Each Borrower agrees to indemnify the Administrative Agent, each Lender, each of their respective Affiliates and each of their respective directors, officers, employees, agents, attorneys, accountants, advisors, controlling Persons, equityholders, partners, members and other representatives and each of their respective successors and permitted assigns (each such Person being called an "**Indemnitee**") against, and to hold each Indemnitee harmless from, any and all losses, claims, damages, liabilities and reasonable, documented and invoiced out-of-pocket fees and expenses (limited to reasonable and documented legal fees of a single firm of counsel for the Indemnitees related to the Administrative Agent (including the Administrative Agent) and a single firm of counsel for all other all Indemnitees, taken as a whole, and, if necessary, one firm of counsel in each appropriate jurisdiction (which may include a single special counsel acting in multiple jurisdictions) for the Indemnitees related to the Administrative Agent (including the Administrative

Agent) and one firm of counsel in each appropriate jurisdiction (which may include a single special counsel acting in multiple jurisdictions) for all other Indemnitees taken as a whole (and, in the case of an actual or perceived conflict of interest, where the Indemnitee affected by such conflict informs the Lead Borrower of such conflict and thereafter retains its own counsel, of an additional counsel for each group of affected Indemnitees similarly situated, taken as a whole)), incurred by or asserted against any Indemnitee arising out of, in any way connected with, or as a result of:

- (i) the execution or delivery of this Agreement or any other Loan Document, the performance by the parties hereto and thereto of their respective obligations thereunder and the other transactions contemplated hereby;
- (ii) the use of the proceeds of the Term Loans;
- (iii) the enforcement or protection of its rights in connection with this Agreement and the other Loan Documents; or
- (iv) any Claim, litigation, investigation or proceeding relating to any of the foregoing, whether or not any Indemnitee is a party thereto and regardless of whether such matter is initiated by a third party or by Holdings, the Borrowers or any of their Subsidiaries or Affiliates or creditors;

provided that no Indemnitee will be indemnified for any loss, Claim, damage, liability, cost or expense to the extent it (i) has been determined by a final, non-appealable judgment of a court of competent jurisdiction to have resulted from (A) the gross negligence, bad faith or willful misconduct of such Indemnitee or any of its Related Parties or (B) a material breach of the obligations of such Indemnitee under the Loan Documents or (ii) relates to any proceeding between or among Indemnitees other than (A) Claims against Administrative Agent or their Affiliates, in each case, in their capacity or in fulfilling their role as the agent or any other similar role under the Term Facility (excluding their role as a Lender) to the extent such Persons are otherwise entitled to receive indemnification under this paragraph (b) or (B) Claims arising out of any act or omission on the part of Holdings, the Borrowers or their Subsidiaries.

(c) Subject to and without limiting the generality of the foregoing sentence, the Borrowers agree to indemnify each Indemnitee against, and hold each Indemnitee harmless from, any and all losses, Claims, damages, liabilities and related expenses, including reasonable, documented and invoiced fees, charges and disbursements of one firm of counsel for the Indemnitees related to the Administrative Agent (including the Administrative Agent) and one firm of counsel for all other Indemnitees, taken as a whole, and, if necessary, one firm of counsel in each appropriate jurisdiction (which may include a single special counsel in multiple jurisdictions) for the Indemnitees related to the Administrative Agent (including the Administrative Agent) and, if necessary, one firm of counsel in each appropriate jurisdiction (which may include a single special counsel in multiple jurisdictions) for all other Indemnitees taken as a whole (and, in the case of an actual or perceived conflict of interest, an additional counsel for each group of so conflicted Indemnitees similarly situated) and reasonable, documented and invoiced consultant fees, in each case, incurred by or asserted against any Indemnitee arising out of, in any way connected with, or as a result of any Claim arising under Environmental Laws against the Borrowers or any of the Subsidiaries, or any actual or alleged presence, Release or threatened Release of Hazardous Materials at, under, on or from any property for which the Borrowers or any Subsidiaries would reasonably be expected to be held liable under Environmental Laws; *provided* that such indemnity shall not, as to any Indemnitee, be available to the extent that such losses, Claims, damages, liabilities or related expenses are determined by a final, non-appealable judgment of a court of

competent jurisdiction to have resulted from the gross negligence, bad faith or willful misconduct of such Indemnitee or any of its Related Parties.

(d) Any indemnification or payments required by the Loan Parties under this Section 10.05 shall not apply with respect to (i) Taxes other than (A) any Taxes that represent losses, Claims, damages, etc. arising from any non-Tax claim and (B) expenses related to the enforcement of Section 2.14 or (ii) Taxes that are duplicative of any indemnification or payments required by the Loan Parties under Section 2.14.

(e) To the fullest extent permitted by applicable law, Holdings and the Borrowers shall not assert, and hereby waive, any Claim against any Indemnitee, on any theory of liability, for special, indirect, consequential or punitive damages (as opposed to direct or actual damages) arising out of, in connection with, or as a result of, this Agreement, any other Loan Document or any agreement or instrument contemplated hereby, the transactions contemplated hereby or thereby, the Chapter 11 Cases, any Term Loan and the use of the proceeds thereof, and the other transactions contemplated hereby and thereby. No Indemnitee shall be liable for any damages arising from the use by unintended recipients of any information or other materials distributed by it through telecommunications, electronic or other information transmission systems in connection with this Agreement or the other Loan Documents or the transactions contemplated hereby or thereby.

(f) The agreements in this Section 10.05 shall survive the resignation of the Administrative Agent, the replacement of any Lender, the repayment, satisfaction or discharge of all the other Obligations and the termination of this Agreement. All amounts due under this Section 10.05 shall be payable on written demand therefor accompanied by reasonable documentation with respect to any reimbursement, indemnification or other amount requested.

SECTION 10.06 Right of Set-off. Notwithstanding anything to the contrary in Section 362 of the Bankruptcy Code but subject to the DIP Financing Orders (including the Carve Out), if an Event of Default shall have occurred and be continuing, each Lender is hereby authorized at any time and from time to time, to the fullest extent permitted by law, to set off and apply any and all deposits (general or special, time or demand, provisional or final, but excluding any payroll, trust, tax and petty cash accounts) at any time held and other Indebtedness at any time owing by such Lender to or for the credit or the account of Holdings or any Subsidiary Loan Party against any of and all the Obligations of Holdings or any Subsidiary Loan Party now or hereafter existing under this Agreement or any other Loan Document held by such Lender, irrespective of whether or not such Lender shall have made any demand under this Agreement or such other Loan Document and although the Obligations may be unmatured. Notwithstanding the foregoing, in the event that any Defaulting Lender shall exercise any such right of set-off, (x) all amounts so set off shall be paid over immediately to the Administrative Agent for further application in accordance with the provisions of Section 2.19 and, pending such payment, shall be segregated by such Defaulting Lender from its other funds and deemed held in trust for the benefit of the Administrative agent and the Lenders, and (y) the Defaulting Lender shall provide promptly to the Administrative Agent a statement describing in reasonable detail the Obligations owing to such Defaulting Lender as to which it exercised such right of set-off. The rights of each Lender under this Section 10.06 are in addition to other rights and remedies (including other rights of set-off) that such Lender may be exercised only at the direction of the Administrative Agent or the Required Lenders.

SECTION 10.07 Applicable Law. THIS AGREEMENT AND THE OTHER LOAN DOCUMENTS (OTHER THAN AS EXPRESSLY SET FORTH IN THE OTHER LOAN DOCUMENTS) AND ANY CLAIM, CONTROVERSY, DISPUTE OR CAUSE OF ACTION (WHETHER IN CONTRACT OR TORT OR OTHERWISE) BASED UPON, ARISING OUT OF OR RELATING TO THIS AGREEMENT, THE OTHER LOAN DOCUMENTS AND THE TRANSACTIONS

CONTEMPLATED HEREBY AND THEREBY SHALL BE CONSTRUED IN ACCORDANCE WITH AND GOVERNED BY THE LAWS OF THE STATE OF NEW YORK (EXCEPT FOR CONFLICTS OF LAW PRINCIPLES THAT WOULD RESULT IN THE APPLICATION OF THE LAWS OF ANOTHER JURISDICTION OR TO THE EXTENT GOVERNED OR SUPERSEDED BY THE BANKRUPTCY CODE).

SECTION 10.08 Waivers; Amendment.

(a) No failure or delay of the Administrative Agent or any Lender in exercising any right or power hereunder or under any Loan Document shall operate as a waiver thereof, nor shall any single or partial exercise of any such right or power, or any abandonment or discontinuance of steps to enforce such a right or power, preclude any other or further exercise thereof or the exercise of any other right or power. The rights and remedies of each Agent and the Lenders hereunder and under the other Loan Documents are cumulative and are not exclusive of any rights or remedies that they would otherwise have. No waiver of any provision of this Agreement or any other Loan Document or consent to any departure by Holdings, the Borrower or any other Loan Party therefrom shall in any event be effective unless the same shall be permitted by paragraph (b) of this Section 10.08, and then such waiver or consent shall be effective only in the specific instance and for the purpose for which given. No notice or demand on Holdings, the Borrower or any other Loan Party in any case shall entitle such Person to any other or further notice or demand in similar or other circumstances.

(b) Neither this Agreement nor any other Loan Document nor any provision hereof or thereof may be waived, amended or modified except:

(i) [Reserved];

(ii) in the case of this Agreement, pursuant to an agreement or agreements in writing (including via e-mail) entered into by Holdings, the Borrower and the Required Lenders; and

(iii) in the case of any other Loan Document, pursuant to an agreement or agreements in writing (including via e-mail) entered into by each party thereto and the Administrative Agent and consented to by the Required Lenders;

provided, however, that no such agreement shall:

(A) except as provided in Section 2.19(b), decrease, forgive, waive or excuse the principal amount of, or any interest on, or extend the final maturity of, or decrease the rate of interest on, any Term Loan beyond the Maturity Date, without the prior written consent of each Lender directly affected thereby;

(B) increase or extend the Commitment of any Lender without the prior written consent of such Lender (it being understood that waivers or modifications of covenants, Defaults or Events of Default shall not constitute an increase of the Commitments of any Lender);

(C) except as provided in Section 2.19(b), increase, decrease, forgive, waive or excuse any Fees without the prior written consent of each Lender, and with respect to the Administrative Agent Fees, the Agents;

(D) except with respect to the extension of the Maturity Date pursuant to Section 2.18 of this Agreement, extend any date on which payment of principal or interest on any Term Loan or any Fee is due, without the prior written consent of each Lender adversely affected thereby;

(E) amend the provisions of Section 2.15(b) or (c) of this Agreement or any analogous provision of any other Loan Document, in a manner that would by its terms alter the *pro rata* sharing of payments required thereby, without the prior written consent of each Lender adversely affected thereby;

(F) amend or modify the provisions of this Section 10.08 or the definition of the term "Required Lenders" or "Supermajority Lenders" or any other provision hereof specifying the number or percentage of Lenders required to waive, amend or modify any rights hereunder or make any determination or grant any consent hereunder, without the prior written consent of each Lender (it being understood that, with the consent of the Required Lenders or Supermajority Lenders, as applicable, additional extensions of credit pursuant to this Agreement may be included in the determination of the Required Lenders or the Supermajority Lenders, as applicable, on substantially the same basis as the Term Loans are included on the Closing Date);

(G) release a material portion of the Collateral, unless pursuant to a transaction permitted by this Agreement, or release any of Holdings, the Borrower or any of the other Subsidiary Loan Parties from their respective Guarantees under the Collateral Agreement, unless, in the case of a Subsidiary Loan Party (other than the Borrower), all or substantially all the Equity Interests of such Subsidiary Loan Party is sold or otherwise disposed of in a transaction permitted by this Agreement, without the prior written consent of each Lender;

(H) contractually subordinate any Lien on any property granted to or held by the Administrative Agent under any Loan Document (other than (i) to the holder of any Lien on such property that is permitted by Section 6.02(c) in accordance with Section 9.01(c)(iii) or (ii) pursuant to the terms of the DIP Financing Orders);

(I) amend, modify or waive any provision of Article IV without the prior written consent of the Supermajority Lenders (it being understood that amendments, waivers or modifications of covenants, Defaults or Events of Default shall not constitute an amendment, modification or waiver for purposes of determining whether any condition of Article IV has been satisfied unless separately approved by the Supermajority Lenders); or

(J) alter the Consenting Noteholders' adequate protection status or the priority of the Liens on the Collateral securing the Obligations hereunder, in each case, as set forth in the Interim DIP Financing Order on the Closing Date, without the consent, not to be unreasonably withheld, conditioned or delayed, of the Majority Noteholders.

provided that no such agreement shall amend, modify or otherwise affect (a) the rights or duties of the Administrative Agent hereunder without the prior written consent of the Administrative Agent acting as such at the effective date of such agreement, as applicable or (b) the Consenting Noteholders in a

disproportionality adverse manner relative to the other Lenders hereunder without the consent, not to be unreasonably withheld, conditioned or delayed, of the Majority Noteholders. Each Lender shall be bound by any waiver, amendment or modification authorized by this Section 10.08 and any consent by any Lender pursuant to this Section 10.08 shall bind any assignee of such Lender.

(c) Without the consent of the Administrative Agent or any Lender, the Loan Parties and the Administrative Agent may (in their respective sole discretion, or shall, to the extent required by any Loan Document) enter into any amendment, modification or waiver of any Loan Document, or enter into any new agreement or instrument, to effect the granting, perfection, protection, expansion or enhancement of any security interest in any Collateral or additional property to become Collateral for the benefit of the Secured Parties, or as required by local law to give effect to, or protect any security interest for the benefit of the Secured Parties, in any property or so that the security interests therein comply with applicable law.

(d) Notwithstanding anything to the contrary herein, no Defaulting Lender shall have any right to approve or disapprove of any amendment, waiver or consent hereunder (and any amendment, waiver or consent which by its terms requires the consent of all Lenders or each affected lender may be effected with the consent of the applicable Lenders other than the Defaulting Lenders), except that (x) the Commitment of any Defaulting Lender may not be increased or extended without the consent of such lender and (y) any waiver, amendment or modification requiring the consent of all Lenders or each affected Lender that by its terms affects any Defaulting Lender disproportionately adversely relative to other affected Lenders shall require the consent of such Defaulting Lender.

(e) Notwithstanding the foregoing, the Administrative Agent, with the consent of the Borrower, may amend, modify or supplement any Loan Document without the consent of any Lender or the Required Lenders in order to correct, amend or cure any ambiguity, inconsistency or defect or correct any typographical error or other manifest error in any Loan Document, and such amendment, modification or supplement shall become effective without any further action or consent of any other party to any Loan Document if the same is not objected to in writing by the Required Lenders within five (5) Business Days following receipt of notice thereof.

SECTION 10.09 Interest Rate Limitation. Notwithstanding anything herein to the contrary, if at any time the applicable interest rate, together with all fees and charges that are treated as interest under applicable law (collectively, the “**Charges**”), as provided for herein or in any other document executed in connection herewith, or otherwise contracted for, charged, received, taken or reserved by any Lender, shall exceed the maximum lawful rate (the “**Maximum Rate**”) that may be contracted for, charged, taken, received or reserved by such Lender in accordance with applicable law, the rate of interest payable hereunder, together with all Charges payable to such Lender, shall be limited to the Maximum Rate; *provided* that such excess amount shall be paid to such Lender on subsequent payment dates to the extent not exceeding the legal limitation. In no event will the total interest received by any Lender exceed the amount which it could lawfully have received and any such excess amount received by any Lender will be applied to reduce the principal balance of the Term Loans or to other amounts (other than interest) payable hereunder to such Lender, and if no such principal or other amounts are then outstanding, such excess or part thereof remaining will be paid to the Borrowers.

SECTION 10.10 Entire Agreement. This Agreement, the other Loan Documents and the agreements regarding certain Fees referred to herein constitute the entire contract between the parties relative to the subject matter hereof. Any previous agreement among or representations from the parties or their Affiliates with respect to the subject matter hereof is superseded by this Agreement and the other Loan Documents. Notwithstanding the foregoing, the Fee Letter shall survive the execution and delivery of this

Agreement and remain in full force and effect. Nothing in this Agreement or in the other Loan Documents, expressed or implied, is intended to confer upon any party other than the parties hereto and thereto any rights, remedies, obligations or liabilities under or by reason of this Agreement or the other Loan Documents.

SECTION 10.11 WAIVER OF JURY TRIAL. EACH PARTY HERETO HEREBY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN RESPECT OF ANY LITIGATION DIRECTLY OR INDIRECTLY ARISING OUT OF, UNDER OR IN CONNECTION WITH THIS AGREEMENT OR ANY OF THE OTHER LOAN DOCUMENTS. EACH PARTY HERETO (A) CERTIFIES THAT NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PARTY HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PARTY WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER AND (B) ACKNOWLEDGES THAT IT AND THE OTHER PARTIES HERETO HAVE BEEN INDUCED TO ENTER INTO THIS AGREEMENT AND THE OTHER LOAN DOCUMENTS, AS APPLICABLE, BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION 10.11.

SECTION 10.12 Severability. In the event any one or more of the provisions contained in this Agreement or in any other Loan Document should be held invalid, illegal or unenforceable in any respect, the validity, legality and enforceability of the remaining provisions contained herein and therein shall not in any way be affected or impaired thereby. The parties shall endeavor in good faith negotiations to replace the invalid, illegal or unenforceable provisions with valid provisions the economic effect of which comes as close as possible to that of the invalid, illegal or unenforceable provisions.

SECTION 10.13 Counterparts. This Agreement may be executed in two or more counterparts, each of which shall constitute an original but all of which, when taken together, shall constitute but one contract, and shall become effective as provided in Section 10.03. Delivery of an executed counterpart to this Agreement by facsimile or other electronic transmission (e.g., “**PDF**” or “**TIFF**”) shall be as effective as delivery of a manually signed original.

SECTION 10.14 Headings. Article and Section headings and the Table of Contents used herein are for convenience of reference only, are not part of this Agreement and are not to affect the construction of, or to be taken into consideration in interpreting, this Agreement.

SECTION 10.15 Jurisdiction; Consent to Service of Process.

(a) Each of the parties hereto hereby irrevocably and unconditionally submits, for itself and its property, to the exclusive jurisdiction of the Bankruptcy Court, and if the Bankruptcy Court does not have (or abstains from) jurisdiction, non-exclusive jurisdiction of any New York State court or federal court of the United States of America sitting in the borough of Manhattan in New York County, and of the United States District Court of the Southern District of New York, and any appellate court from any thereof (collectively, “**New York Courts**”) in any action or proceeding arising out of or relating to this Agreement or the other Loan Documents, or for recognition or enforcement of any judgment, and each of the parties hereto hereby irrevocably and unconditionally agrees that all claims in respect of any such action or proceeding shall be heard and determined in the Bankruptcy Court (or, as applicable, a New York Court). Each of the parties hereto agrees that a final judgment in any such action or proceeding shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by law. Nothing in this Agreement shall affect any right that any party may otherwise have to bring any action or proceeding relating to this Agreement or any of the other Loan Documents in the courts of any jurisdiction, except that each of the Loan Parties agrees that (i) it will not bring any such

action or proceeding in any court other than the Bankruptcy Court, and (ii) in any such action or proceeding brought against any Loan Party in any other court, it will not assert any cross-claim, counterclaim or set-off, or seek any other affirmative relief, except to the extent that the failure to assert the same will preclude such Loan Party from asserting or seeking the same in the Bankruptcy Court.

(b) Each of the parties hereto hereby irrevocably and unconditionally waives, to the fullest extent it may legally and effectively do so, any objection which it may now or hereafter have to the laying of venue of any suit, action or proceeding arising out of or relating to this Agreement or the other Loan Documents in the Bankruptcy Court. Each of the parties hereto hereby irrevocably waives, to the fullest extent permitted by law, the defense of an inconvenient forum to the maintenance of such action or proceeding in any such court.

SECTION 10.16 Confidentiality. Each of the Lenders and each of the Agents agrees (and agrees to cause each of its Affiliates) to use all information provided to it by or on behalf of Holdings, the Borrowers or its Subsidiaries under the Loan Documents or otherwise in connection with the Chapter 11 Cases solely for the purposes of the transactions contemplated by this Agreement and the other Loan Documents and shall not publish, disclose or otherwise divulge such information, (other than information that:

(a) has become generally available to the public other than as a result of a disclosure by such party;

(b) has been independently developed by such Lender or the Administrative Agent without violating this Section 10.16; or

(c) was available to such Lender or the Administrative Agent from a third party having, to such Person's knowledge, no obligations of confidentiality to Holdings, the Borrowers or any other Loan Party);

and shall not reveal the same other than to its directors, trustees, officers, employees and advisors with a need to know or to any Person that approves or administers the Term Loans on behalf of such Lender or any numbering, administration or settlement service providers (so long as each such Person shall have been instructed to keep the same confidential in accordance with this Section 10.16), except:

(i) to the extent necessary to comply with law or any legal process or the requirements of any Governmental Authority, the National Association of Insurance Commissioners or of any securities exchange on which securities of the disclosing party or any Affiliate of the disclosing party are listed or traded, in which case such Person agrees, to the extent practicable and not prohibited by applicable law, to inform you promptly thereof prior to disclosure;

(ii) as part of normal reporting or review procedures to, or examinations by, Governmental Authorities or any bank accountants or bank regulatory authority exercising examination or regulatory authority, in which case (except with respect to any audit or examination conducted by any such bank accountant or bank regulatory authority) such Person agrees, to the extent practicable and not prohibited by applicable law, to inform you promptly thereof prior to disclosure;

- (iii) to its parent companies, Affiliates, limited partner, investors, prospective investors or auditors (so long as each such Person shall have been instructed to keep the same confidential in accordance with this Section 10.16);
- (iv) in order to enforce its rights under any Loan Document in a legal proceeding; and
- (v) to any pledgee or assignee under Section 10.04(e) or any other prospective assignee of, or prospective Participant in, any of its rights under this Agreement (so long as such Person shall have been instructed to keep the same confidential in accordance with this Section 10.16).

Notwithstanding the foregoing, (i) no such information shall be disclosed to a Disqualified Institution that constitutes a Disqualified Institution at the time of such disclosure without the Lead Borrower's prior written consent and (ii) any Agent or Lender may, at its own expense and in the ordinary course of its respective business, issue customary news releases and publish "tombstone" advertisements and other announcements relating to this transaction in newspapers, trade journals, and other appropriate media (which may include use of logos of one or more of the Loan Parties) (collectively, "**Trade Announcements**"), until such time as the Loan Parties revoke such authorization granted in this clause (ii) in writing to such Agent or such Lender, as applicable. Until such time such authorization has been revoked, such Agent or such Lender shall provide a draft reasonably in advance of any Trade Announcement to the Lead Borrower for review and comment prior to the publication thereof. No Loan Party shall issue any Trade Announcement or disclose the name of any Lender except (A) disclosures required by applicable law, regulation, legal, judicial or administrative process, or the rules of the SEC or other governmental authority, including the Bankruptcy Court, (B) with the prior approval of such Agent (in respect of Trade Announcements) and such Lender, (C) to the Sponsors, and the Loan Parties' and the Sponsors' respective officers, directors, employees, legal counsel, accountants, financial advisors and representatives, (D) the office of the U.S. Trustee, any *ad-hoc* or statutorily appointed committee of unsecured creditors, and their respective representatives and professional advisors on a confidential and "need to know" basis and (E) if such Trade Announcement or disclosure contains information that is publicly available (other than as a result of a breach of this section by the Loan Parties).

SECTION 10.17 Platform; Borrower Materials. Each Borrower hereby acknowledges that (a) the Administrative Agent will make available to the Lenders materials or information provided by or on behalf of the Borrowers hereunder (collectively, "**Borrower Materials**") by posting the Borrower Materials on IntraLinks or another similar electronic system (the "**Platform**"), and (b) certain of the Lenders may be "public-side" Lenders (i.e., Lenders that do not wish to receive material non-public information with respect to the Borrowers or their securities) (each, a "**Public Lender**"). The Borrowers hereby agree that they will use commercially reasonable efforts to identify that portion of the Borrower Materials that may be distributed to the Public Lenders and that:

- (i) all the Borrower Materials shall be clearly and conspicuously marked "PUBLIC" which, at a minimum, means that the word "**PUBLIC**" shall appear prominently on the first page thereof;
- (ii) by marking Borrower Materials "**PUBLIC**," the Borrowers shall be deemed to have authorized the Administrative Agent and the Lenders to treat the Borrower Materials as either publicly available information or not material information (although it may be sensitive and proprietary) with respect to the Borrowers or their securities for purposes of United States Federal and state securities laws;

(iii) all Borrower Materials marked “**PUBLIC**” are permitted to be made available through a portion of the Platform designated “**Public Investor**;” and

(iv) the Administrative Agent shall be entitled to treat the Borrower Materials that are not marked “**PUBLIC**” as being suitable only for posting on a portion of the Platform not designated “Public Investor.”

Notwithstanding the foregoing, the following Borrower Materials shall be deemed to be marked “PUBLIC” unless the Borrowers notify the Administrative Agent that any such document contains MNPI: (1) the Loan Documents, (2) any notification of changes in the terms of the Term Loans, (3) any notification of the identity of Disqualified Institutions and (4) all information delivered pursuant to clauses (b) and (d) of Section 5.04.

SECTION 10.18 Release of Liens and Guarantees. In the event that any Loan Party conveys, sells, leases, assigns, transfers or otherwise disposes of all or any portion of any of the Equity Interests or assets of any Loan Party (other than Equity Interests of the Lead Borrower) to a Person that is not (and is not required to become) a Loan Party in a transaction not prohibited by Section 6.05, any Liens created by any Loan Document in respect of such Equity Interests or assets shall be automatically released and the Administrative Agent shall promptly (and the Lenders hereby authorize the Administrative Agent to) take such action and execute any such documents as may be reasonably requested by Holdings or the Borrowers and at the Borrowers’ expense in connection with the release of any Liens created by any Loan Document in respect of such Equity Interests or assets, and, in the case of a disposition of the Equity Interests of any Subsidiary Loan Party (other than the Lead Borrower) in a transaction permitted by Section 6.05 (including through merger, consolidation, amalgamation or otherwise) and as a result of which such Subsidiary Loan Party would cease to be a Subsidiary, such Subsidiary Loan Party’s obligations under the Collateral Agreement shall be automatically terminated and the Administrative Agent shall promptly (and the Lenders hereby authorize the Administrative Agent to) take such action and execute any such documents as may be reasonably requested by Holdings or the Borrowers to terminate such Subsidiary Loan Party’s obligations under the Collateral Agreement. In addition, the Administrative Agent agrees to take such actions as are reasonably requested by Holdings or the Borrowers and at the Borrowers’ expense to terminate the Liens and security interests created by the Loan Documents when all the Obligations (other than Obligations in respect of contingent indemnification and reimbursement obligations that are not yet due and payable and for which no Claim has been asserted) are paid in full.

SECTION 10.19 USA PATRIOT Act Notice. Each Lender that is subject to the USA PATRIOT Act and the Administrative Agent (for itself and not on behalf of any Lender) hereby notifies the Borrowers that pursuant to the requirements of the USA PATRIOT Act, it is required to obtain, verify and record information that identifies each Loan Party, which information includes the name and address of each Loan Party and other information that will allow such Lender or the Administrative Agent, as applicable, to identify each Loan Party in accordance with the USA PATRIOT Act.

SECTION 10.20 [Reserved].

SECTION 10.21 No Advisory or Fiduciary Responsibility. In connection with all aspects of each transaction contemplated hereby (including in connection with any amendment, waiver or other modification hereof or of any other Loan Document), each of Holdings and each Borrower acknowledges and agrees that: (1) (a) the arranging and other services regarding this Agreement provided by the Agents are arm’s-length commercial transactions between Holdings and the Borrowers, on the one hand, and the Agents, on the other hand; (b) the Borrowers and Holdings have consulted their own legal, accounting, regulatory and tax advisors to the extent they deemed appropriate; and (c) the Borrowers and Holdings are capable of evaluating, and understands and accepts, the terms, risks and conditions of the transactions

contemplated hereby and by the other Loan Documents; (2) (a) each Agent each is and has been acting solely as a principal and, except as expressly agreed in writing by the relevant parties, has not been, is not, and will not be acting as an advisor, agent or fiduciary for the Borrowers, Holdings or any other Person and (b) none of the Agents has any obligation to the Borrowers, Holdings or any of their Affiliates with respect to the transactions contemplated hereby except those obligations expressly set forth herein and in the other Loan Documents; and (3) the Agents and their Affiliates may be engaged in a broad range of transactions that involve interests that differ from those of the Borrowers, Holdings and their respective Affiliates, and none of the Agents has any obligation to disclose any of such interests to the Borrowers, Holdings or any of their respective Affiliates. To the fullest extent permitted by law, each Borrower and Holdings hereby waives and releases any claims that it may have against the Agents with respect to any breach or alleged breach of agency or fiduciary duty in connection with any aspect of any transaction contemplated hereby.

SECTION 10.22 [Reserved].

SECTION 10.23 Acknowledgement and Consent to Bail-In of Affected Financial Institutions.

Notwithstanding anything to the contrary in any Loan Document or in any other agreement, arrangement or understanding among any such parties, each party hereto acknowledges that any liability of any Affected Financial Institution arising under any Loan Document, to the extent such liability is unsecured, may be subject to the Write-Down and Conversion Powers of the applicable Resolution Authority and agrees and consents to, and acknowledges and agrees to be bound by:

- (a) the application of any Write-Down and Conversion Powers by the applicable Resolution Authority to any such liabilities arising hereunder that may be payable to it by any party hereto that is an Affected Financial Institution; and
- (b) the effects of any Bail-In Action on any such liability, including, if applicable:
 - (i) a reduction in full or in part or cancellation of any such liability;
 - (ii) a conversion of all, or a portion of, such liability into shares or other instruments of ownership in such Affected Financial Institution, its parent undertaking, or a bridge institution that may be issued to it or otherwise conferred on it, and that such shares or other instruments of ownership will be accepted by it in lieu of any rights with respect to any such liability under this Agreement or any other Loan Document; or
 - (iii) the variation of the terms of such liability in connection with the exercise of the Write-Down and Conversion Powers of the applicable Resolution Authority.

SECTION 10.24 Conflicts. In the event of a conflict between, or inconsistency among, the Interim DIP Financing Order and the Final DIP Financing Order, on the one hand, and any Loan Document, on the other hand, the Interim DIP Financing Order or the Final DIP Financing Order, as the case may be, shall control.

These tag-along rights will apply to *mutatis mutandis* to any other equity securities of the Company held by the Holders.

Drag-Along Rights; Other Liquidity Events:

If any Drag-Along Holder (as defined below) proposes to transfer shares representing at least 50% of the then-outstanding common equity (other than to an affiliate or another Holder or in connection with an IPO), or to otherwise effect a sale of the Company, whether through merger, consolidation, share exchange, business combination, sale or disposition of assets, or otherwise, such Drag-Along Holder may require each other Holder (a “Dragged Seller”) to participate in such transaction (a “Drag-Along Sale”). In addition, any of the following amendments to the Equity Documents will require approval of Holders representing more than 50% of the then-issued and outstanding common equity held by Holders *other than* the Principal Investors:

The definitive documents will include a waiver of corporate opportunities.

Affiliate Transactions:

Any transaction or series of related transactions with any affiliate of the Company, including portfolio companies of the Holders (each, an "Affiliate Transaction"), shall, subject to customary exceptions to be agreed, require approval from a majority of the disinterested Directors of the Board and must be on an arm's length basis; provided, that in any transaction or series of related transactions involving greater than \$500,000 in the

aggregate, prior to consummating such transaction(s), either (i) the Board shall have received a fairness opinion from a reputable, independent third party firm or (ii) holders of at least 66 2/3% of the then-outstanding common equity, including each of the Principal Investors; provided, further, that the consent of any such Principal Investor for purposes of the forgoing clause (ii) shall only be required for so long as it continues to hold at least 5% of the then-outstanding common equity.

Termination: The Agreement will terminate upon the first to occur of: (i) the written agreement of the parties thereto, (ii) the unanimous consent of the Holders, (iii) the occurrence of a qualified IPO, (iv) the dissolution, liquidation or winding up of the Company and (v) the consummation of a Drag-Along Sale in which all of the Holders participate (either as Drag-Along Holders or Dragged Sellers).

Registration Rights: The Holders will be entitled to the following registration rights:

- **Demand Registration:** The Company shall register all Registrable Securities requested to be registered by Stockholders if the Company receives a written request (x) at any time following the occurrence of an IPO, from Holders representing at least 10% of the then-outstanding common equity, or (y) on and after the fifth anniversary of the Emergence Date, from Holders representing at least 40% of the then-outstanding common equity (subject to usual and customary exceptions and limitations). The holders of Registrable Securities will be entitled to an aggregate of five demand registrations following the occurrence of an IPO.

Demands to register the Registrable Securities on Form S-3 will not be deemed to be demand registration requests (as described above).

“Registrable Securities” shall mean all shares of common equity held by the Holders, whether acquired on or after the Emergence Date, but excluding any such shares that may be sold pursuant to Rule 144 under the Securities Act (or any similar provisions then in force) by such Holder without being subject to the volume and manner of sale restrictions thereunder.

Periodic Tender Offers: The Company will be permitted to make periodic tender offers for the New Equity subject to restrictions in debt documents.

No Side Agreements: All Holders shall represent in the Agreement as of the Emergence Date that all agreements with respect to the governance of the Company are as set forth in the Agreement, and no other agreements or understandings (whether oral or written) with respect to any such matters or the relationship between or among the Company, its directors and any Holder in its capacity as equityholder have been entered into or made.

Governing Law: Delaware.

Calculations:	For purposes of determining satisfaction of any holder thresholds in the Agreement or the other Equity Documents, the common equity held by any Holder will be (a) calculated without giving effect to any management incentive dilution (whether as a result of actually issued and outstanding shares or contingent instruments (e.g., options)) or dilution from other future-issued securities and (b) aggregated with common stock held by its and its affiliates' related funds, investment vehicles and managed accounts.
